AS ALLEN'S LONG JOURNEY HOME CONTINUES HIS MIND DRIFTS, THINKING BACK ON THE HUMBLE ORIGINS OF HIS PEOPLE... AND HIMSELF.

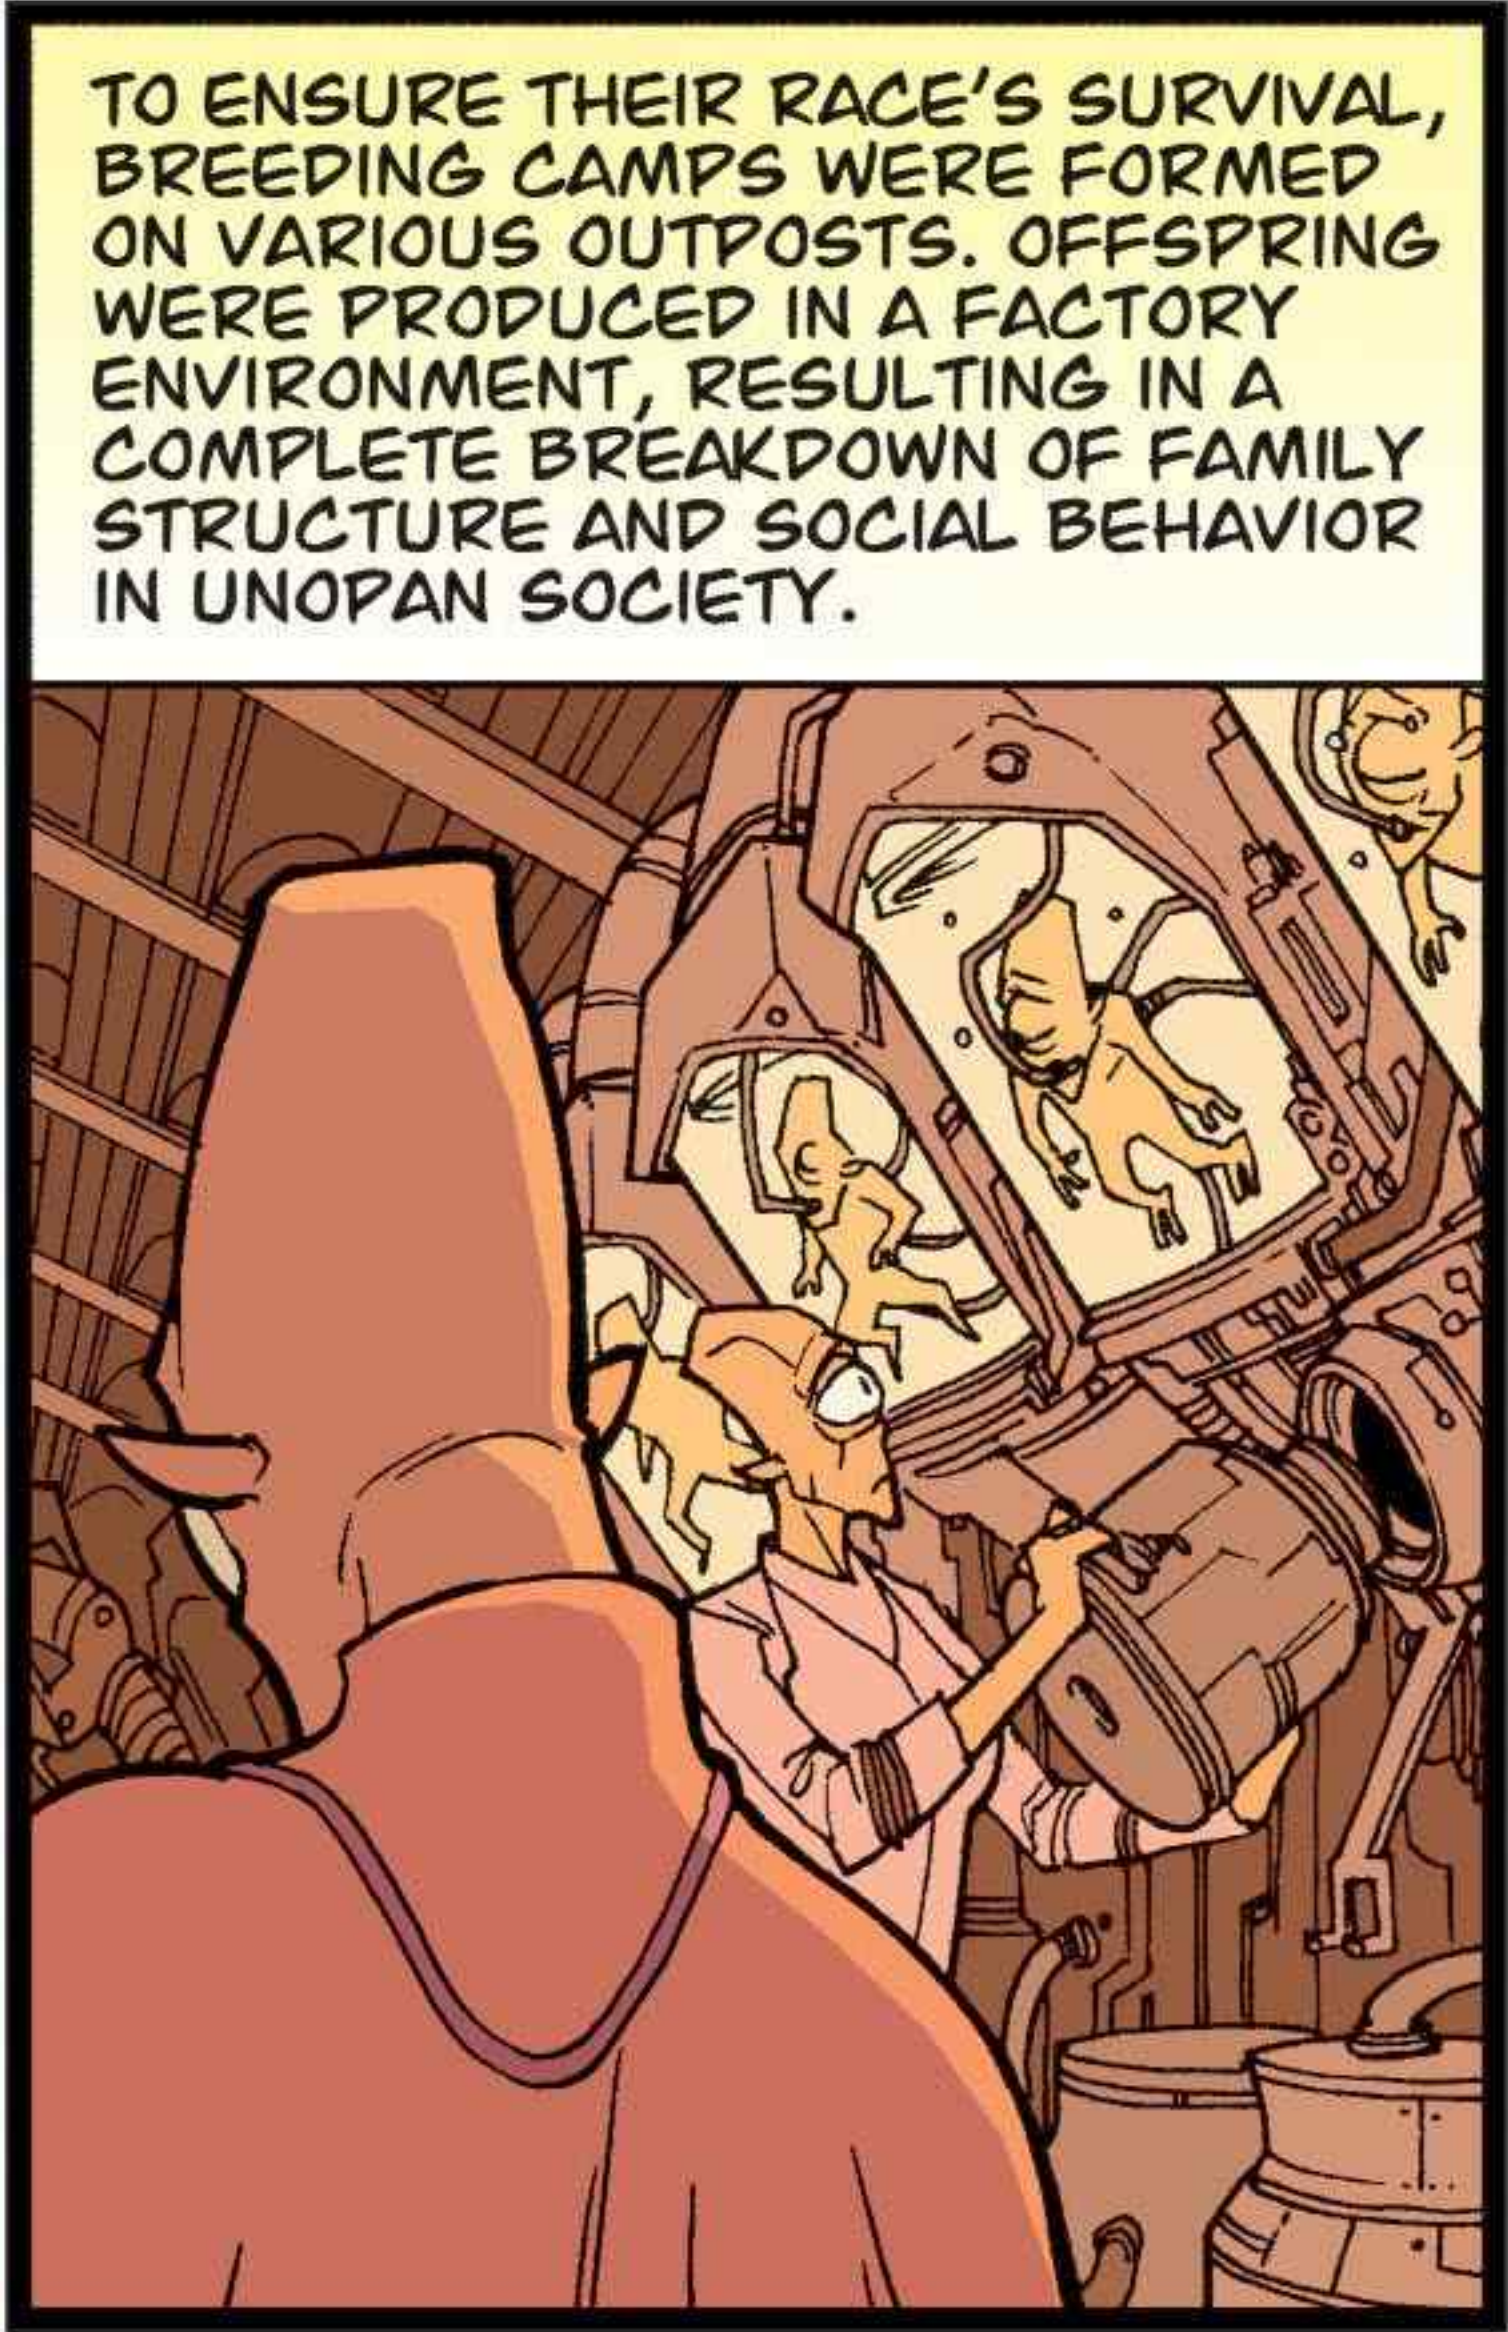

A TALE THAT WOULD RIVAL DEEP SPACE ITSELF IN COLD AND HARSHNESS.

LIFE ON UNOPA WAS ENDED WHEN THE VILTRUMITES INVADIED. LIKE A PLAGUE OF UNEQUALED POTENCY, THE VILTRUMITES SWEEPED ACROSS THE PLANET--CONQUERING IT IN A MATTER OF DAYS.

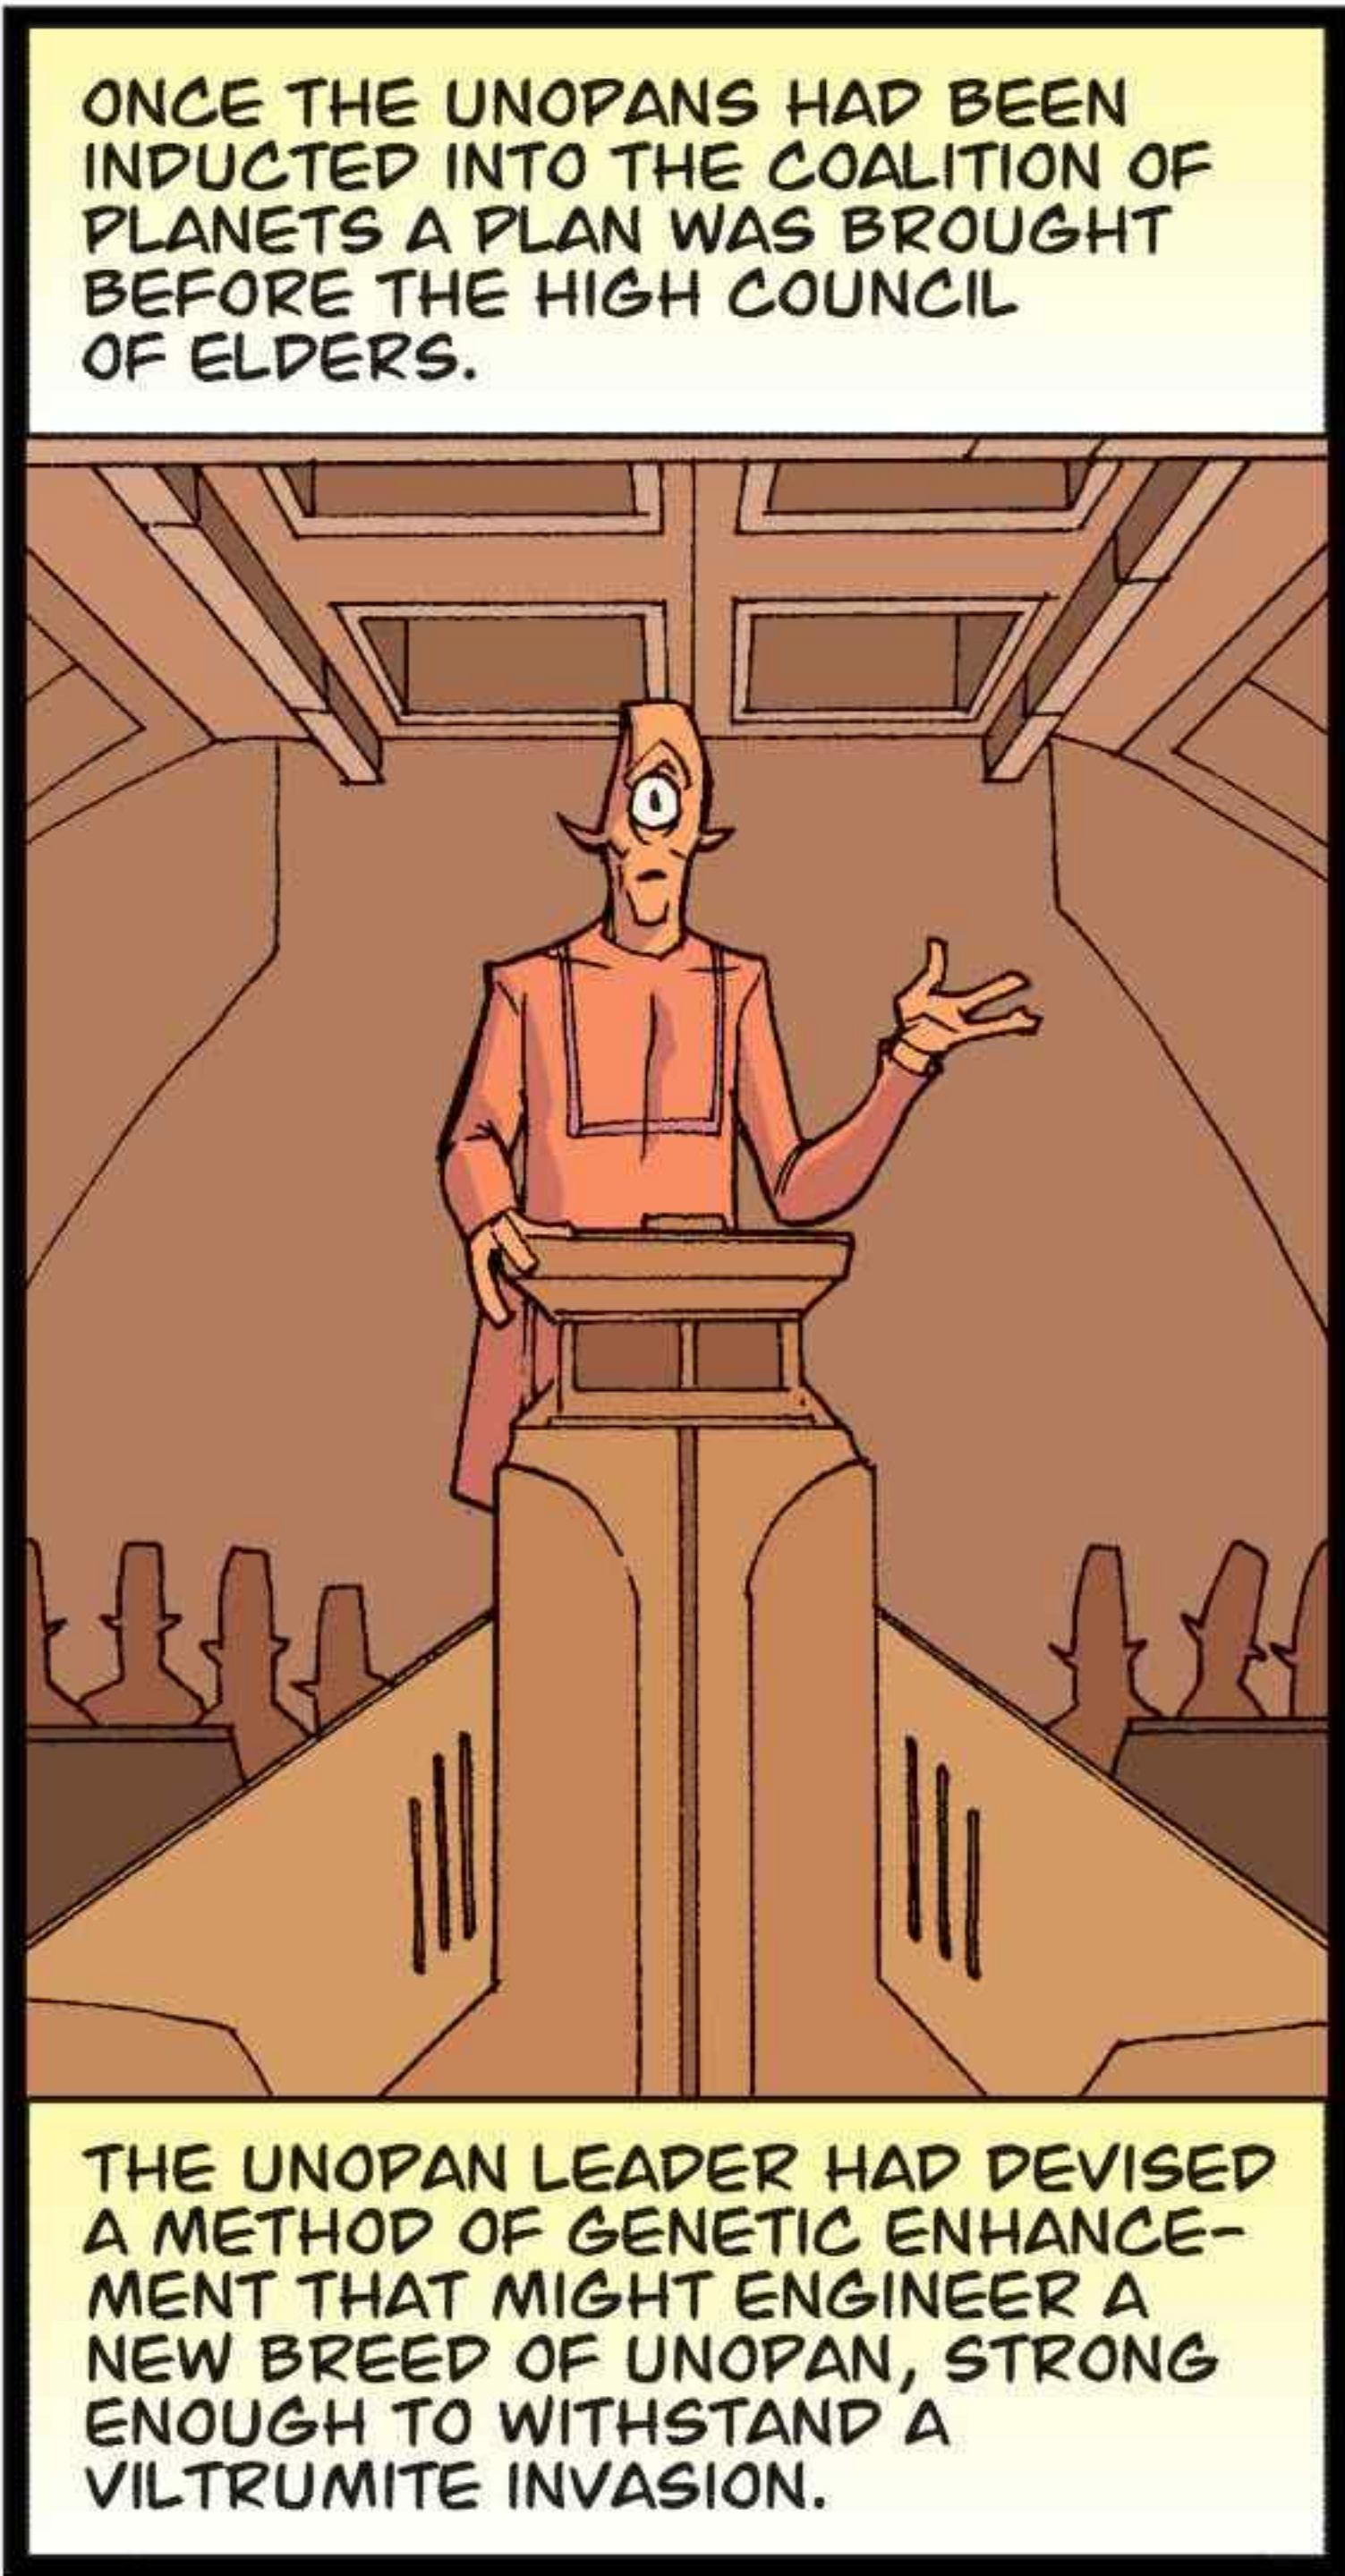

EVER RESOURCEFUL--THE UNOPANS WERE ABLE TO ESCAPE THEIR PLANET, ABANDONING IT FOR THE STARS--AND THE PROMISE OF A NEW LIFE.

TO ENSURE THEIR RACE'S SURVIVAL, BREEDING CAMPS WERE FORMED ON VARIOUS OUTPOSTS. OFFSPRING WERE PRODUCED IN A FACTORY ENVIRONMENT, RESULTING IN A COMPLETE BREAKDOWN OF FAMILY STRUCTURE AND SOCIAL BEHAVIOR IN UNOPAN SOCIETY.

IMPRESSED WITH THE UNOPANS ABILITY TO ESCAPE AND OVERCOME THE HARDSHIPS OF THE VILTRUMITE INVASION--THE **COALITION OF PLANETS** INVITED THEM TO JOIN THIER RANKS.

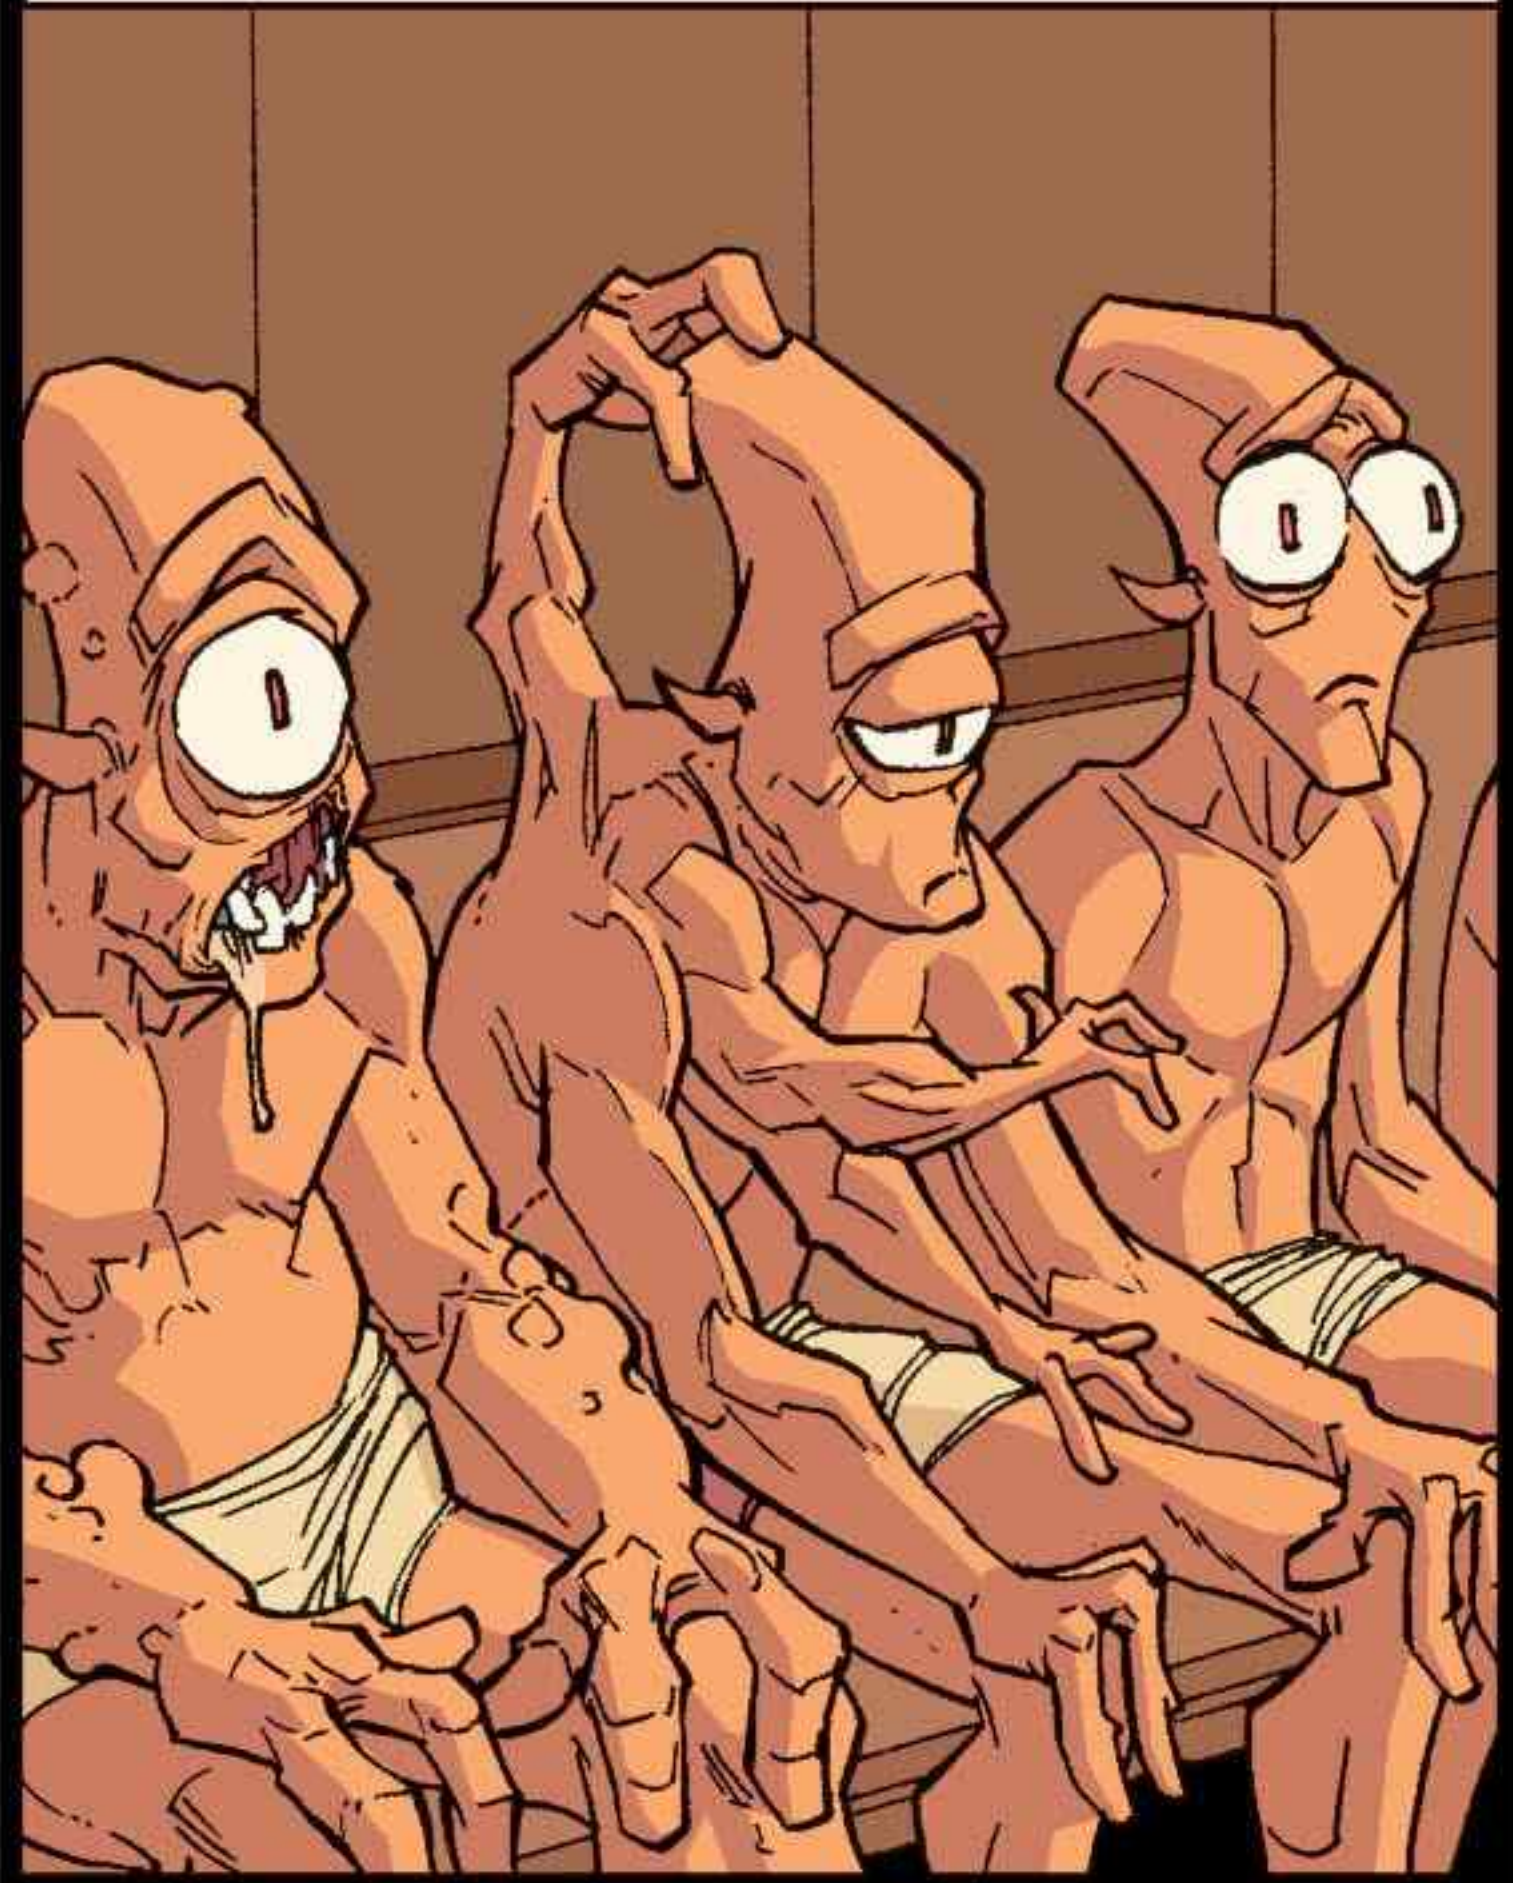

ONCE THE UNOPANS HAD BEEN INDUCTED INTO THE COALITION OF PLANETS A PLAN WAS BROUGHT BEFORE THE HIGH COUNCIL OF ELDERS.

THE UNOPAN LEADER HAD DEVISED A METHOD OF GENETIC ENHANCEMENT THAT MIGHT ENGINEER A NEW BREED OF UNOPAN, STRONG ENOUGH TO WITHSTAND A VILTRUMITE INVASION.

DESPERATE TO FIND A WAY TO COMBAT THE EVER-EXPANDING VILTRUM EMPIRE, THE PLAN WAS APPROVED IMMEDIATELY.

FOR YEARS THE UNOPAN GOVERNMENT EXPERIMENTED ON UNBORN FETUSES. THE RESULTS WERE A COMPLETE FAILURE.

UNTIL ALLEN. HE WAS THE FIRST AND ONLY SUBJECT TO SURVIVE THE TESTS WITHOUT DISFIGUREMENT AND MENTAL HANDICAPS.

HE WAS THE ONLY SUCCESS.

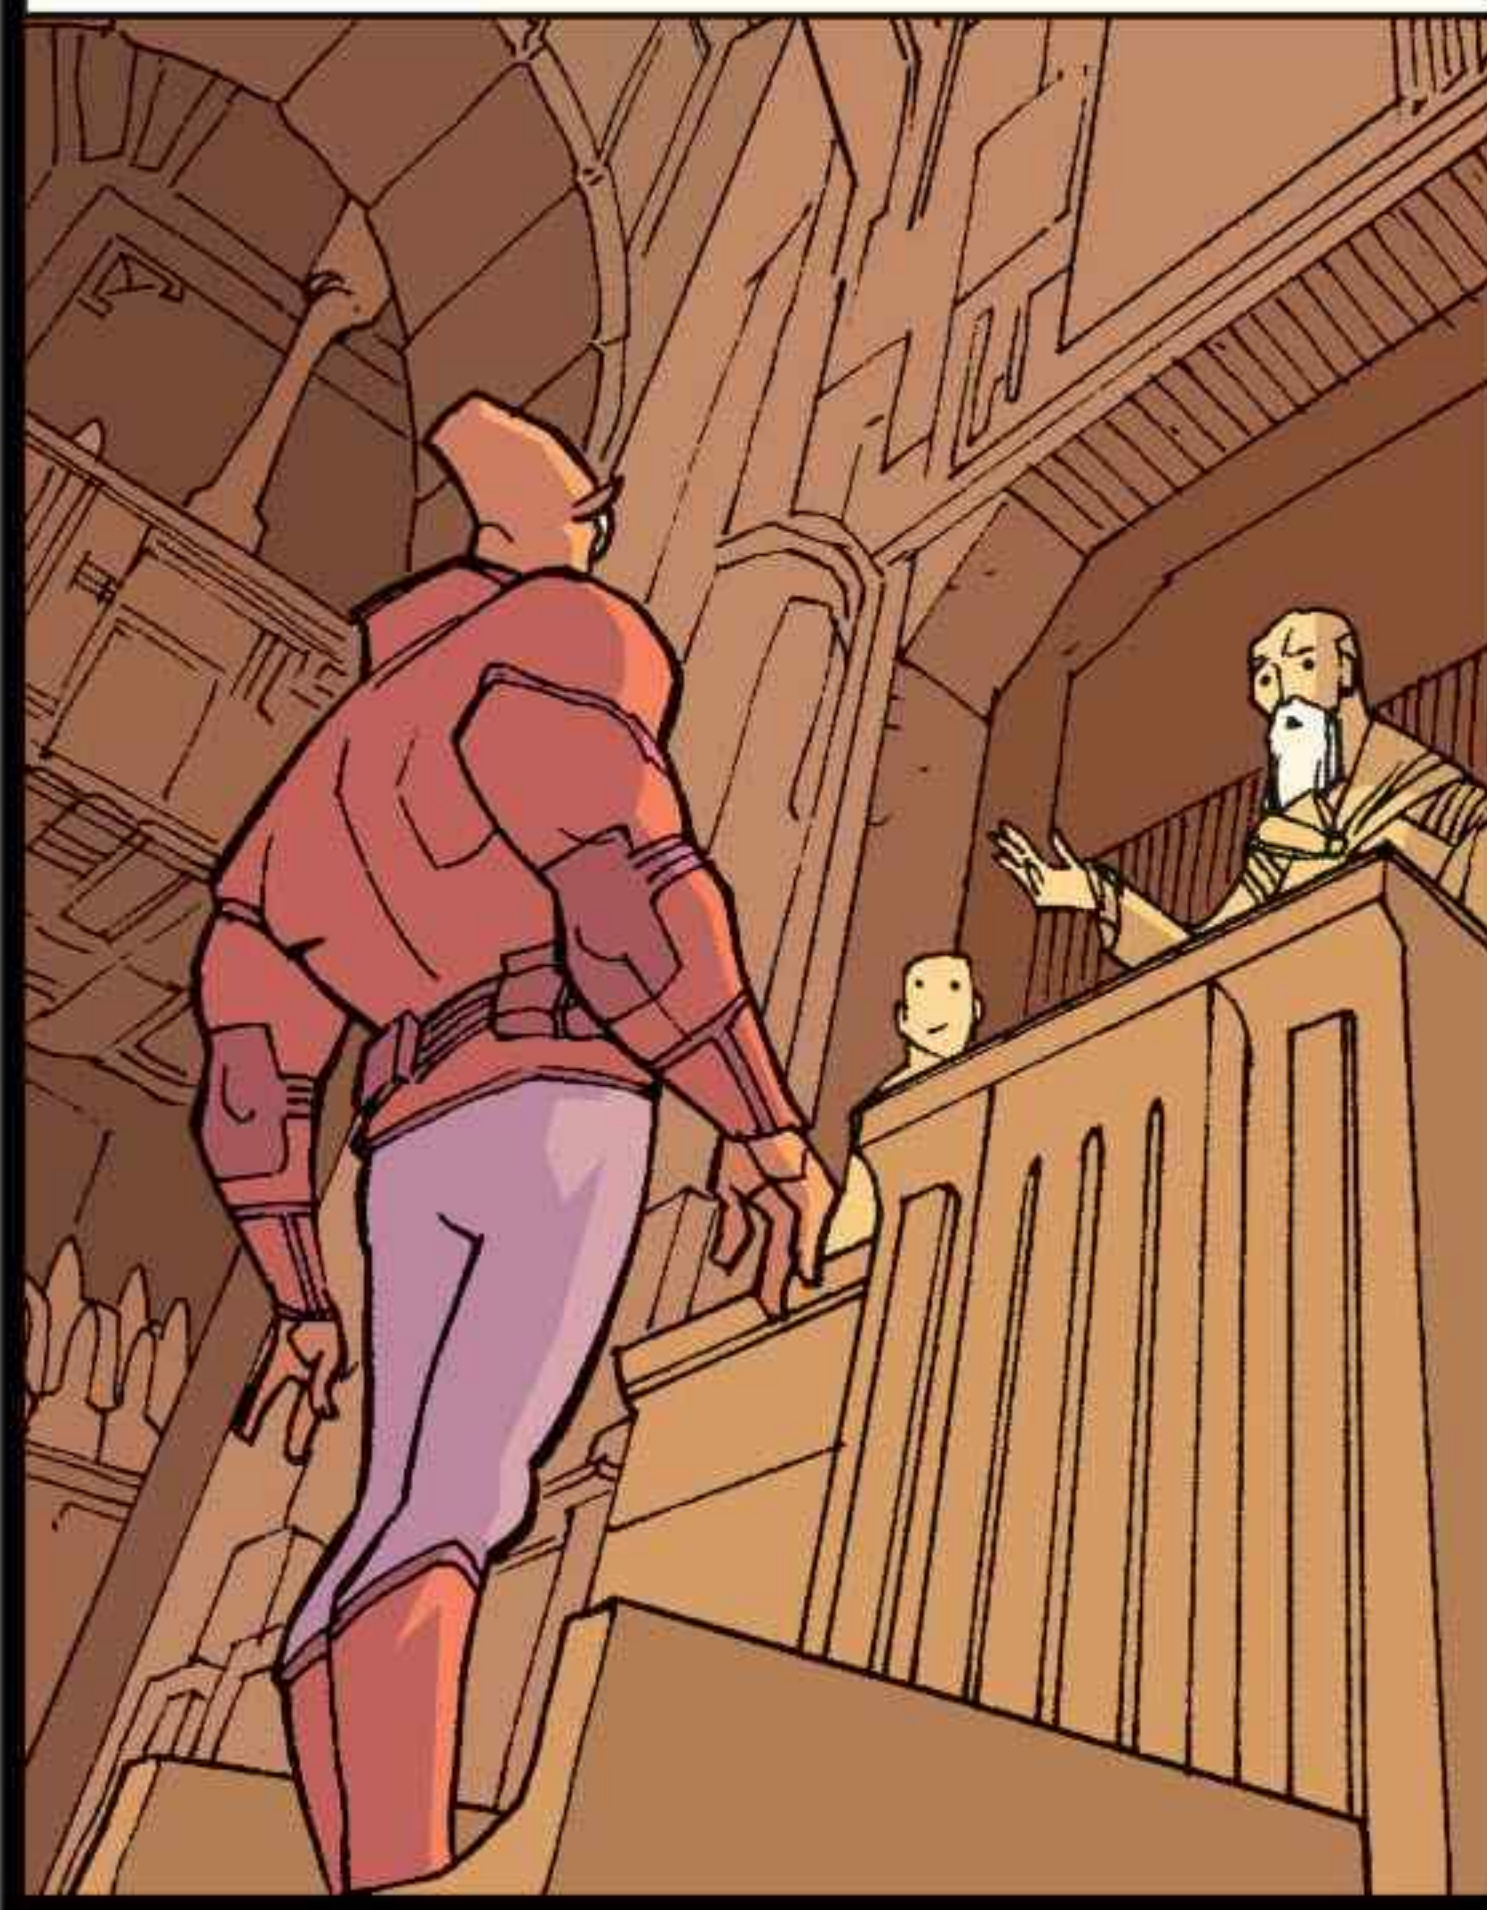

NEARLY FROM THE DAY HE WAS BORN HE WAS TAUGHT TO BE THE GREATEST FIGHTER THE UNIVERSE HAD EVER SEEN.

FOR A TIME--IT SEEMED HE WAS A COMPLETE SUCCESS. EVEN BEFORE ADULthood AN OPPONENT COULD NOT BE FOUND WHO DIDN'T FALL BEFORE HIS MIGHT.

IMMEDIATELY AFTER ADULthood HAD BEEN REACHED HE WAS SENT ON HIS FIRST MISSION AGAINST THE VILTRUMITES.

IT DID NOT GO WELL. IT TURNED OUT THAT ALTHOUGH ALLEN WAS STRONGER THAN MOST EVERYTHING ELSE IN THE UNIVERSE, HE WAS NOT UP TO VILTRUMITE STANDARDS OF COMBAT.

WITH ALLEN DEFEATED, THE PROGRAM WAS ONCE AGAIN CONSIDERED A FAILURE, AND WAS SHUT DOWN FOR GOOD.

THE PROGRAM WASN'T A COMPLETE LOSS, ALLEN WAS SENT OUT INTO THE COSMOS UNDER THE GUISE OF "CHAMPION EVALUATION OFFICER."

HIS REAL MISSION WAS TO SEARCH FOR BEINGS STRONG ENOUGH TO DEFEAT HIM AND REPORT THEIR EXISTENCE TO THE COALITION.

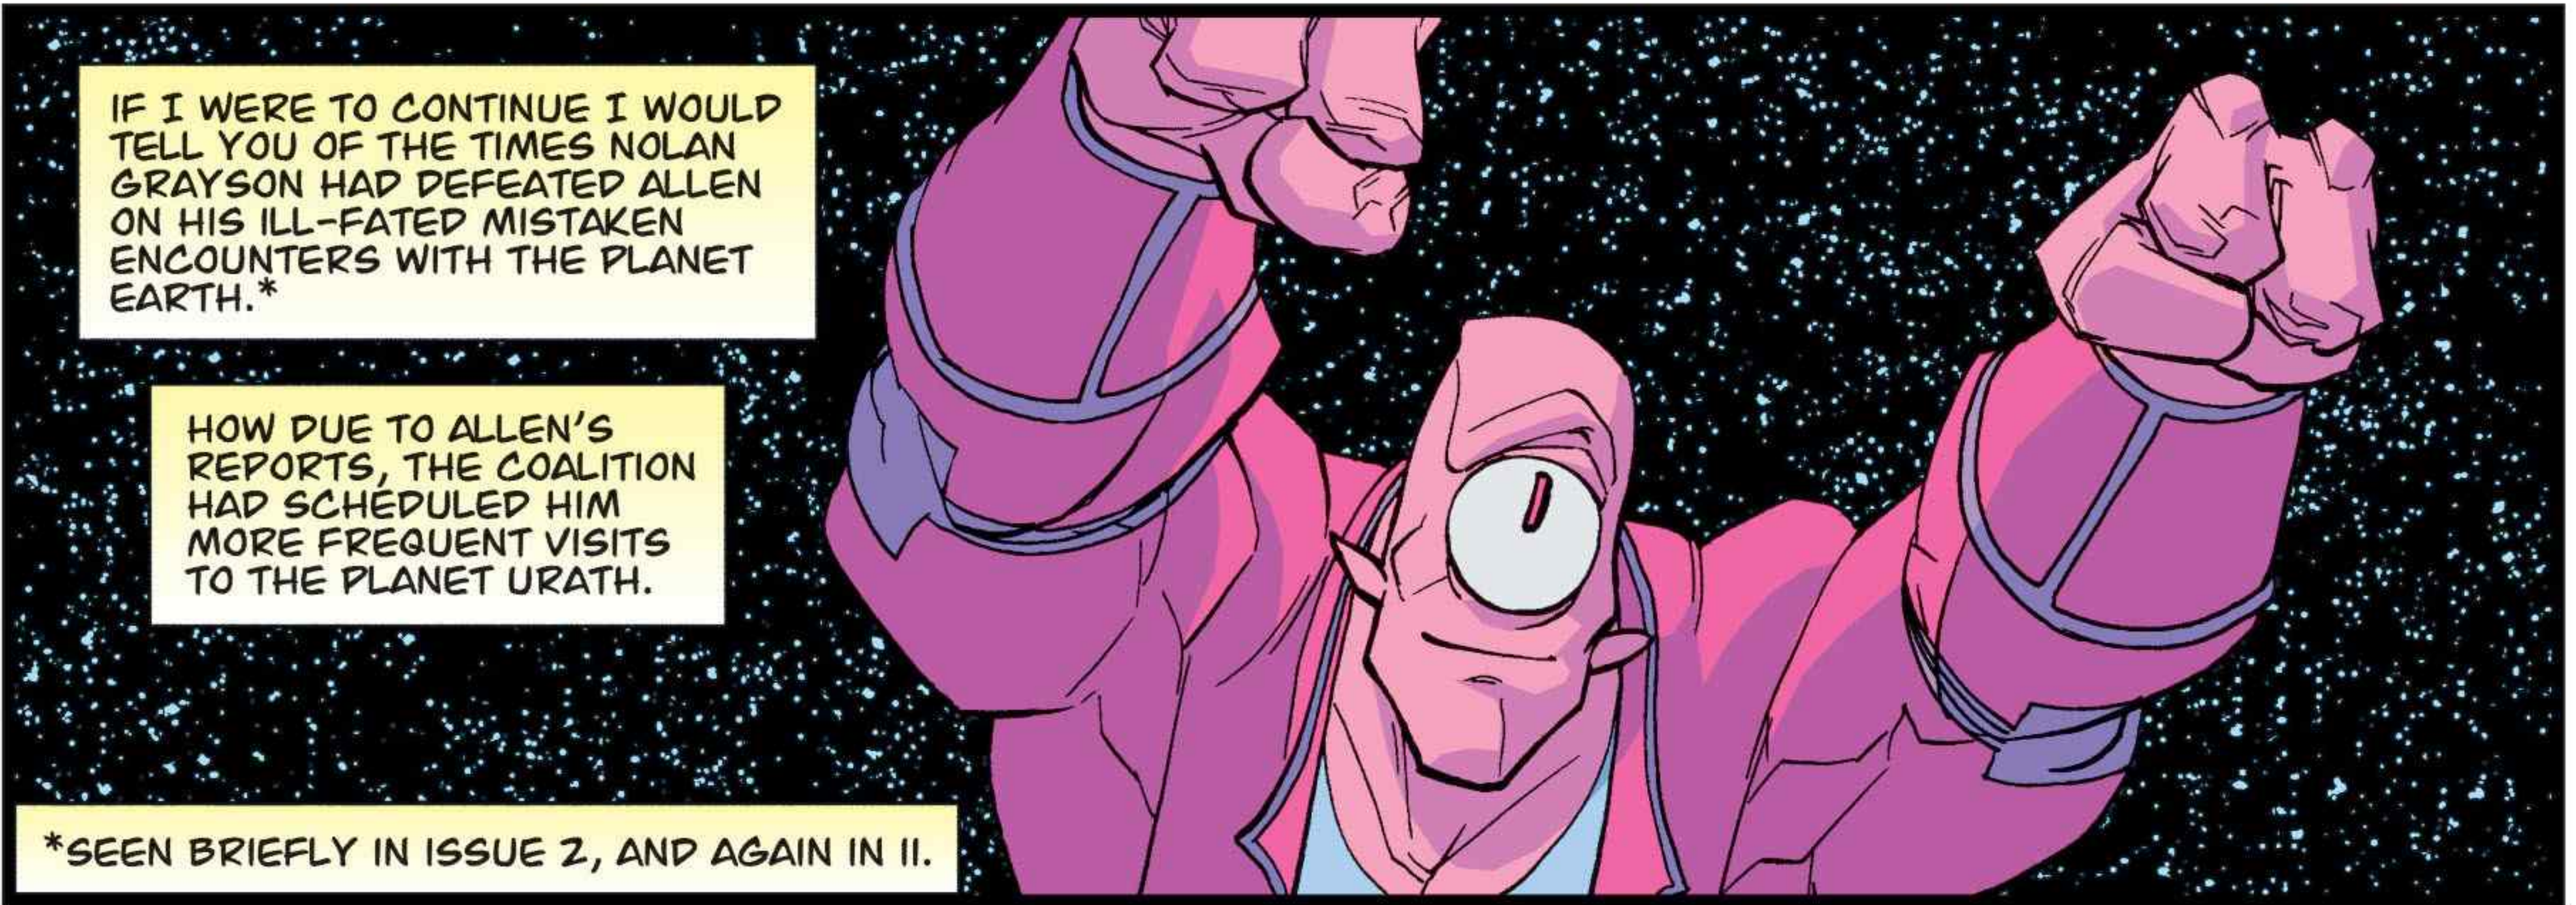

THE HOPE WAS THAT IF THEY COULD DEFEAT HIM--MAYBE THEY WERE STRONG ENOUGH TO DEFEAT A VILTRUMITE AS WELL.

OF COURSE, DEAR READER, THE STORY DOES NOT, IN FACT, END THERE

NOT EVEN CLOSE.

IF I WERE TO CONTINUE I WOULD TELL YOU OF THE TIMES NOLAN GRAYSON HAD DEFEATED ALLEN ON HIS ILL-FATED MISTAKEN ENCOUNTERS WITH THE PLANET EARTH.*

HOW DUE TO ALLEN'S REPORTS, THE COALITION HAD SCHEDULED HIM MORE FREQUENT VISITS TO THE PLANET URATH.

*SEEN BRIEFLY IN ISSUE 2, AND AGAIN IN II.

I WOULD EVEN CONTINUE TO TELL YOU ABOUT HOW DURING A CONFRONTATION WITH MARK GRAYSON, NOLAN'S SON. ALLEN LEARNED THE PLANET HE WAS REALLY VISITING WAS EARTH--NOT URATH.**

THEN I WOULD TELL HOW THE COALITION, AFTER LEARNING OF THE MISTAKE, INFORMED HIM IT WAS OFF LIMITS--THAT EARTH WAS ALREADY CLAIMED BY VILTRUM.

I WOULD CONTINUE TO TELL YOU HOW ALLEN RETURNED TO EARTH TO WARN MARK OF THE VILTRUMITE IN THEIR MIDST.***

**SEE ISSUE 5, INVINCIEHEADS.

***YOU MIGHT AS WELL CHECK OUT ISSUE 13 WHILE YOU'RE AT IT.

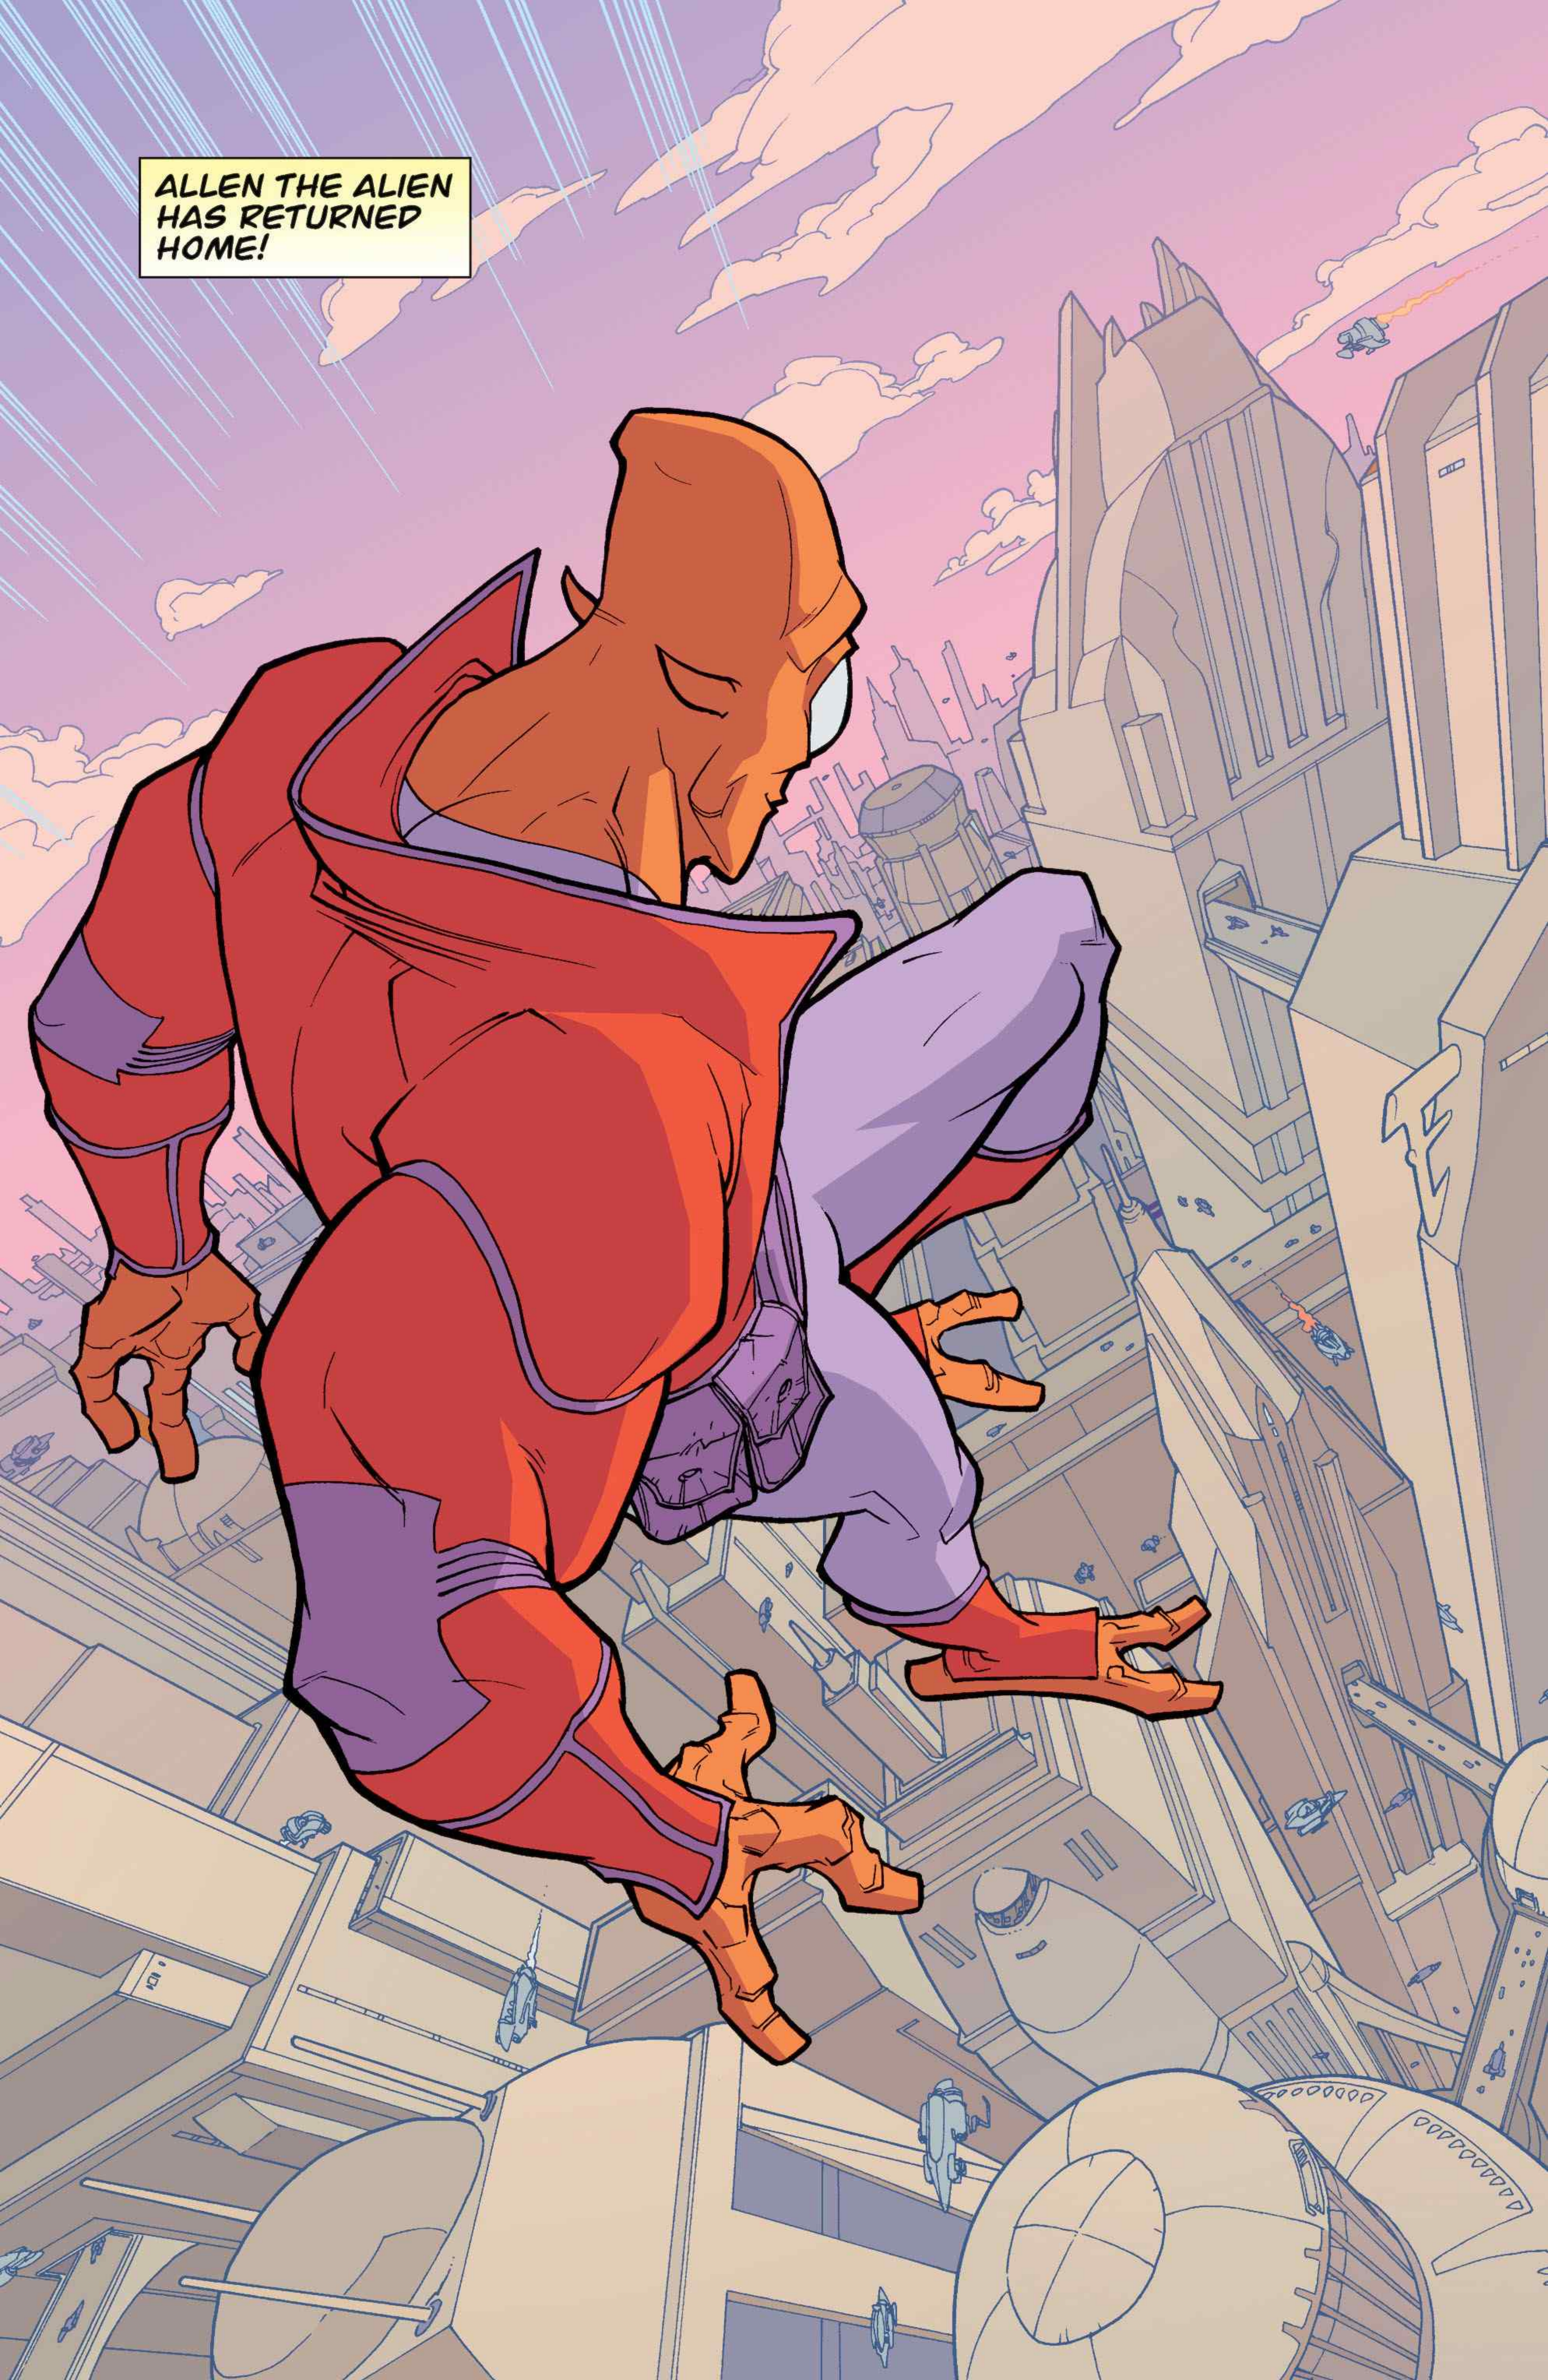

WERE I TO CONTINUE WITH THIS STORY EVEN FURTHER I WOULD INFORM YOU OF HOW ALLEN'S WARNING CAME TOO LATE. MARK'S FATHER WAS ALREADY REVEALED TO BE THAT VILTRUMITE.****

ALL THIS INFORMATION LED TO ALLEN'S CURRENT MISSIVE, AN IMPORTANT MESSAGE TO BE GIVEN DIRECTLY TO THE COALITION LEADERS.

YES, DEAR READER--I WOULD LOVE TO TELL YOU ALL OF THIS, BUT I HAVE NOT THE TIME, FOR--

****ALSO IN ISSUE 13.

ALLEN THE ALIEN
HAS RETURNED
HOME!

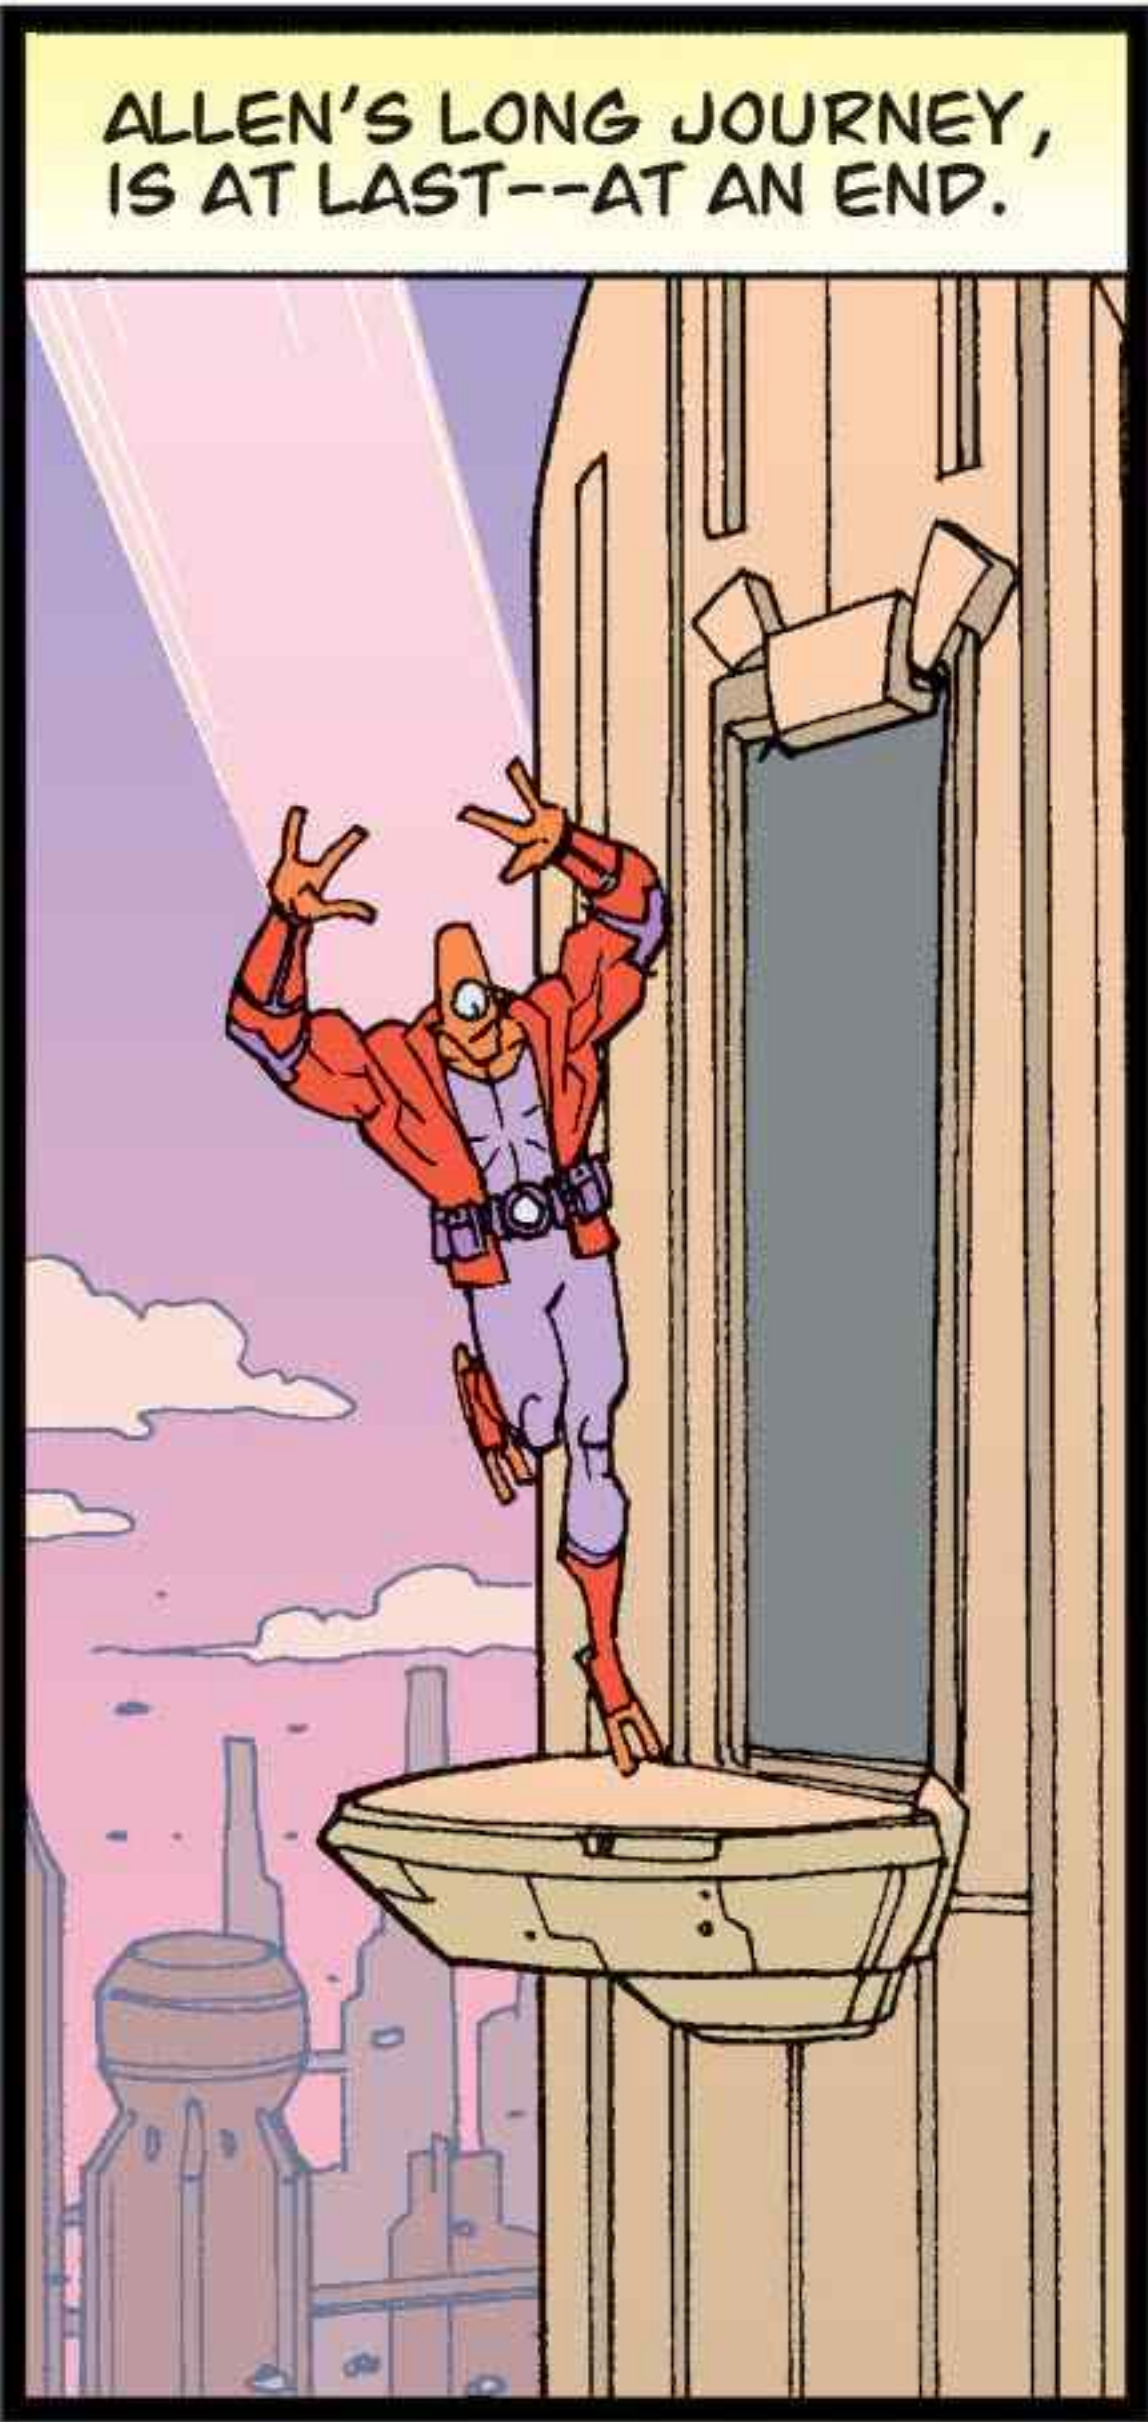

YES, HOME, OTHERWISE KNOWN AS THE PLANET **TALESCRIA**, THE CAPITAL OF THE COALITION OF PLANETS.

FAR BELOW ALLEN, MILLIONS OF PEOPLE GO ABOUT THEIR DAILY LIVES, UNAWARE OF HIS RETURN.

UNAWARE OF THE NEWS HE CARRIES WITH HIM.

UNAWARE OF THE HOPE IT MAY BRING THEM.

ALLEN'S LONG JOURNEY, IS AT LAST--AT AN END.

FROM THIS HUMBLE BUILDING AMIDST THE MILLION SKYSCRAPERS OF TALESCRIA, THE FATE OF THE ENTIRE UNIVERSE IS DECIDED.

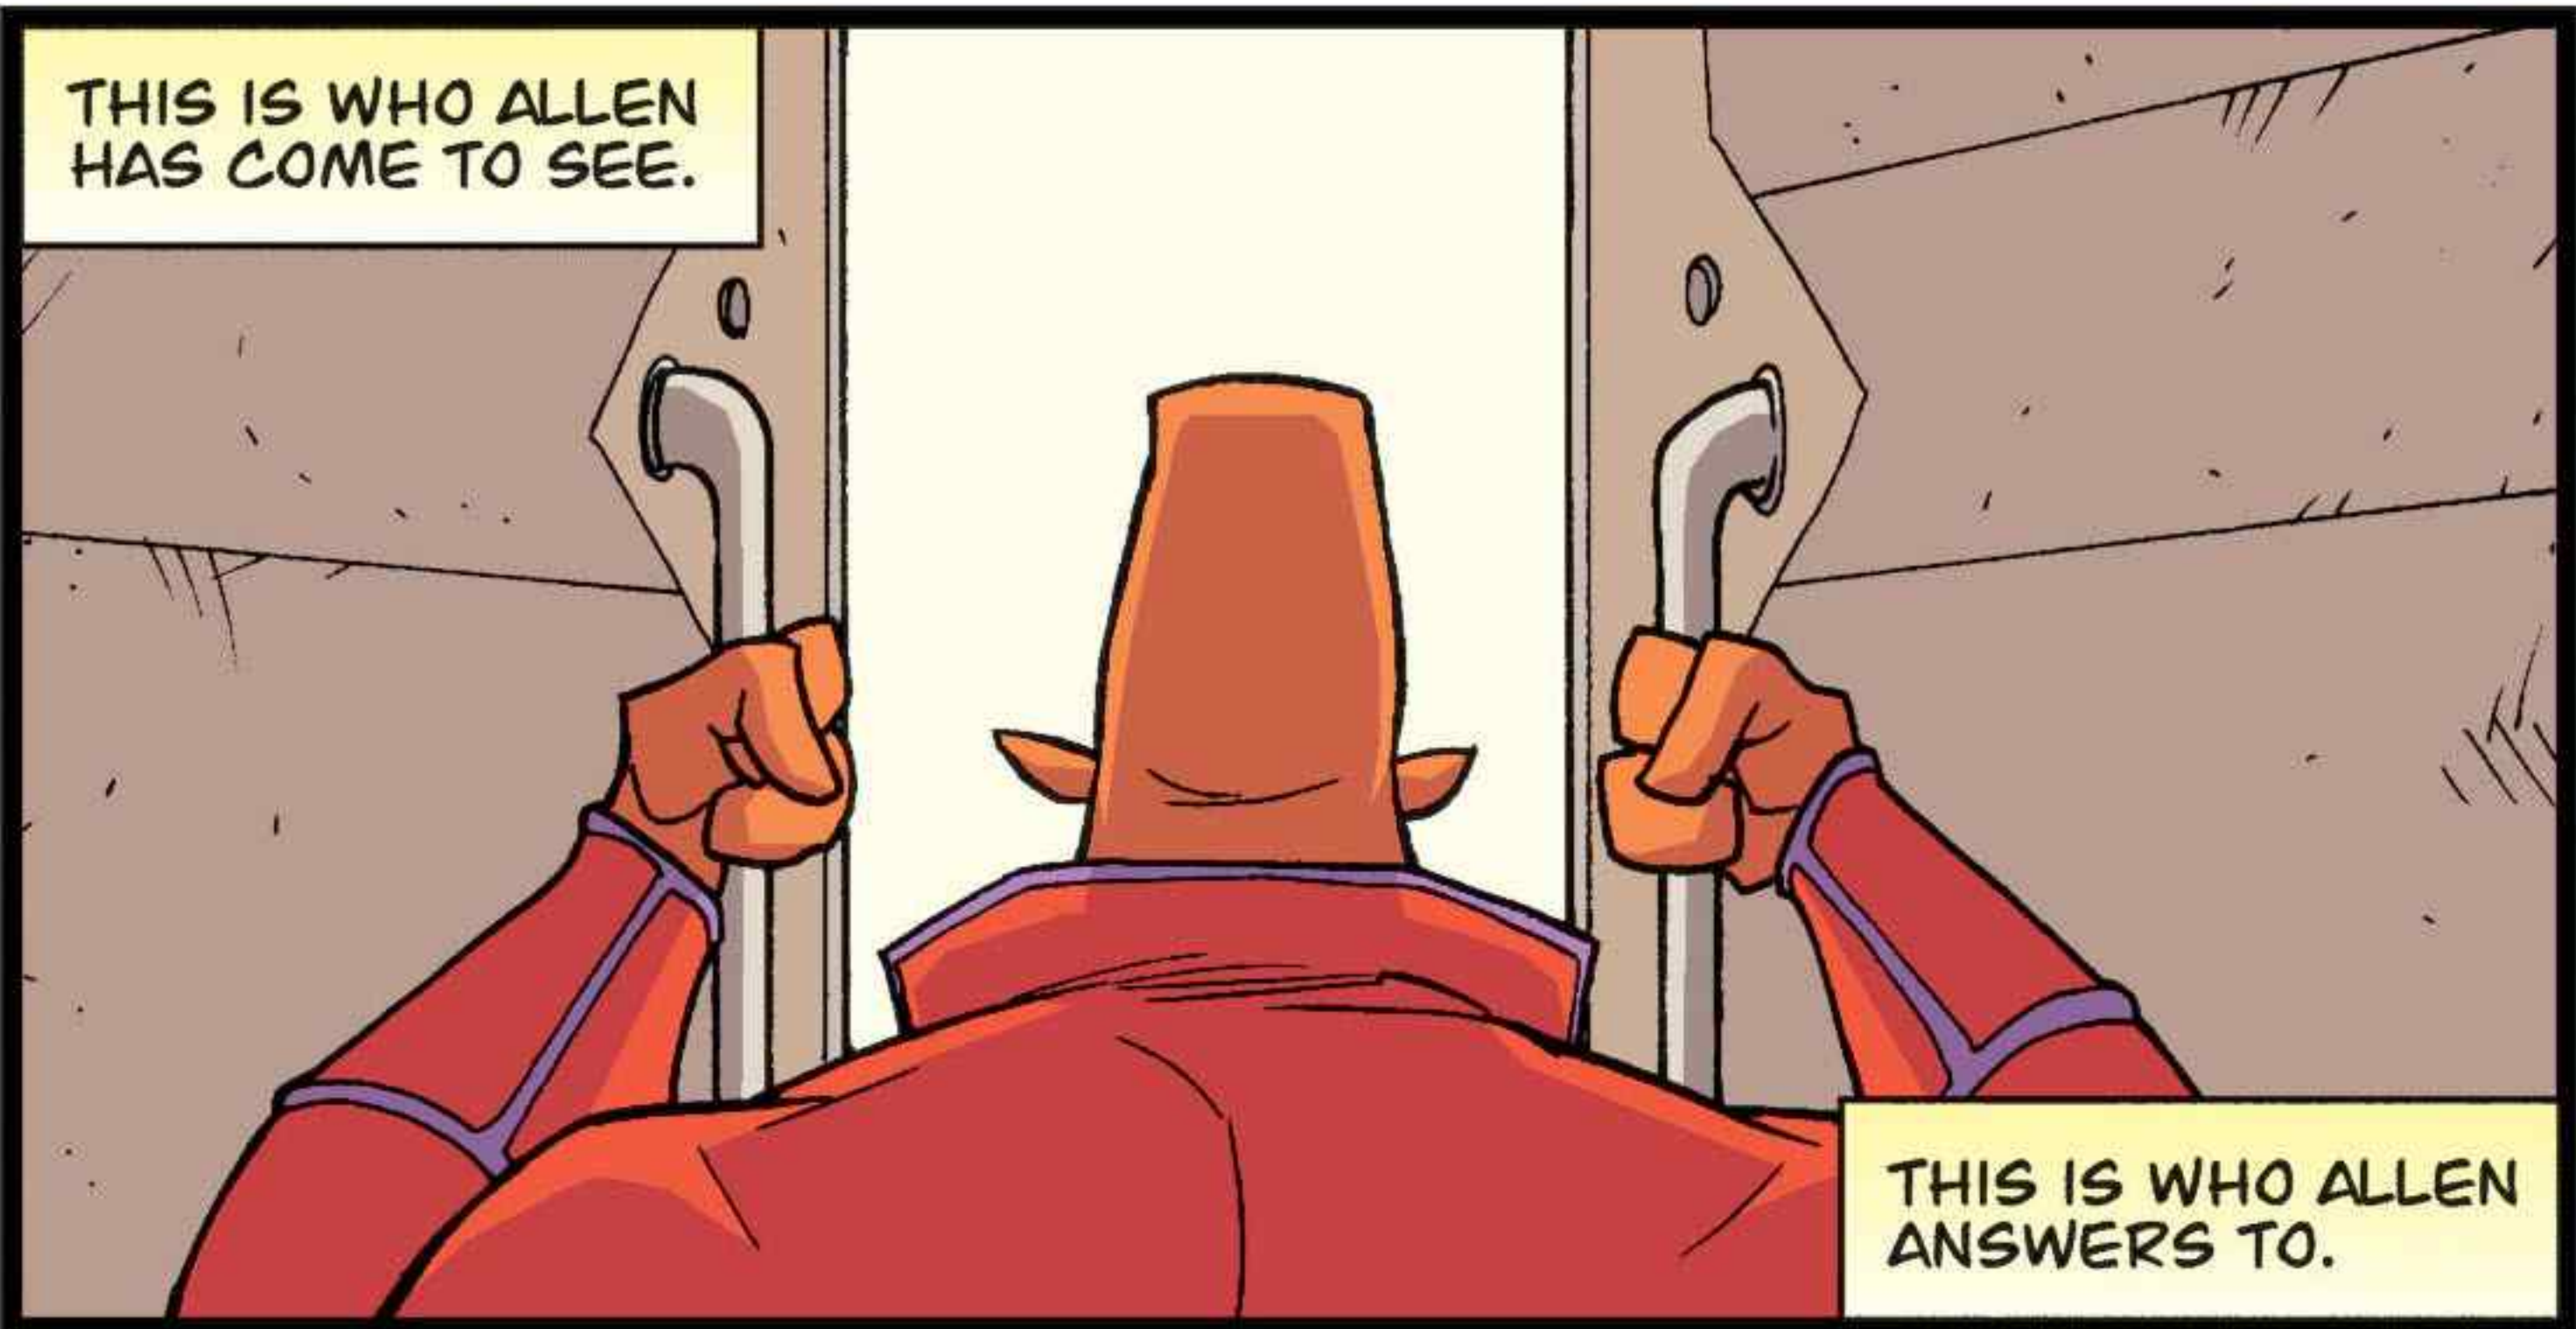

THIS BUILDING HOUSES THE MEETING HALL OF THE HIGH COUNCIL OF THE COALITION OF PLANETS. ALL DECISIONS ON ALL MATTERS ARE DECIDED HERE.

THE HIGH COUNCIL CONSISTS OF ELECTED REPRESENTATIVES FROM ALL THE PLANETS IN THE COALITION.

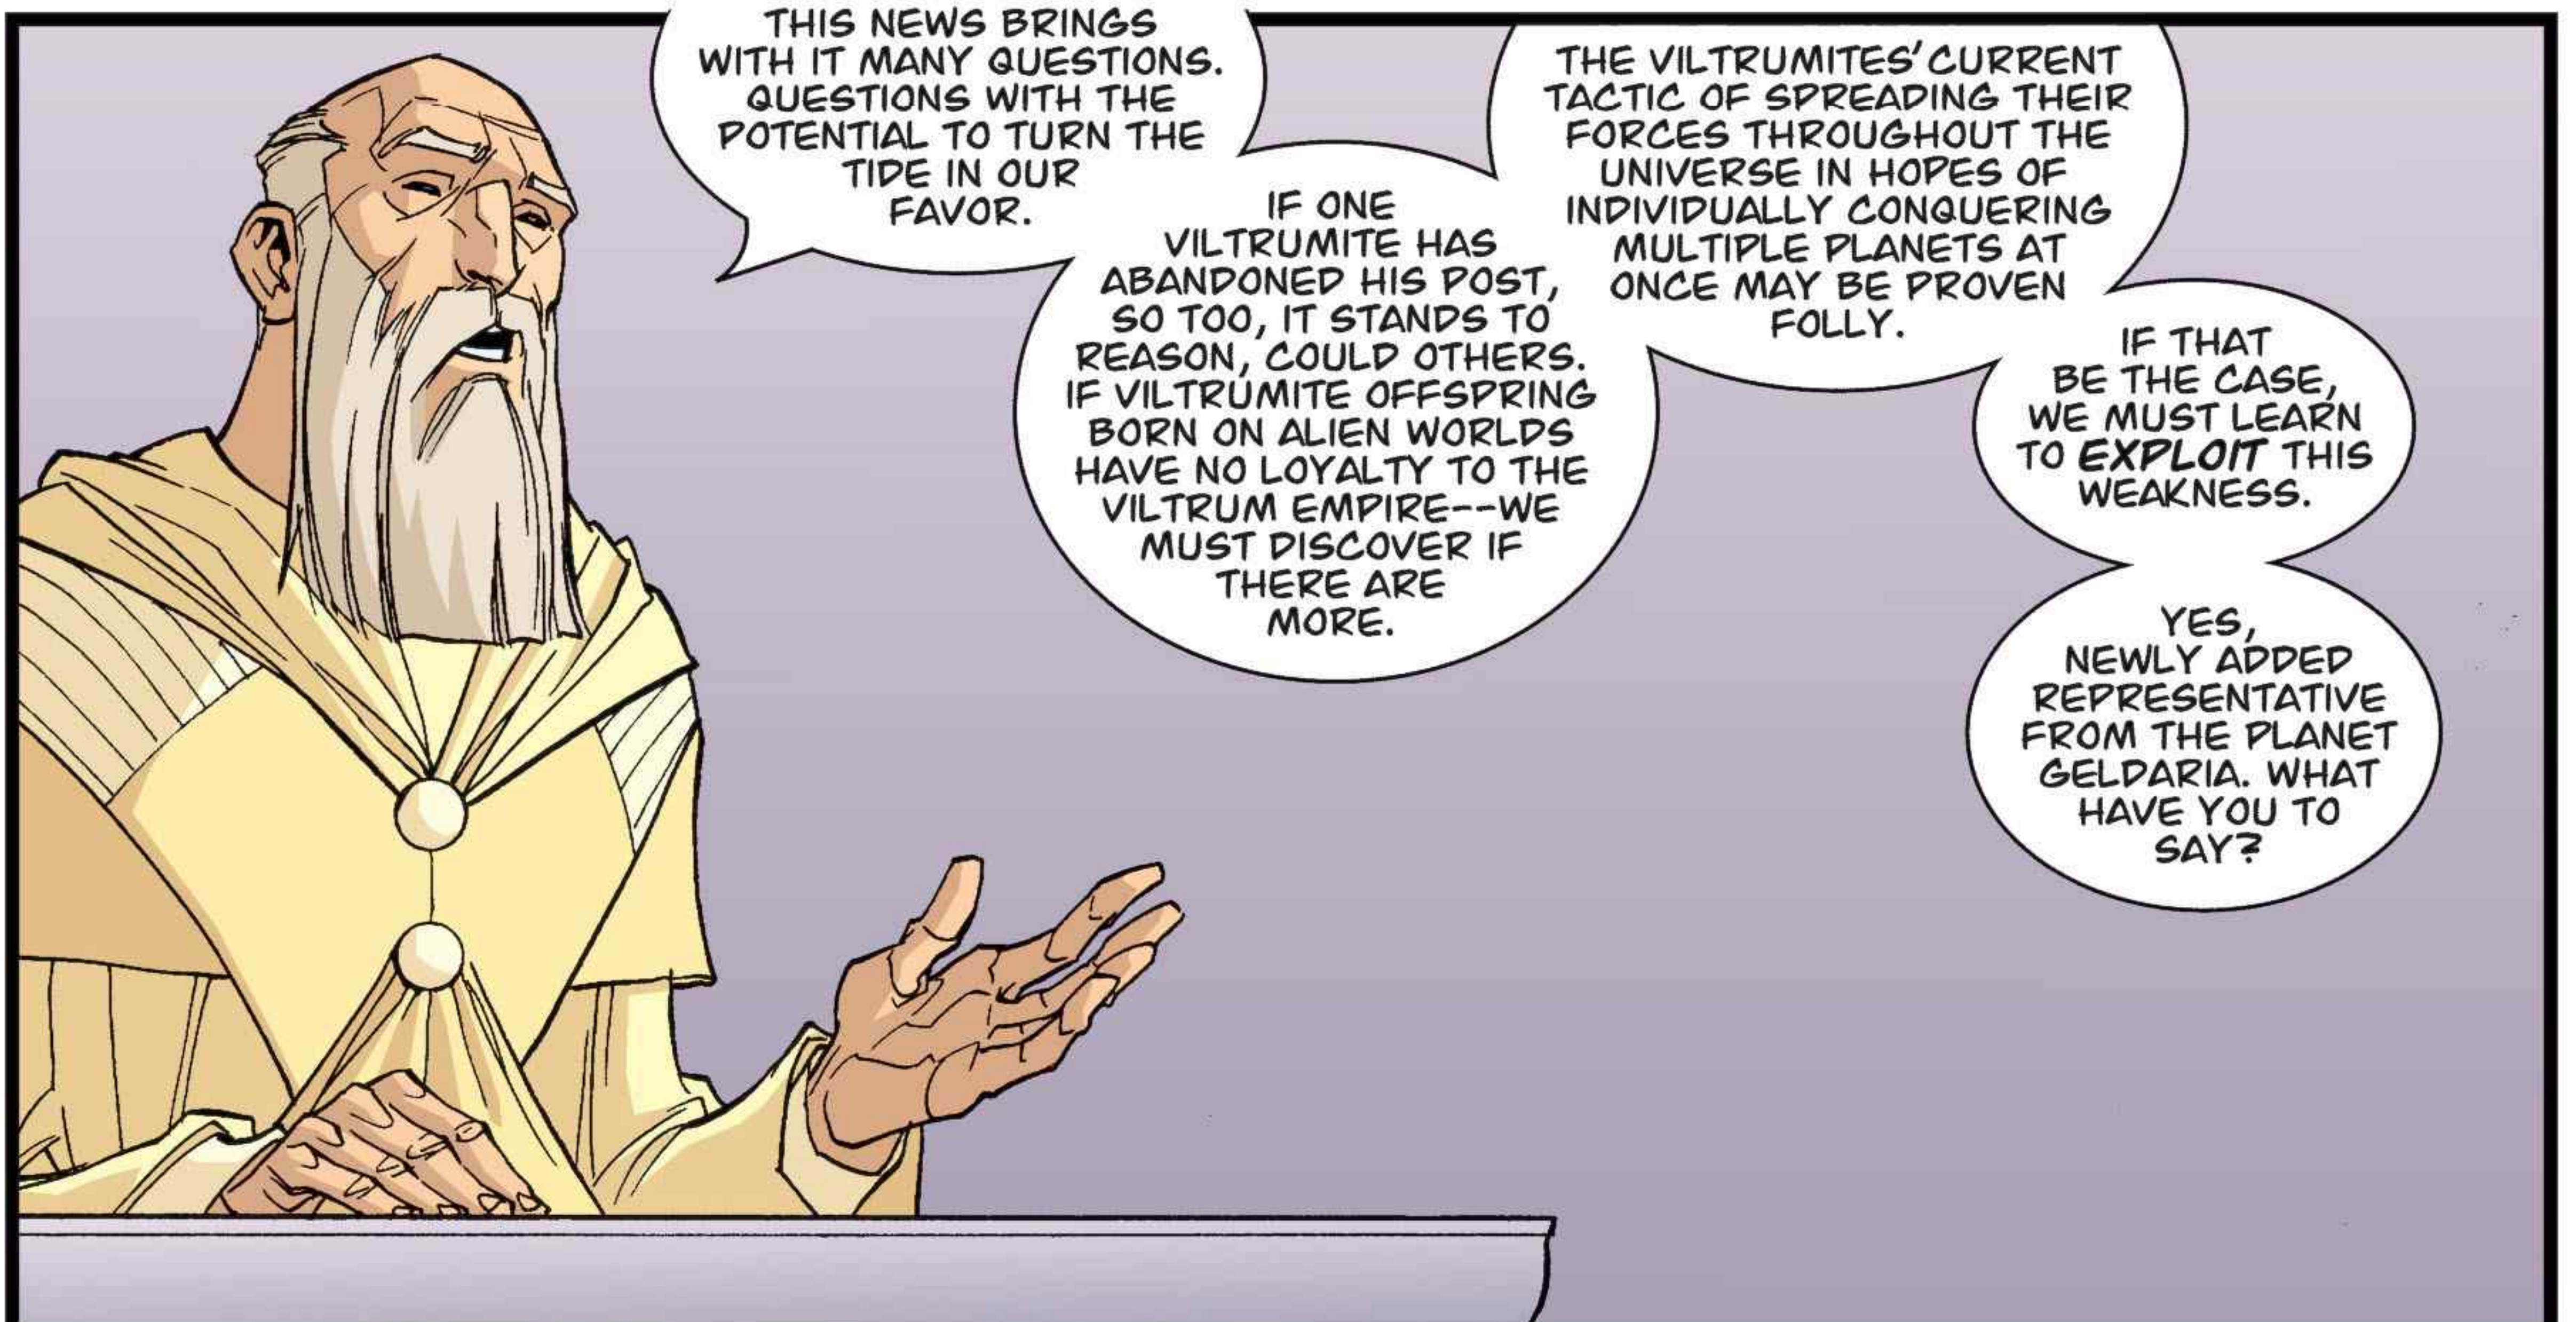

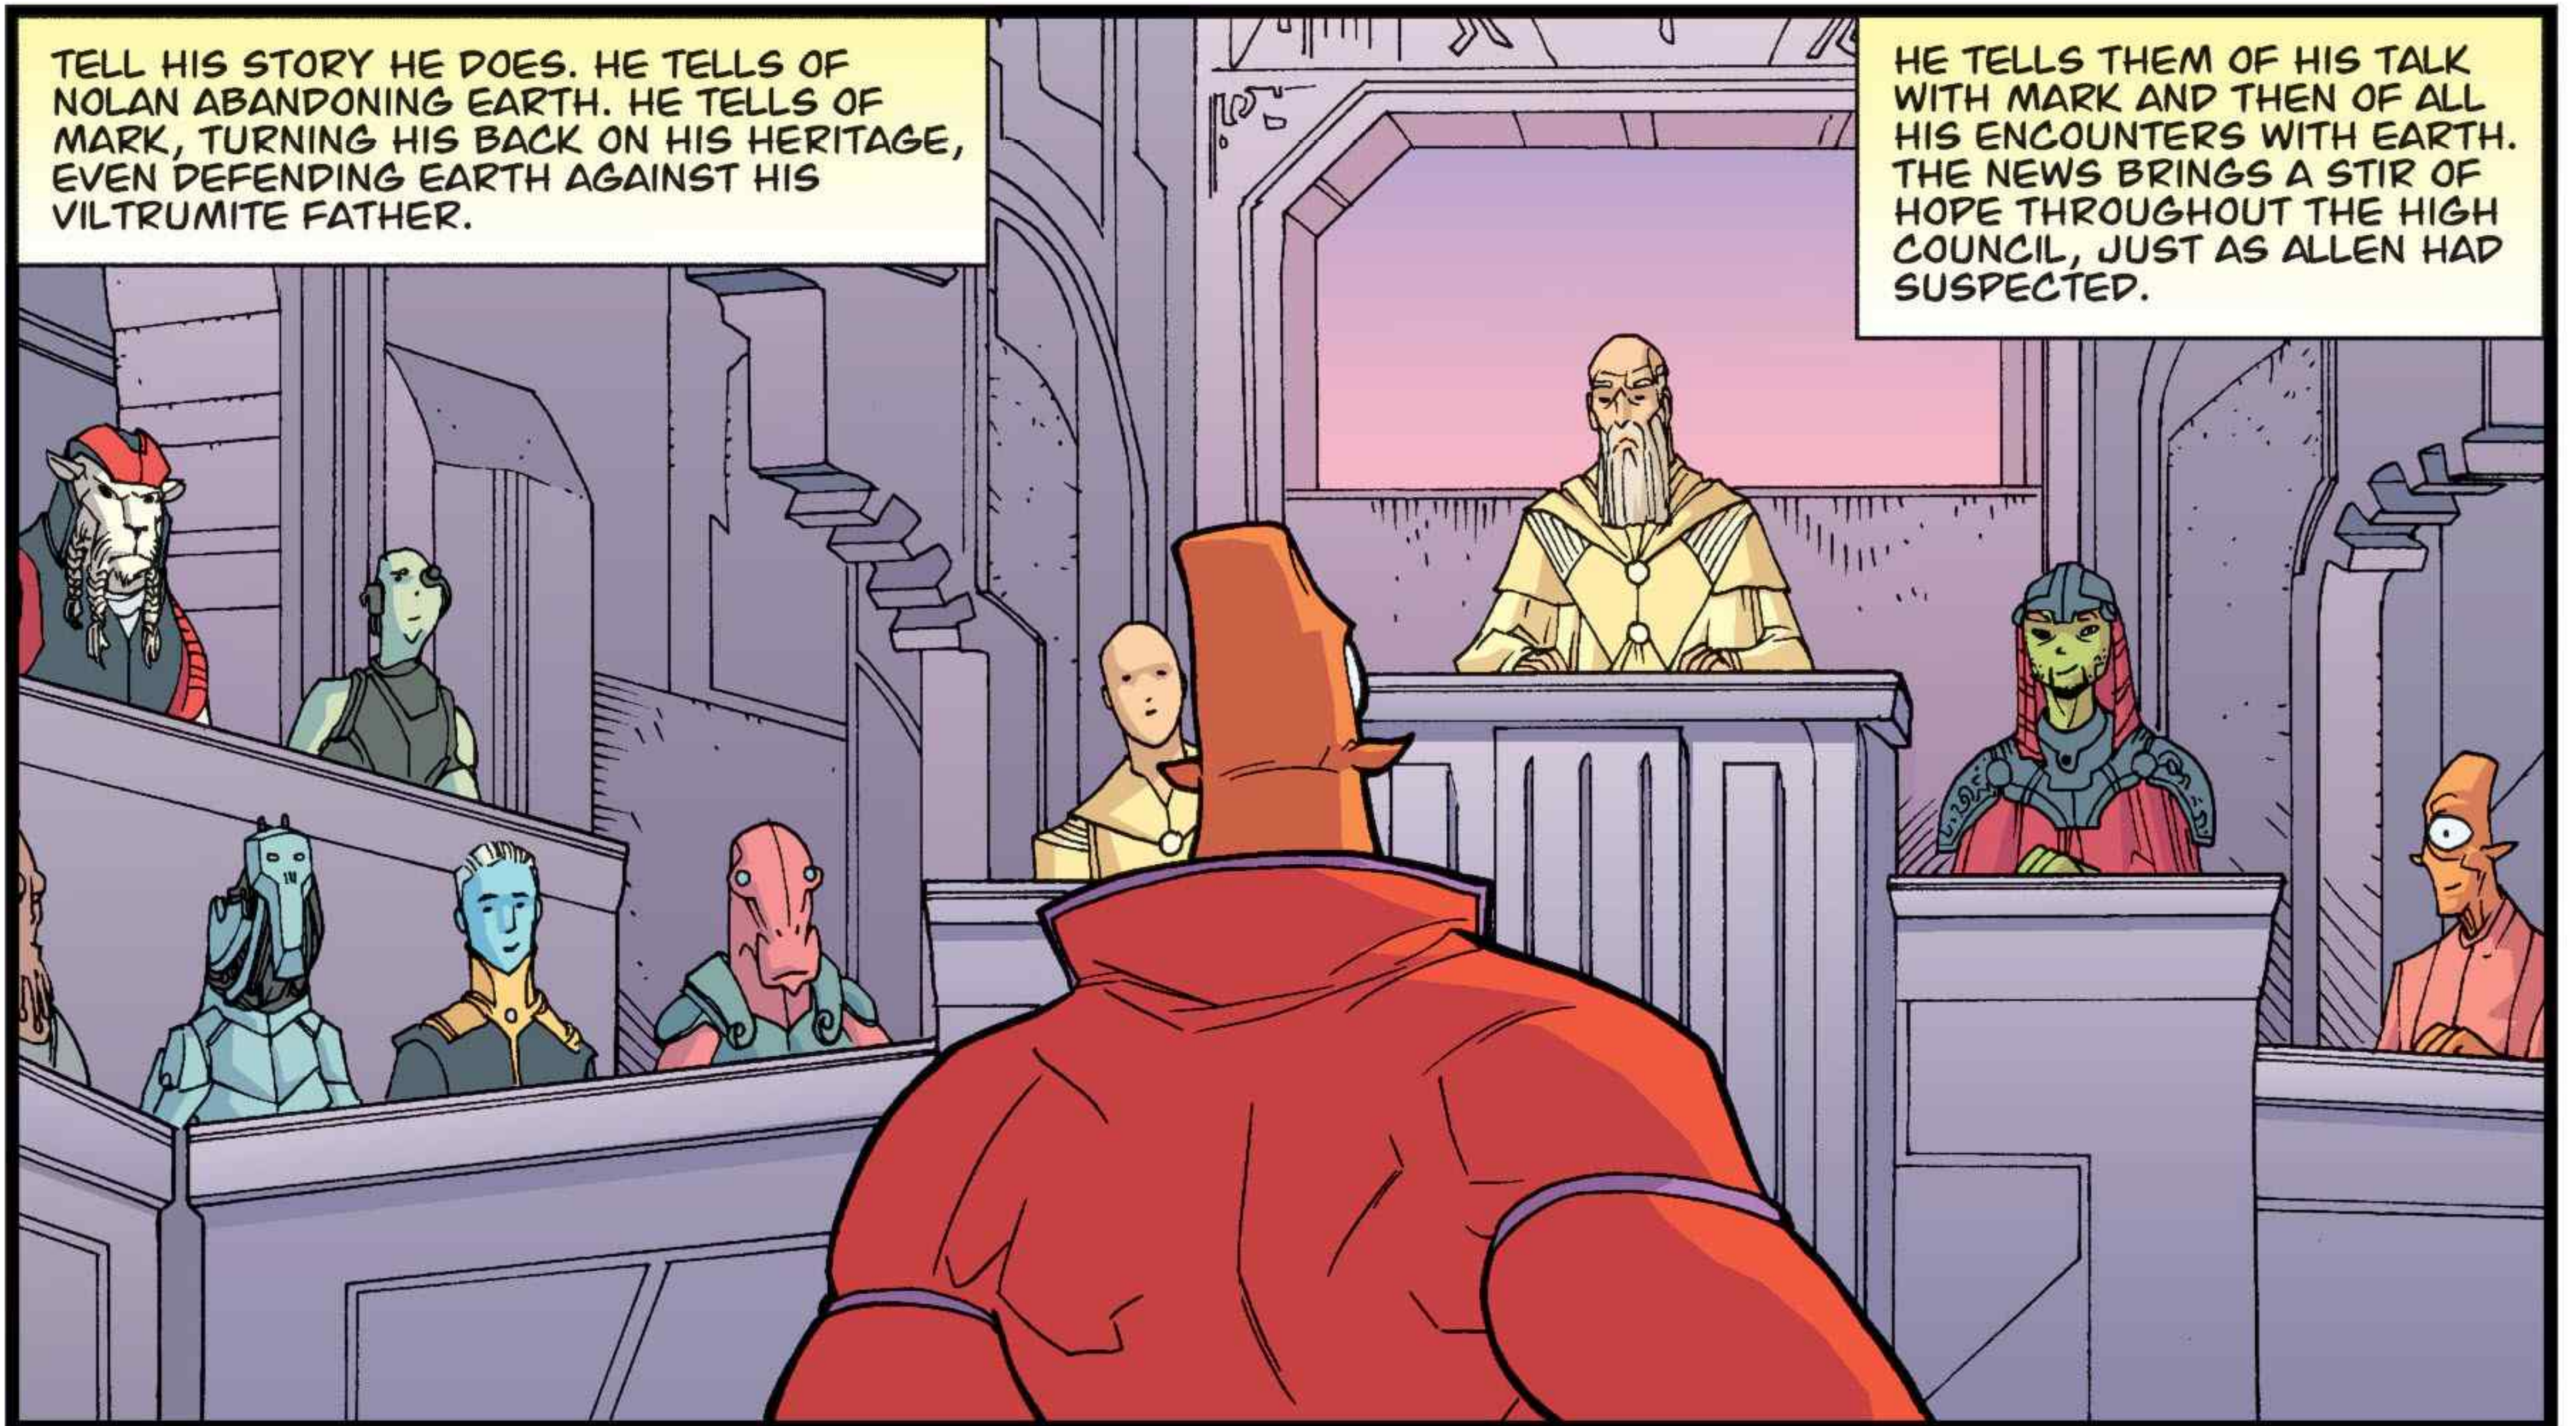

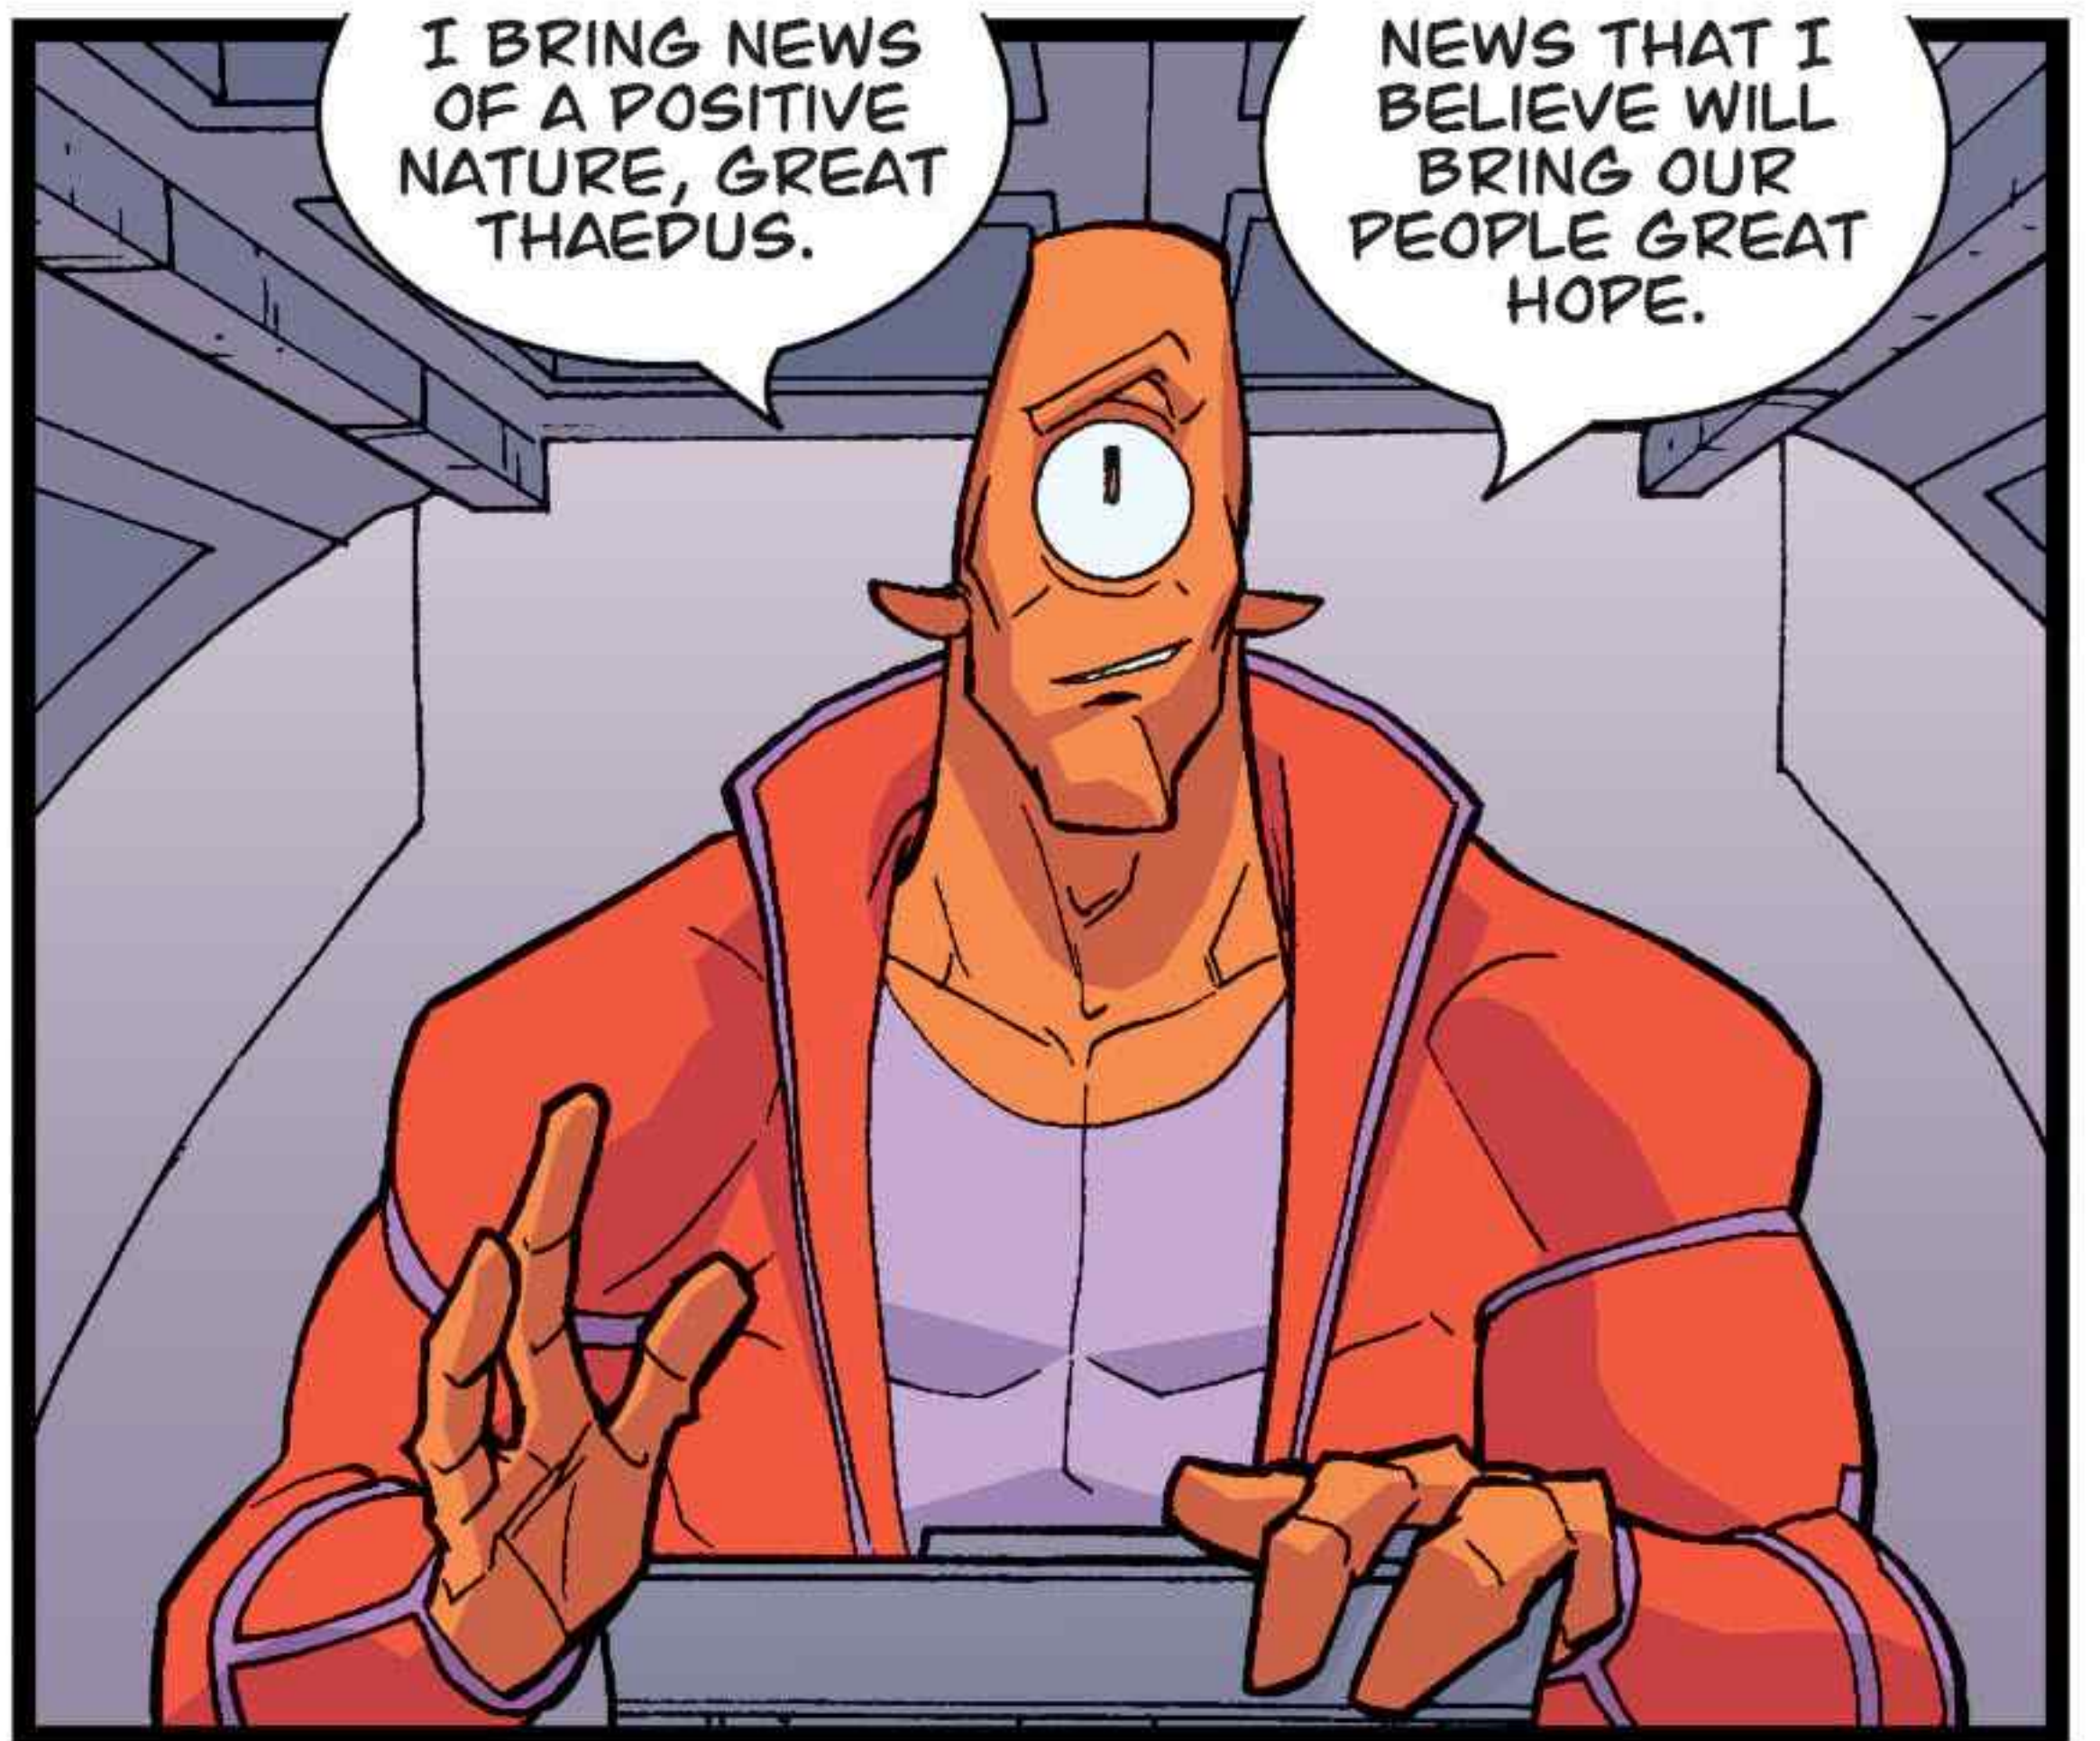

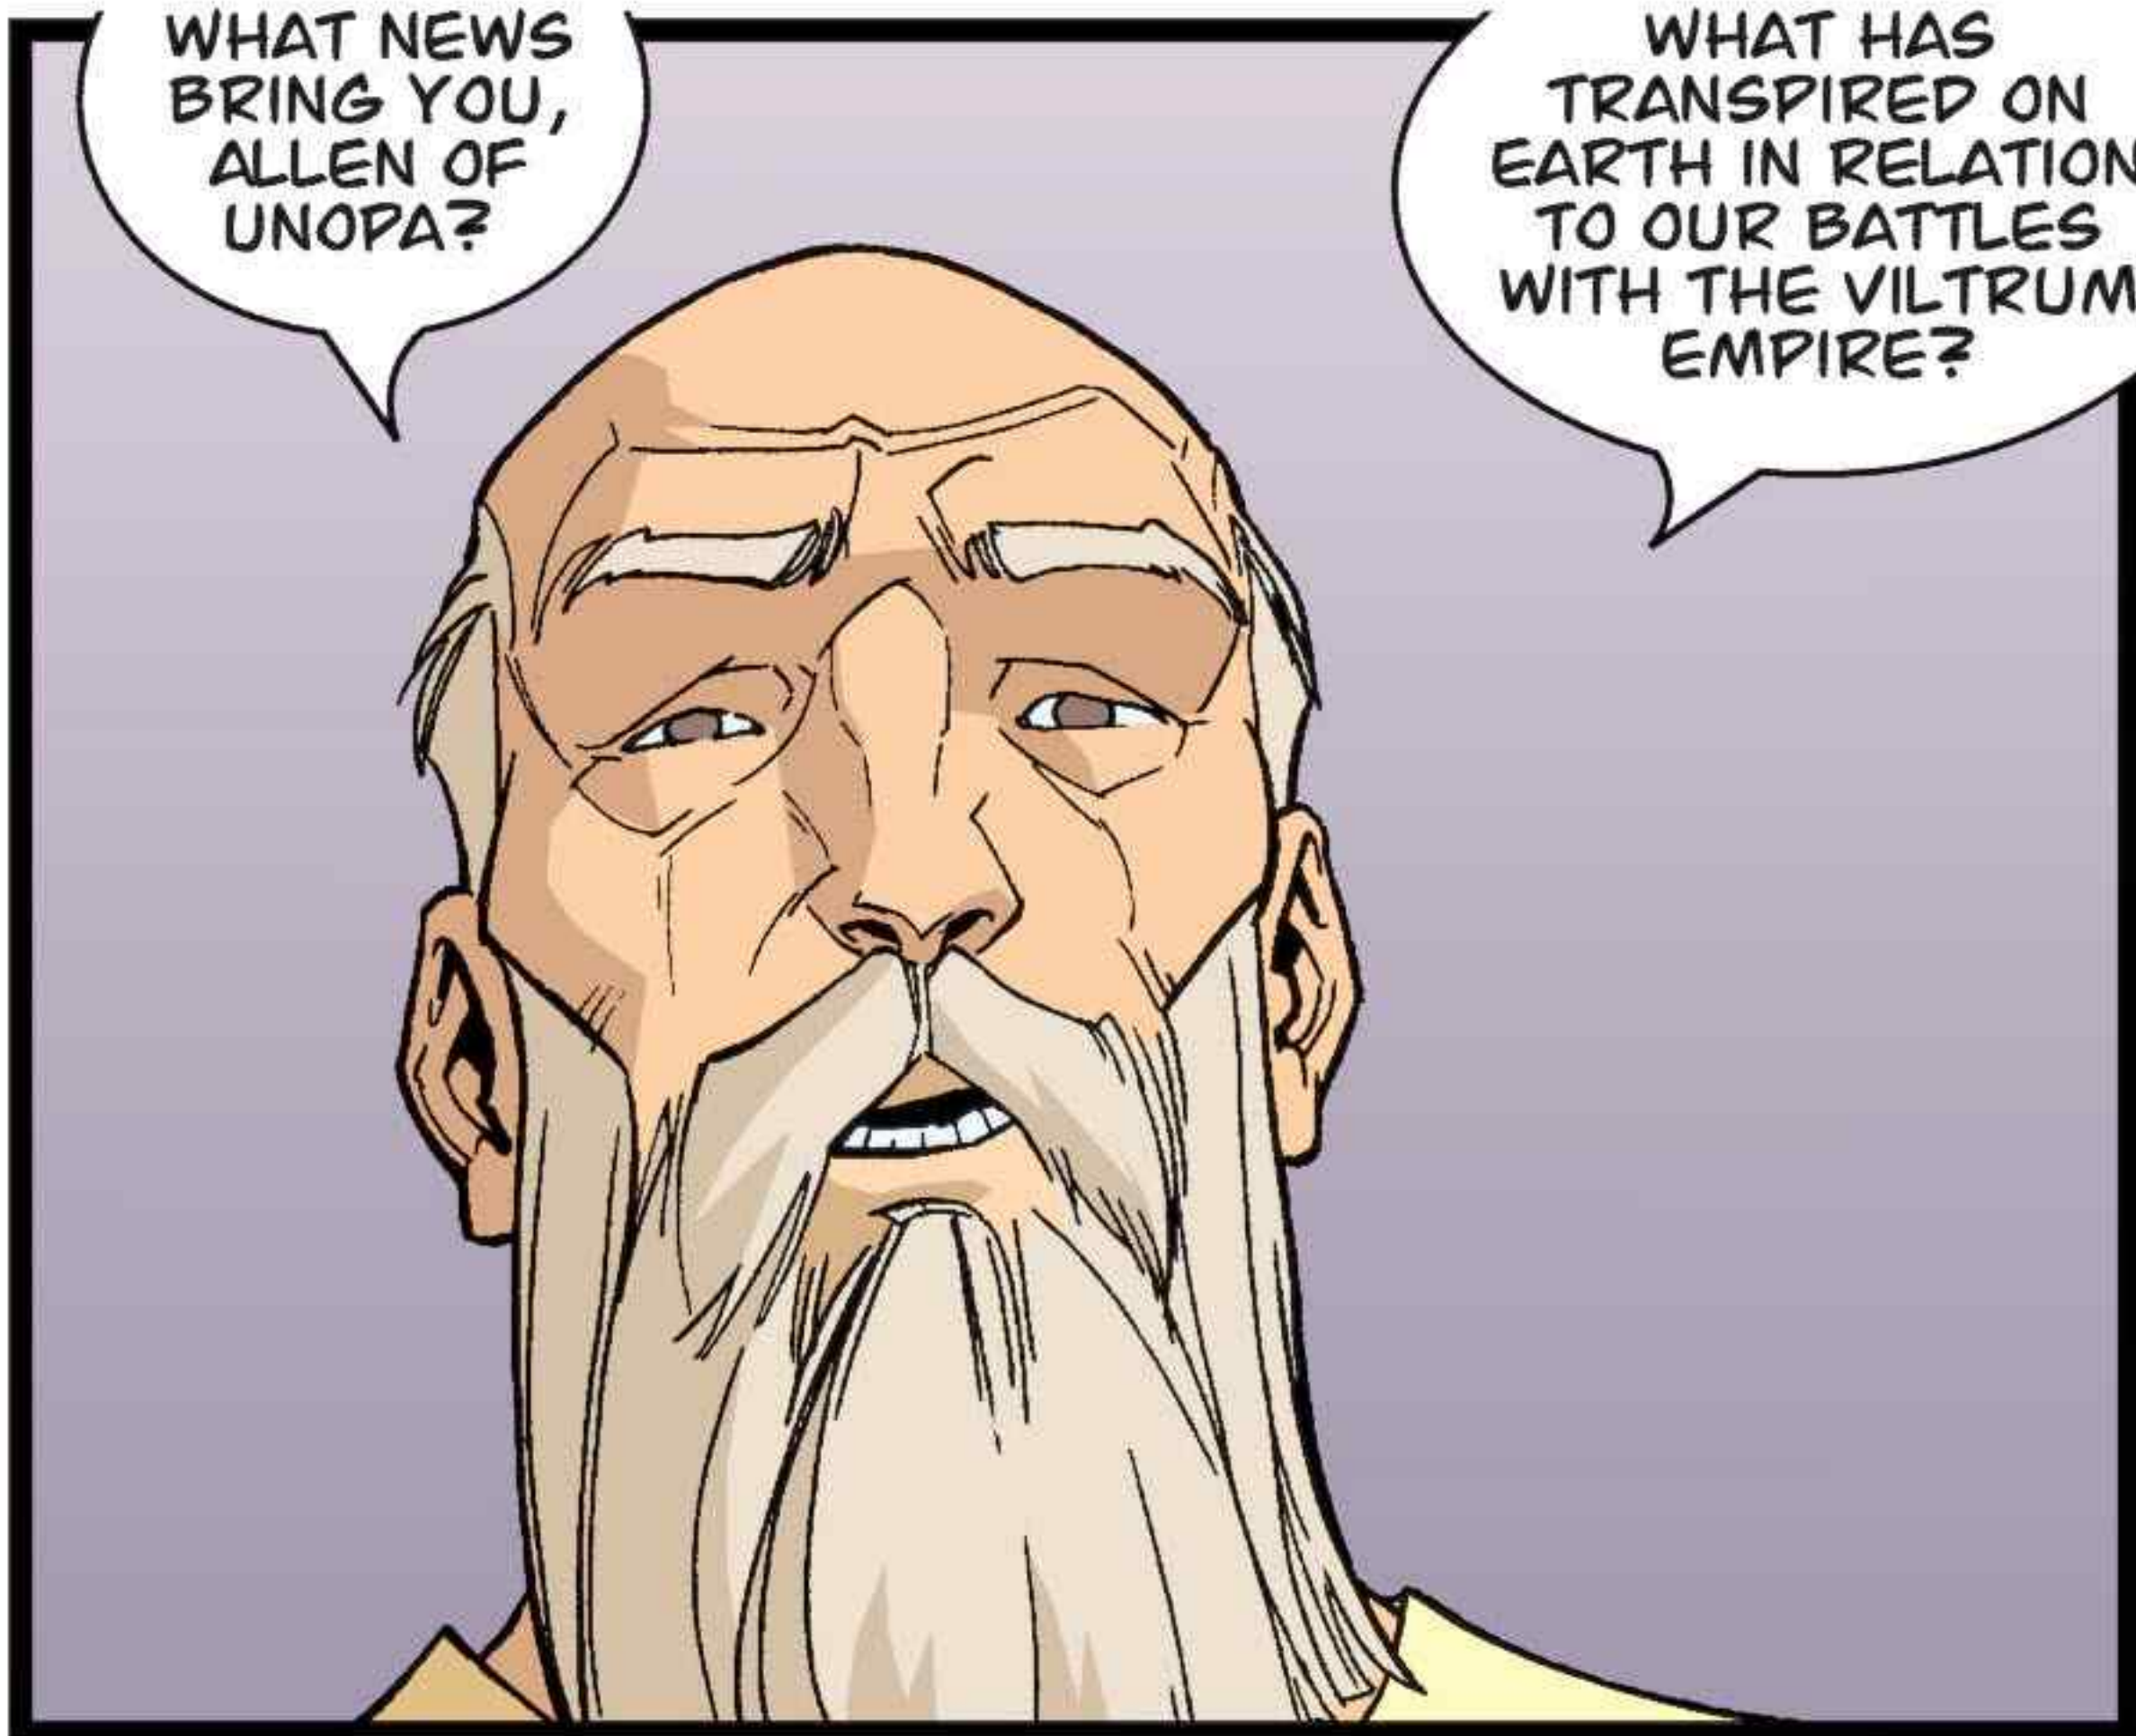

ALL MEMBERS OF THE COUNCIL HAVE AN EQUAL VOTE IN ALL MATTERS. EVERY MATTER REGARDING THE COALITION MUST BE BROUGHT BEFORE THE COUNCIL FOR A VOTE.

THIS IS WHO ALLEN HAS COME TO SEE.

THIS IS WHO ALLEN ANSWERS TO.

MY RECENTLY LIBERATED HOME WORLD WAS UNDER ATTACK FROM THE KRESH, AN EMPIRE CHARGED BY THE VILTRUMITES TO OVERTAKE OUR WORLD.

IF THE VILTRUMITES ARE ENLISTING THE AID OF CONQUERED RACES TO SPREAD THEIR EMPIRE, IT IS NOT INCONCEIVABLE THAT THEY MAY ALREADY BE WEAKER THAN WE REALIZE.

YES, THIS IS AN EXCELLENT POINT. OUR KNOWLEDGE ON THE INNER WORKINGS OF THE VILTRUM EMPIRE ARE QUESTIONABLE AT BEST. IT IS TRUE THAT WE DO NOT KNOW THEIR CURRENT STATUS.

FURTHERMORE, WE MUST SEEK OUT THESE ROGUE VILTRUMITES AND ATTEMPT TO SWAY THEM TO OUR CAUSE. THEY WOULD BE VALUABLE ALLIES.

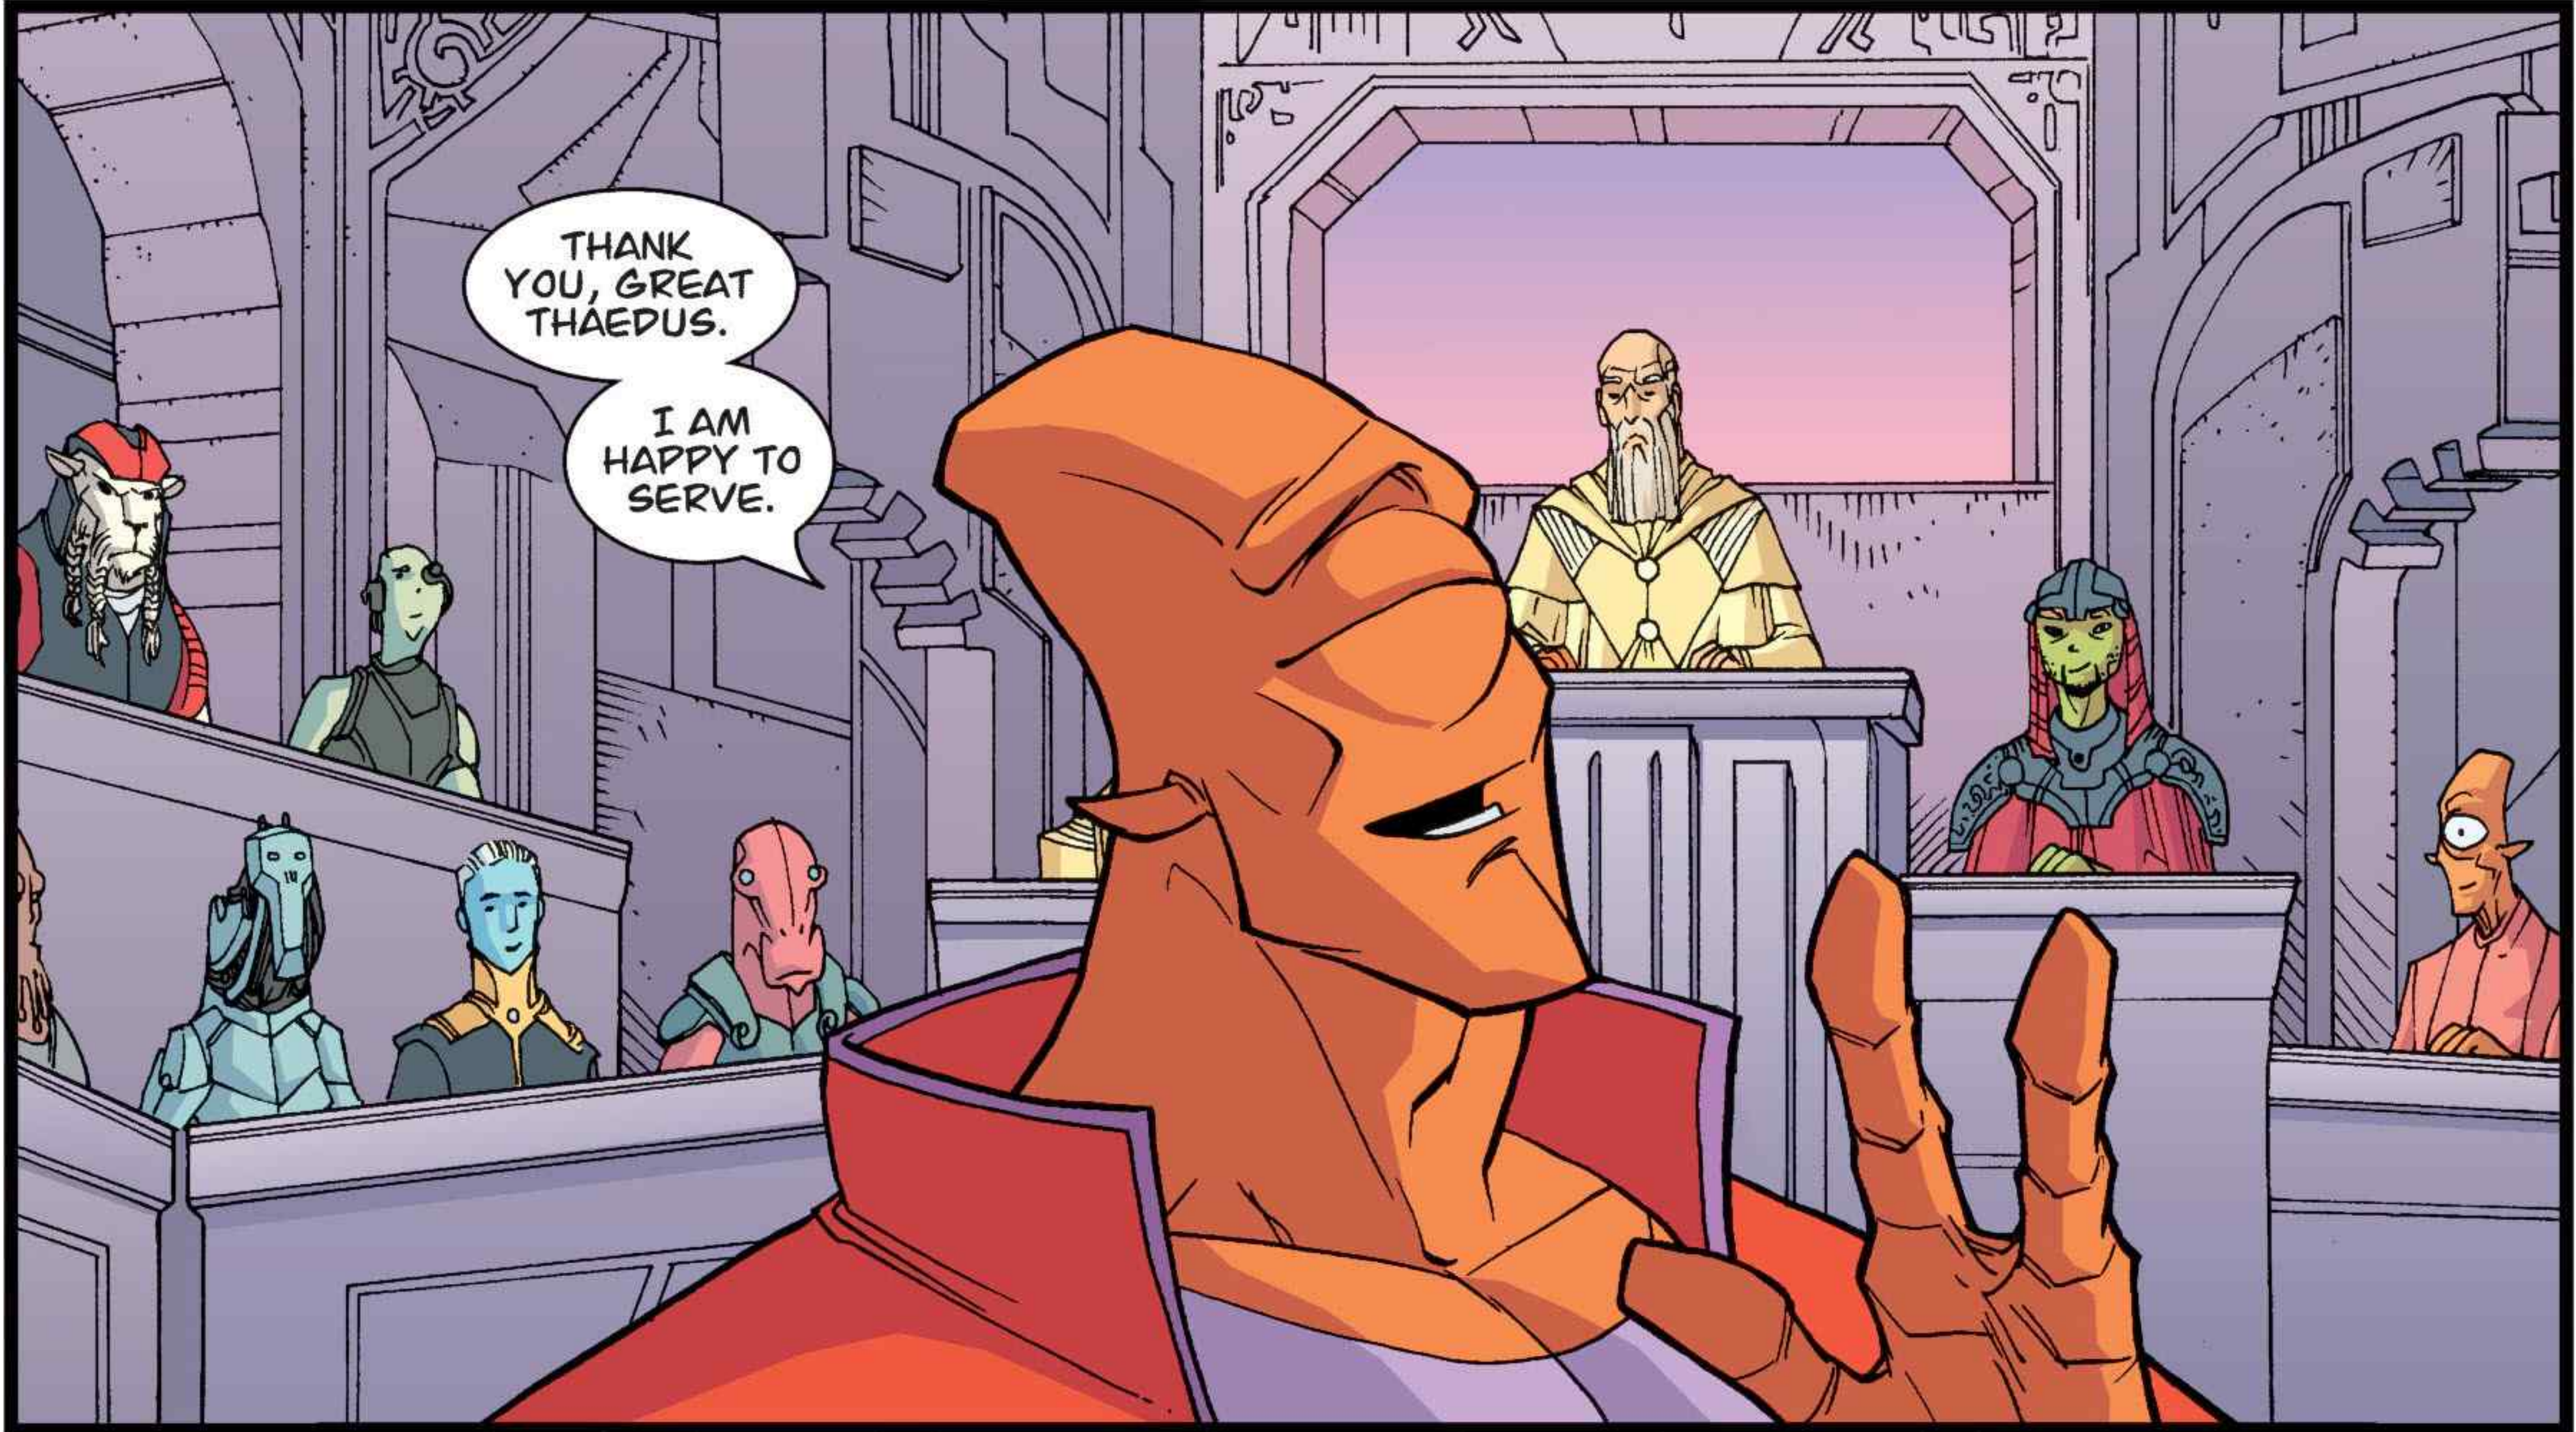

THE ONE CALLED INVINCIBLE. THE OFFSPRING BORN ON EARTH IS SYMPATHETIC TO OUR CAUSE. ANYTHING THAT WILL PREVENT THE EVENTUAL TAKEOVER OF EARTH WILL GAIN HIS ASSISTANCE.

HE HAS ALREADY STATED AS MUCH.*

*ISSUE 13 AGAIN.

YOU HAVE DONE WELL, ALLEN OF UNOPA. YOU HAVE GIVEN US MUCH TO CONVERSE UPON. YOU HAVE EARNED YOUR LEAVE.

WE WILL CALL ON YOU AGAIN WHEN YOU ARE NEEDED.

THANK YOU, GREAT THAEDUS.

I AM HAPPY TO SERVE.

I HAVE MISSED YOU A GREAT DEAL, TELIA.

LIKEWISE, HON'. YOU IN THE MOOD FOR A LITTLE "CATCHING UP?" I HAVEN'T SEEN YOU IN MONTHS.

TELIA-- PLEASE. YOU KNOW THAT I CAN'T--

WHAT? WHAT CAN'T YOU DO, ALLEN?

WHY MUST YOU ALWAYS INSIST ON THINGS YOU KNOW I CAN'T DO? PHYSICAL LOVE IS **FORBIDDEN** AMONG MY PEOPLE. **ESPECIALLY** WITH OTHER RACES.

I KNOW ALL ABOUT YOUR **RULES**, ALLEN. "ENSURING THE SURVIVAL OF YOUR PEOPLE" AND ALL THAT **CRAP**.

I KNOW YOUR PEOPLE WERE ENDANGERED HUNDREDS OF YEARS AGO BUT EVERYONE KNOWS YOU'RE IN NO DANGER OF EXTINCTION **NOW**.

YOU'VE ALL JUST GROWN ACCUSTOMED TO YOUR BACKWARDS METHODS.

YOUR BREEDING FACTORIES MAY BE MORE EFFICIENT BUT I **PROMISE** YOU THEY'RE NOT AS **FUN**.

OH, NO. HOW CAN I TELL TELIA HOW MUCH I TRULY FEEL FOR HER WITHOUT BREAKING UNOPAN'S MOST SACRED LAWS?

I COULDN'T LIVE WITHOUT TELIA--I DON'T KNOW WHAT I'D DO IF I WERE TO **LOSE** HER. BUT--MY PEOPLE **NEED** ME--I CAN'T WASTE MYSELF ON RECREATIONAL ACTIVITIES WITH HER...

...CAN I?

LATER--AFTER THE REUNION HAS COMPLETED ITS CARNAL FESTIVITIES--

OUR ATTENTION REFOCUSES ON ALLEN, HIGH ABOVE TALESORIA, CAPITAL OF THE COALITION OF PLANETS.

IT HAS BEEN MERE HOURS AND ALLEN AND TELIA NOW FIND THEMSELVES ENJOYING A LATE BREAKFAST AT THEIR FAVORITE DINER.

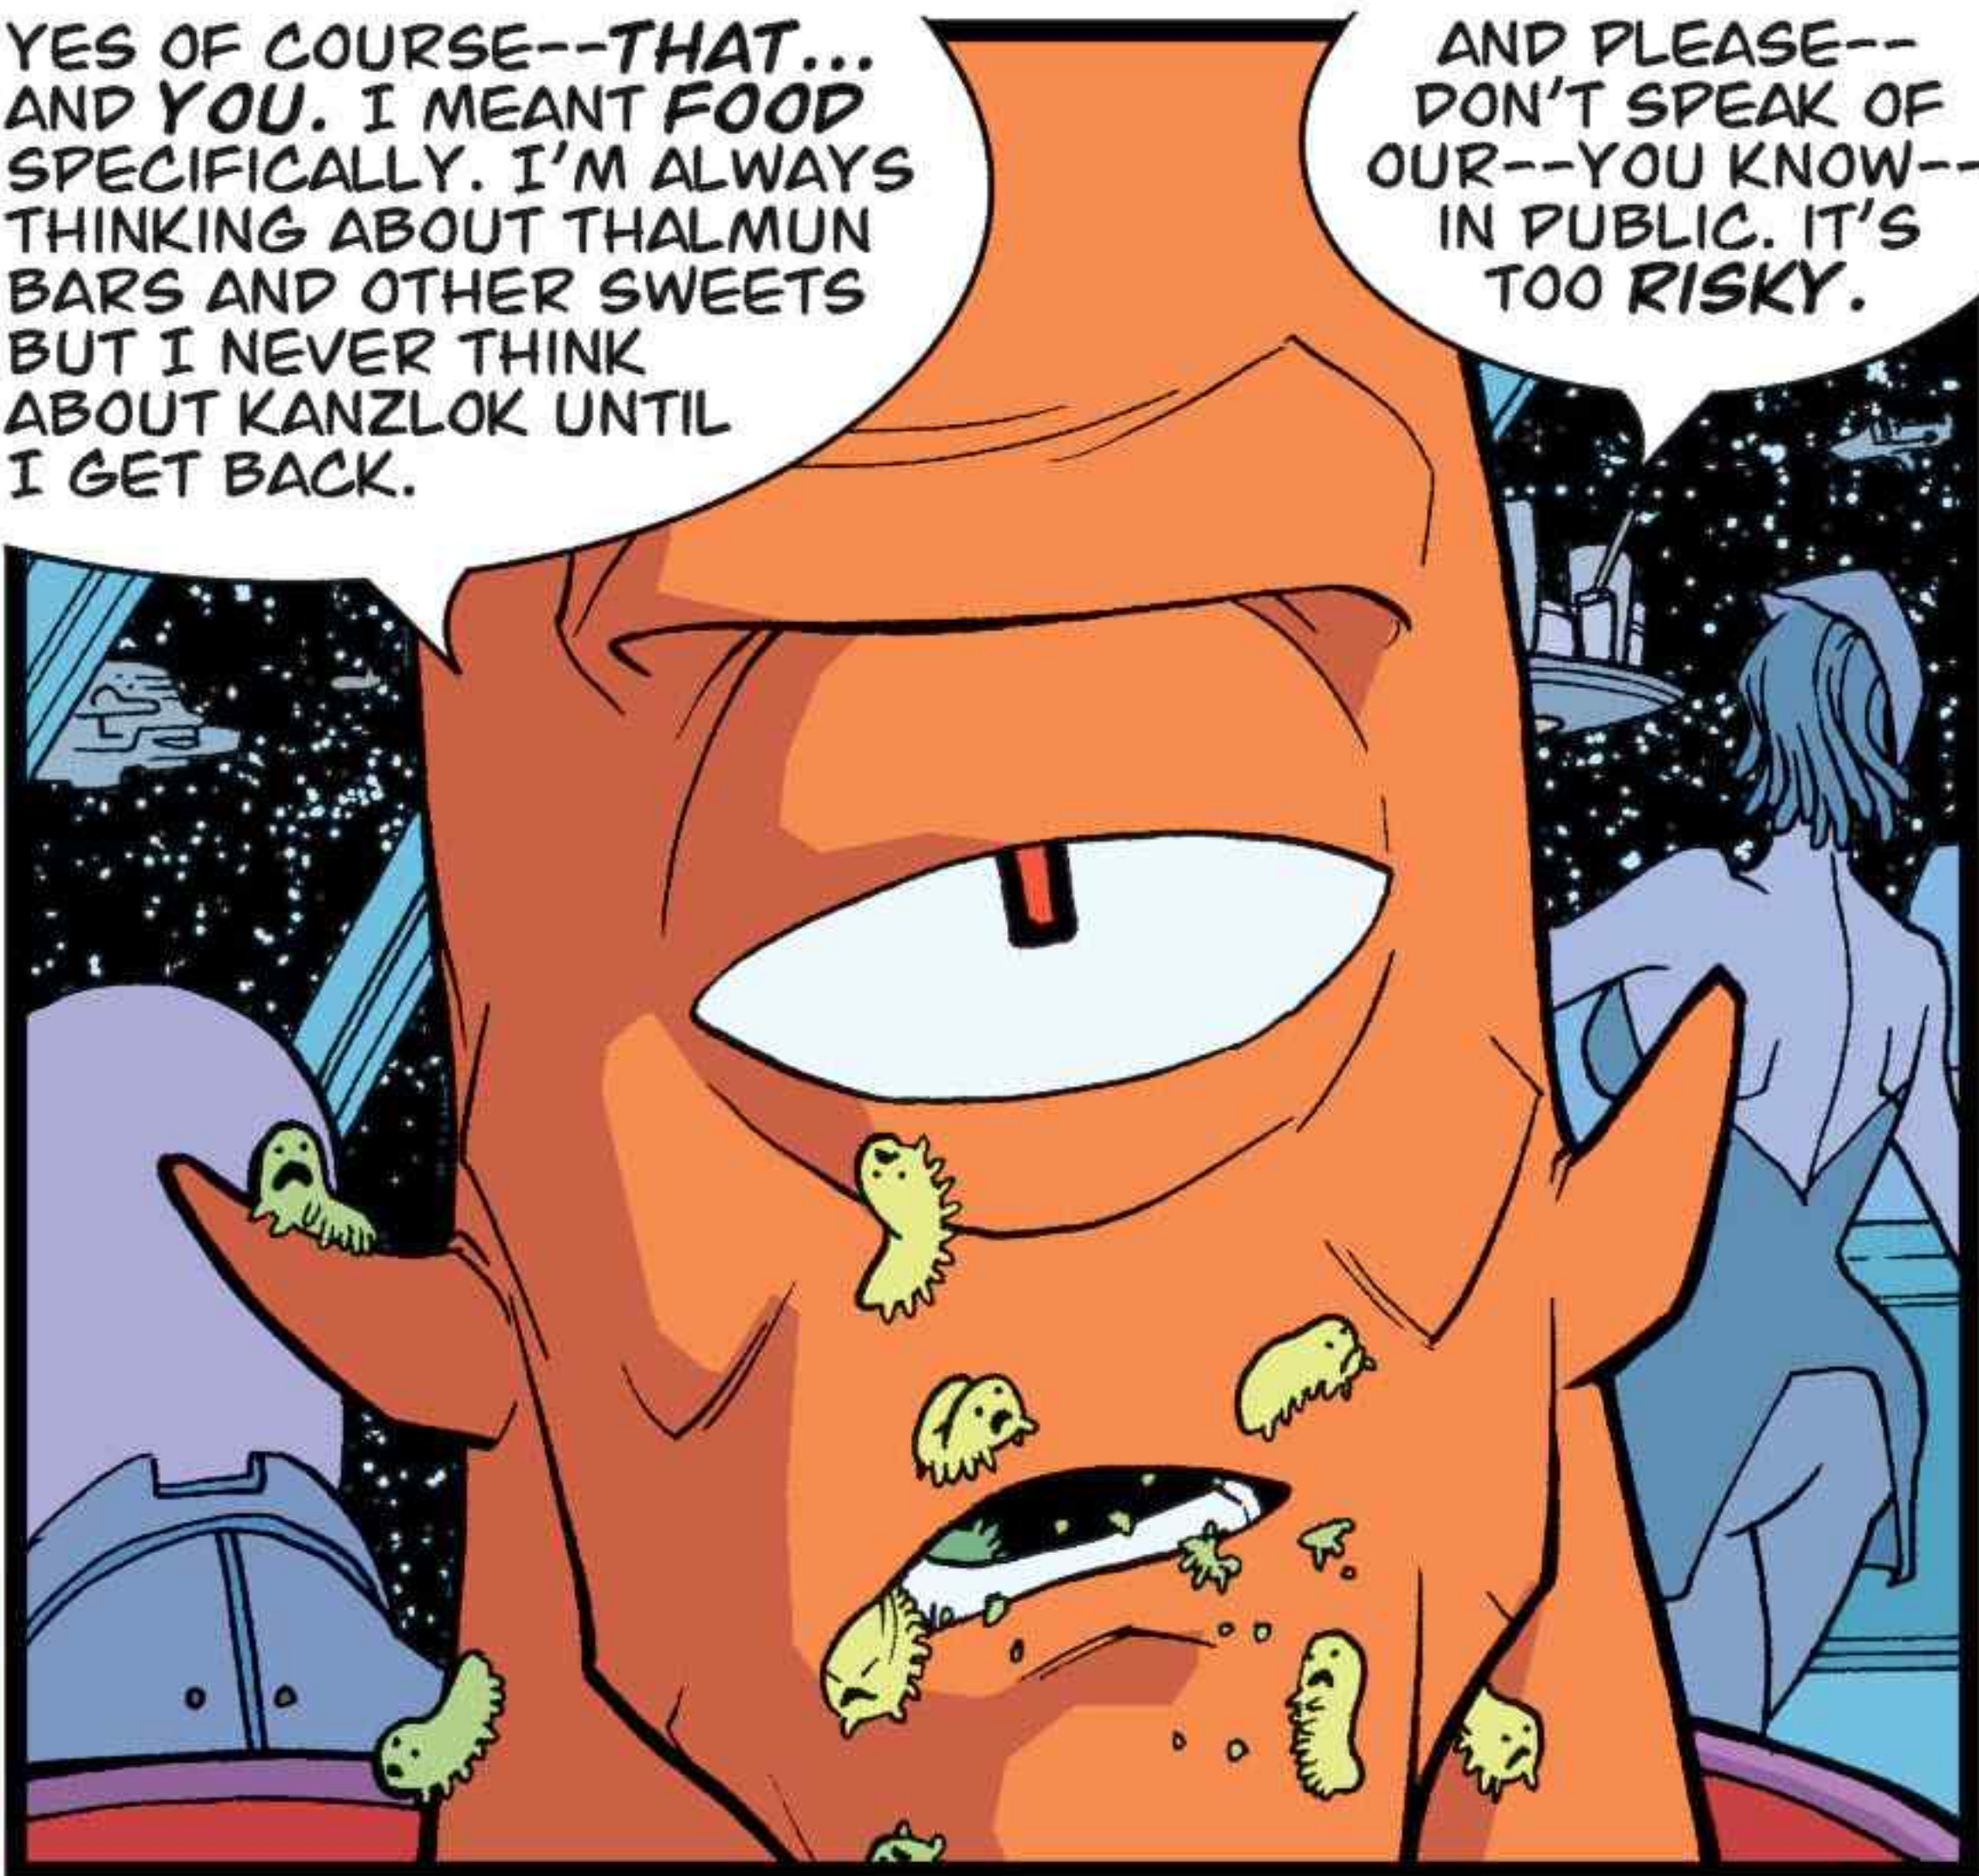

OH, MAN! I DON'T REALIZE HOW MUCH I MISS FRESH KANZLOK WHILE I'M OUT ON MY MISSIONS UNTIL I GET BACK.

I CAN'T THINK OF ANYTHING I MISS MORE.

I CAN THINK OF ONE THING.

HMM?

YES OF COURSE--THAT... AND YOU. I MEANT FOOD SPECIFICALLY. I'M ALWAYS THINKING ABOUT THALMUN BARS AND OTHER SWEETS BUT I NEVER THINK ABOUT KANZLOK UNTIL I GET BACK.

AND PLEASE--DON'T SPEAK OF OUR--YOU KNOW--IN PUBLIC. IT'S TOO RISKY.

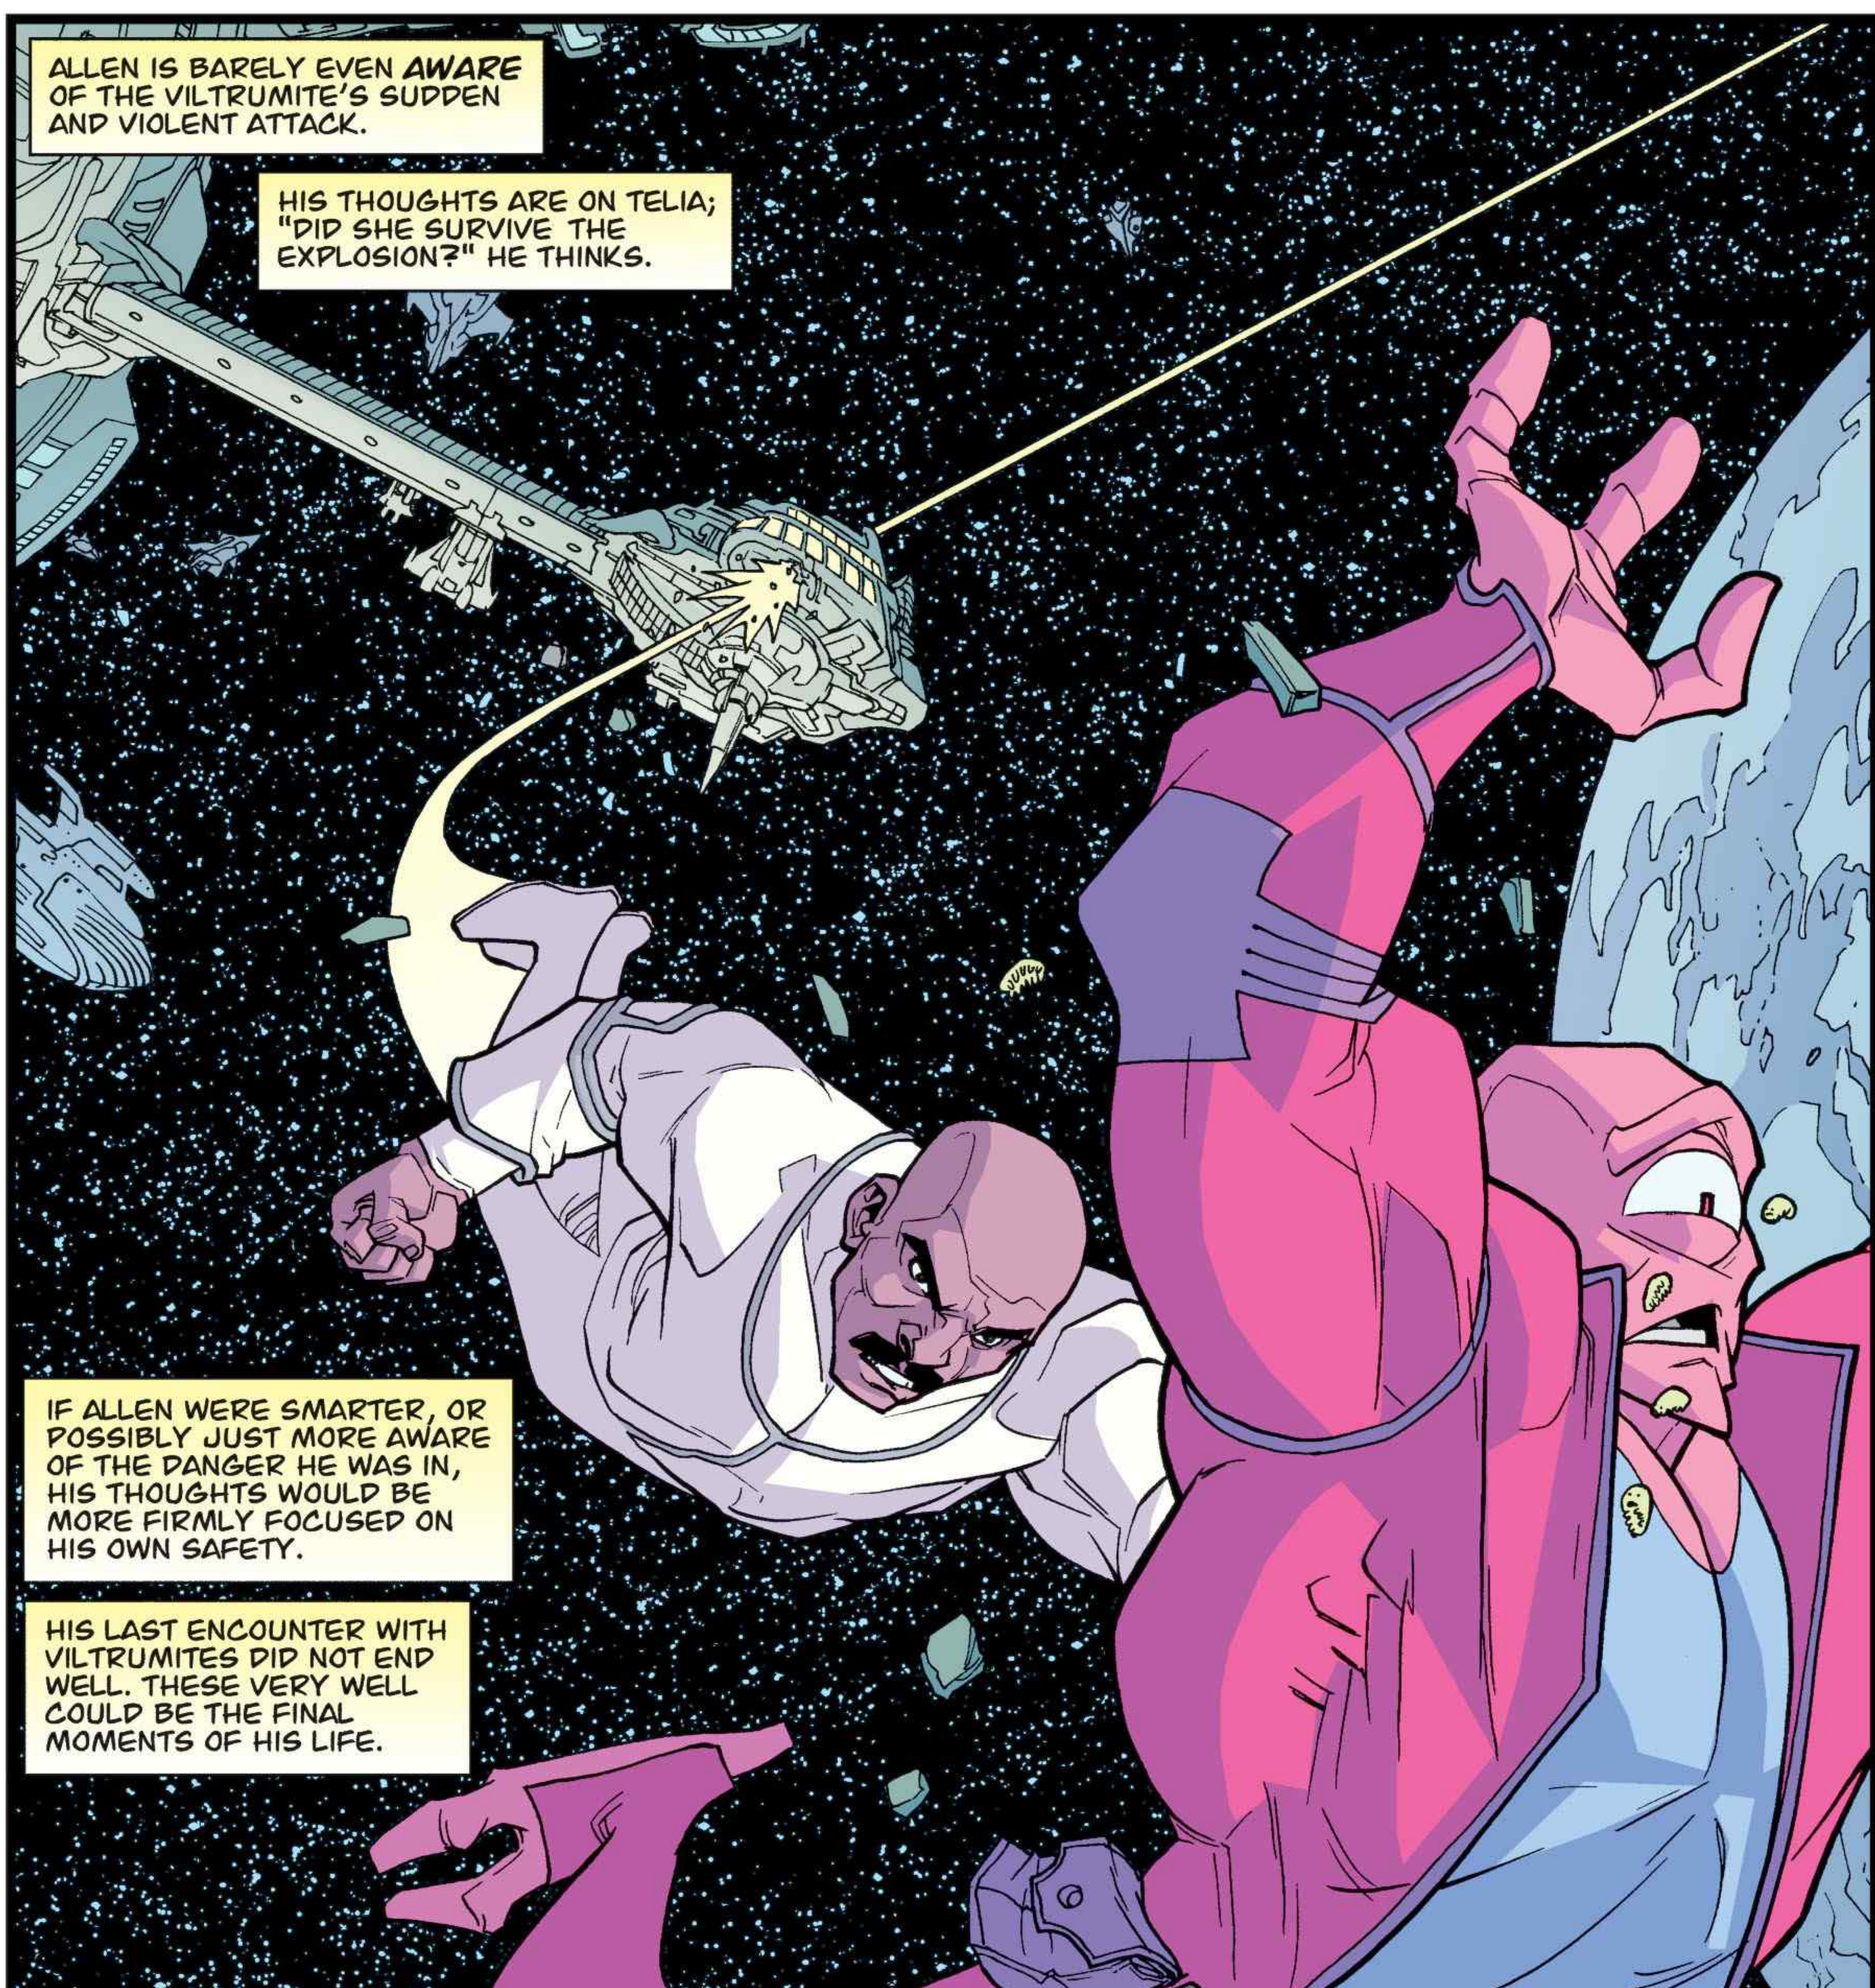

WHAT? LIKE THERE'S SOME UNOPAN SPY SITTING AT THE NEXT BOOTH OVER THAT'S GOING TO SEE YOU CONVERSING WITH ME, PIECE TOGETHER THE MEANING OF OUR HALF FINISHED STATEMENTS AND ARREST YOU ON THE SPOT?

THAT'S RIDICUL--

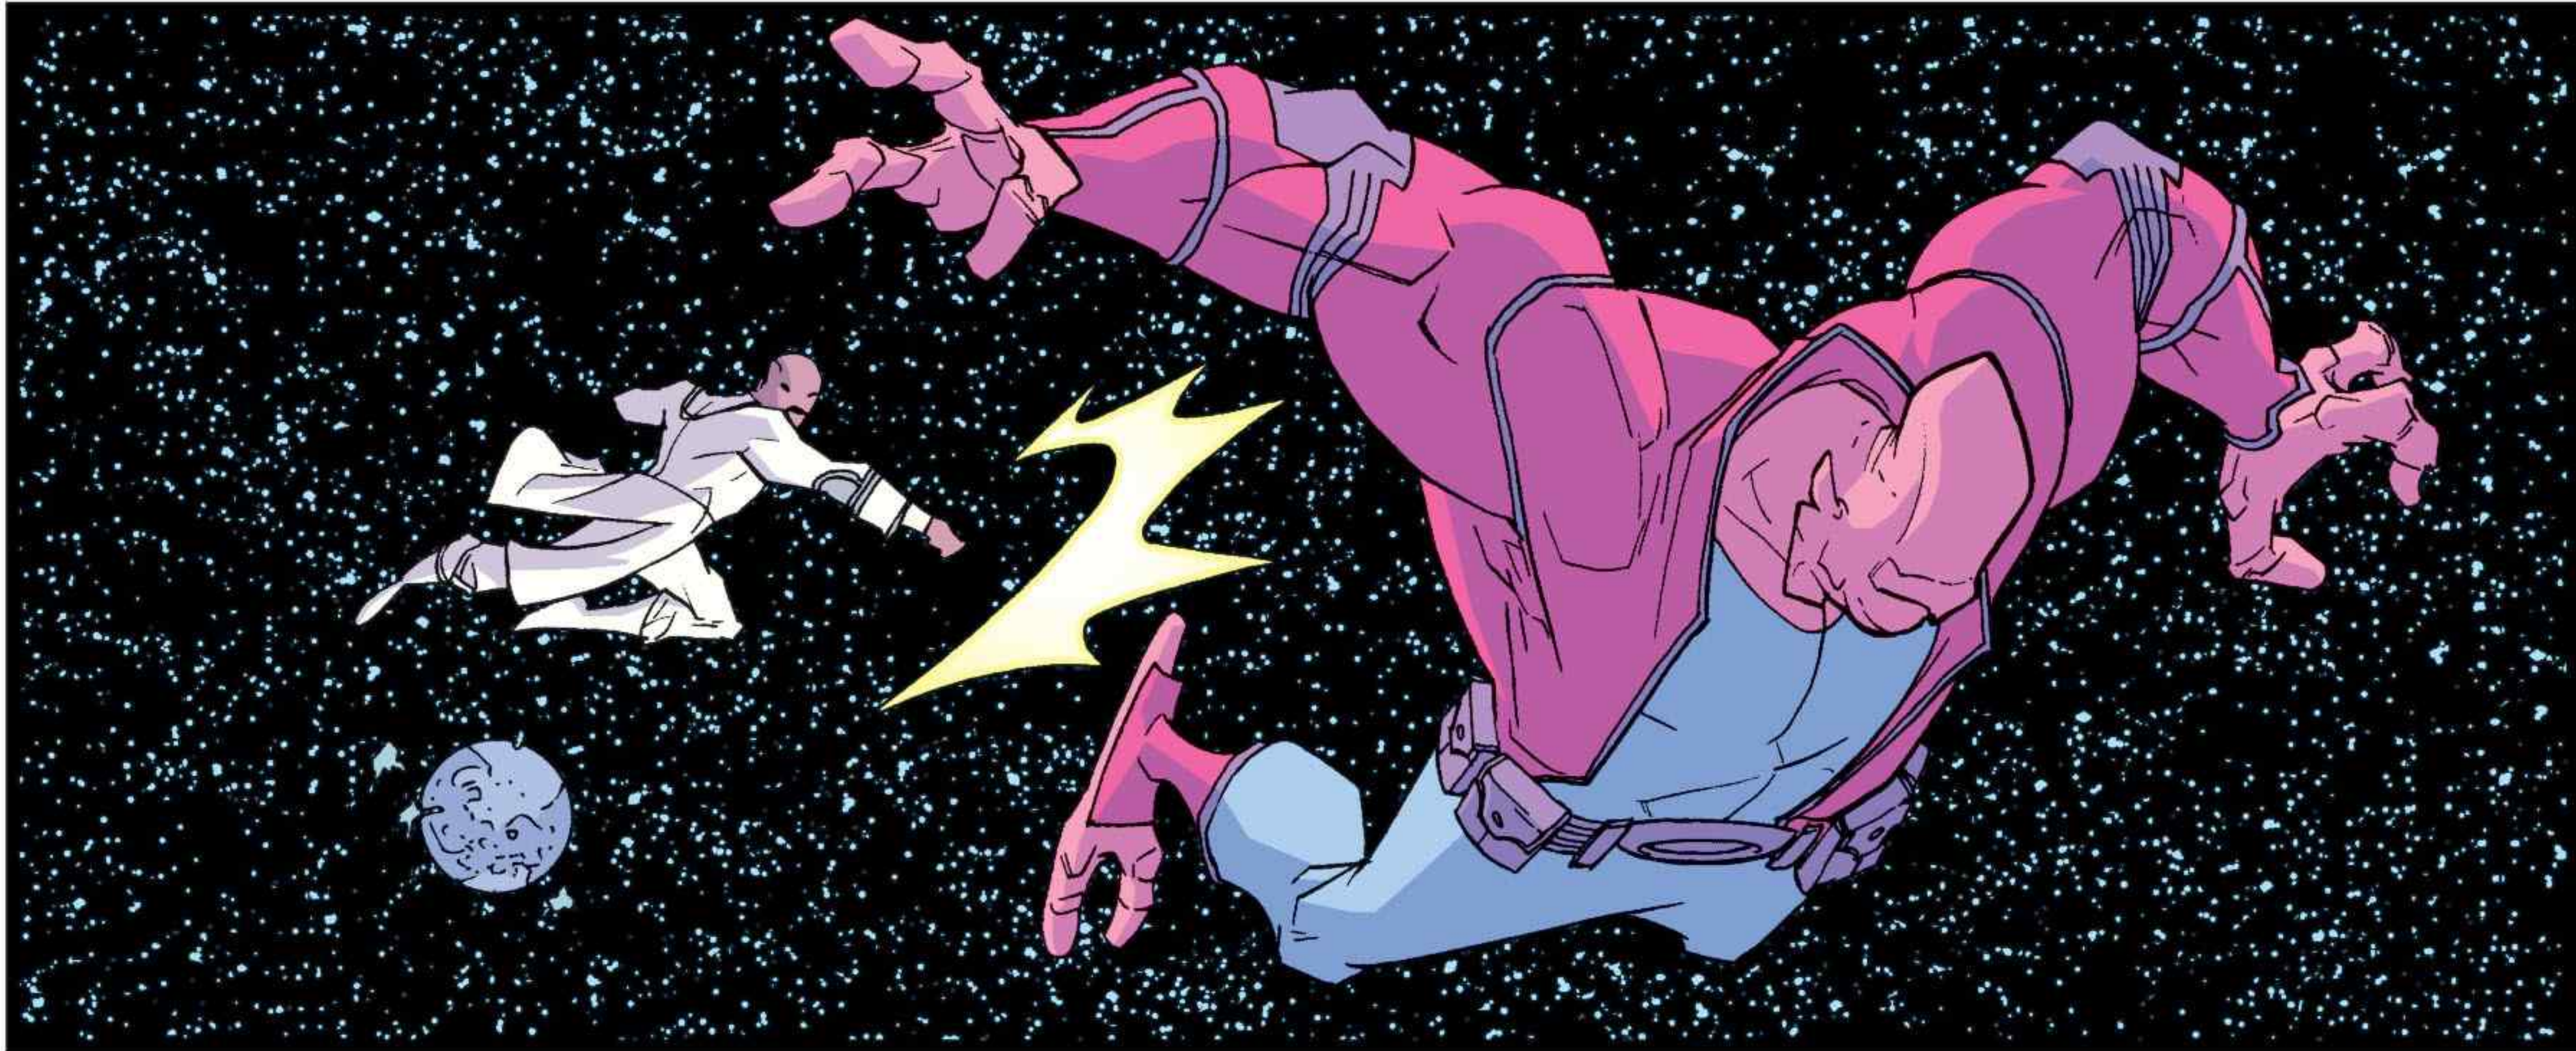

ALLEN IS BARELY EVEN AWARE OF THE VILTRUMITE'S SUDDEN AND VIOLENT ATTACK.

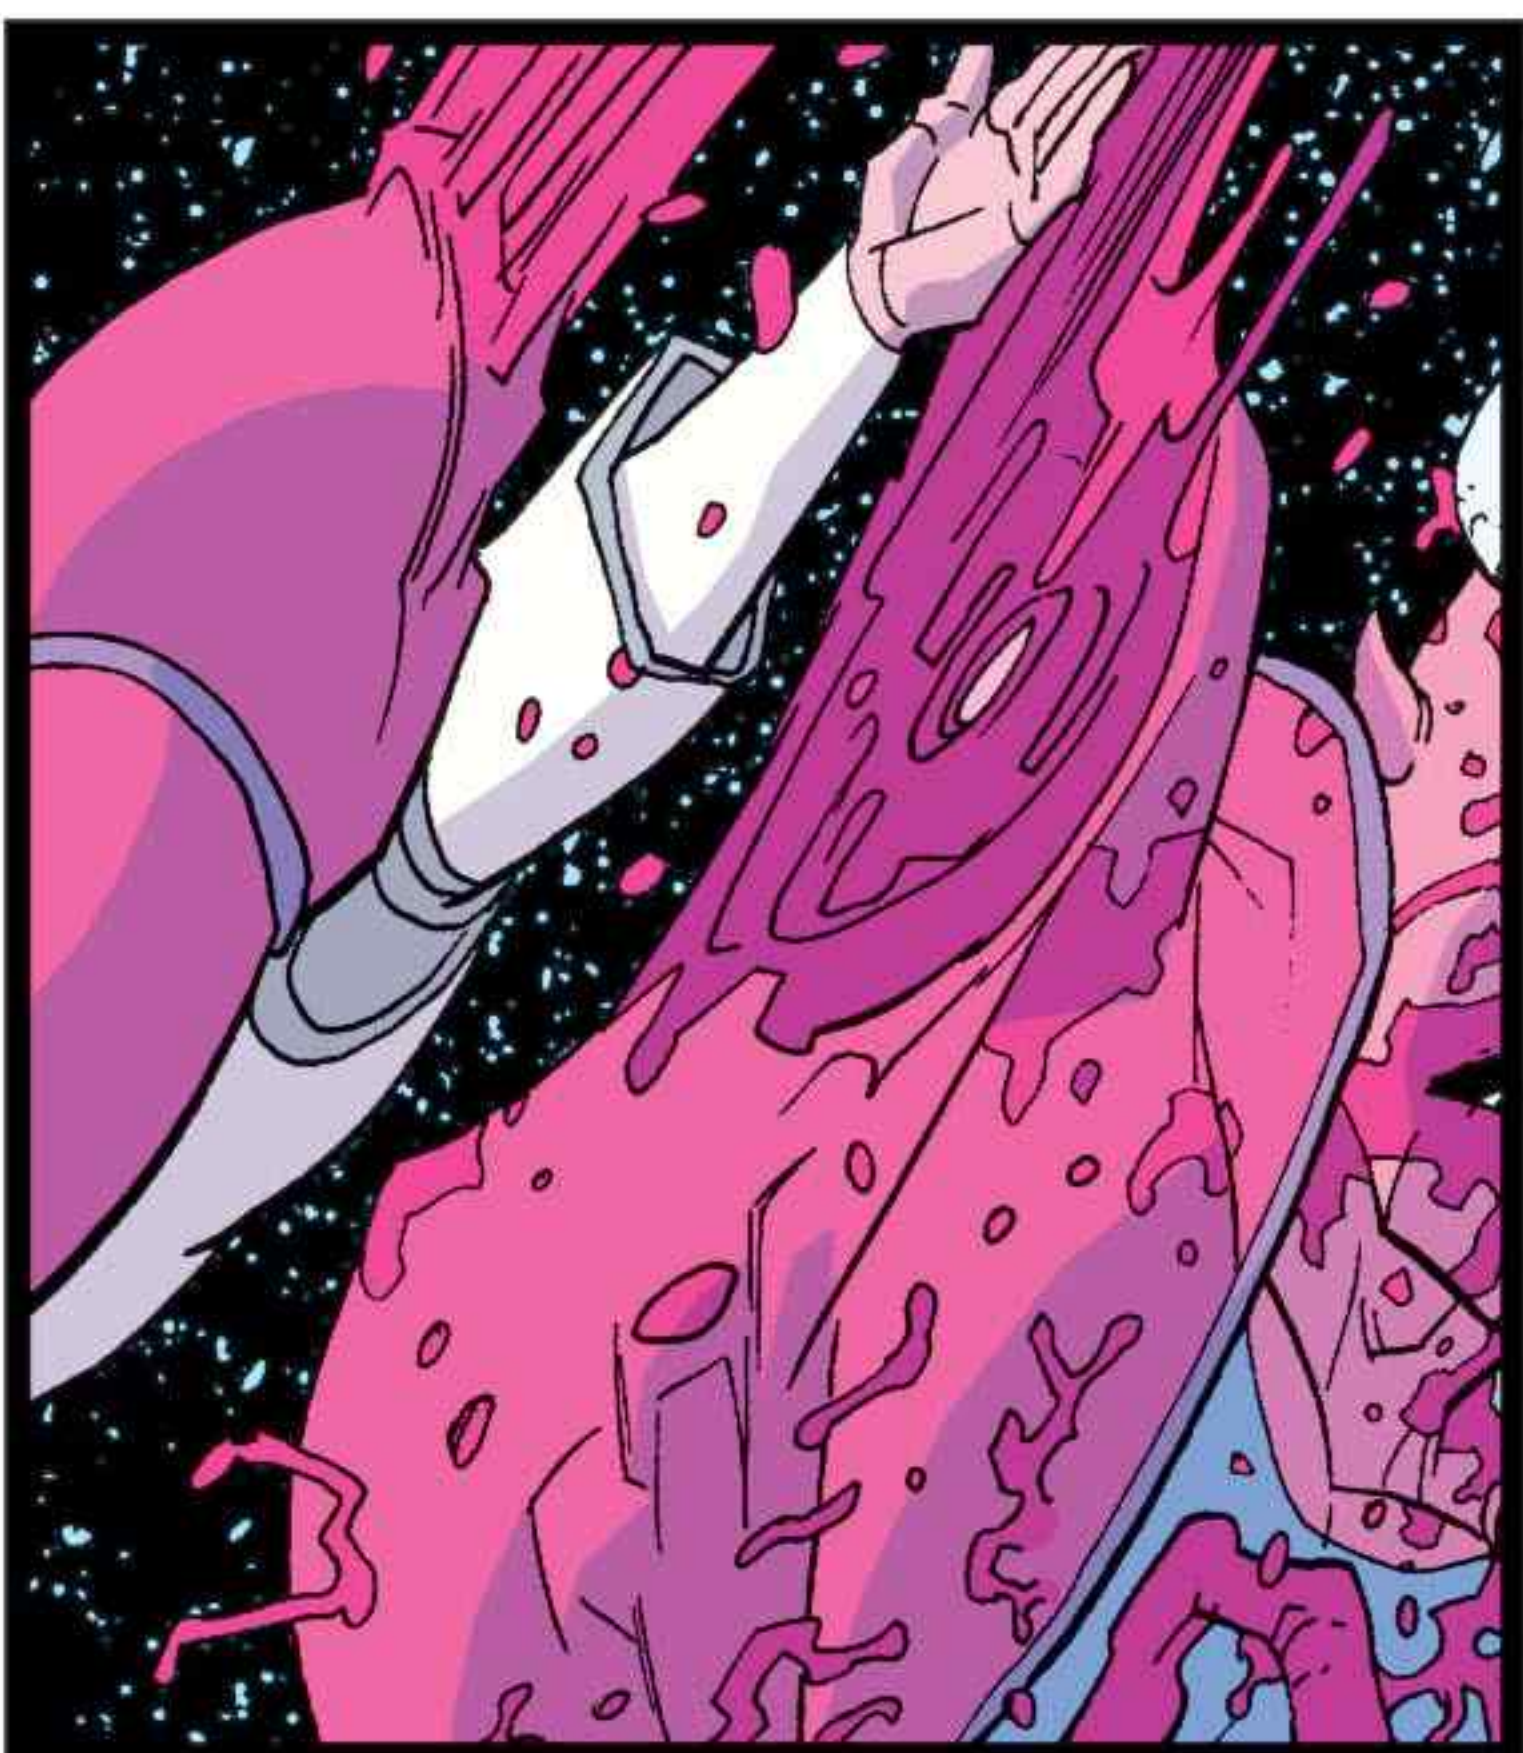

HIS THOUGHTS ARE ON TELIA; "DID SHE SURVIVE THE EXPLOSION?" HE THINKS.

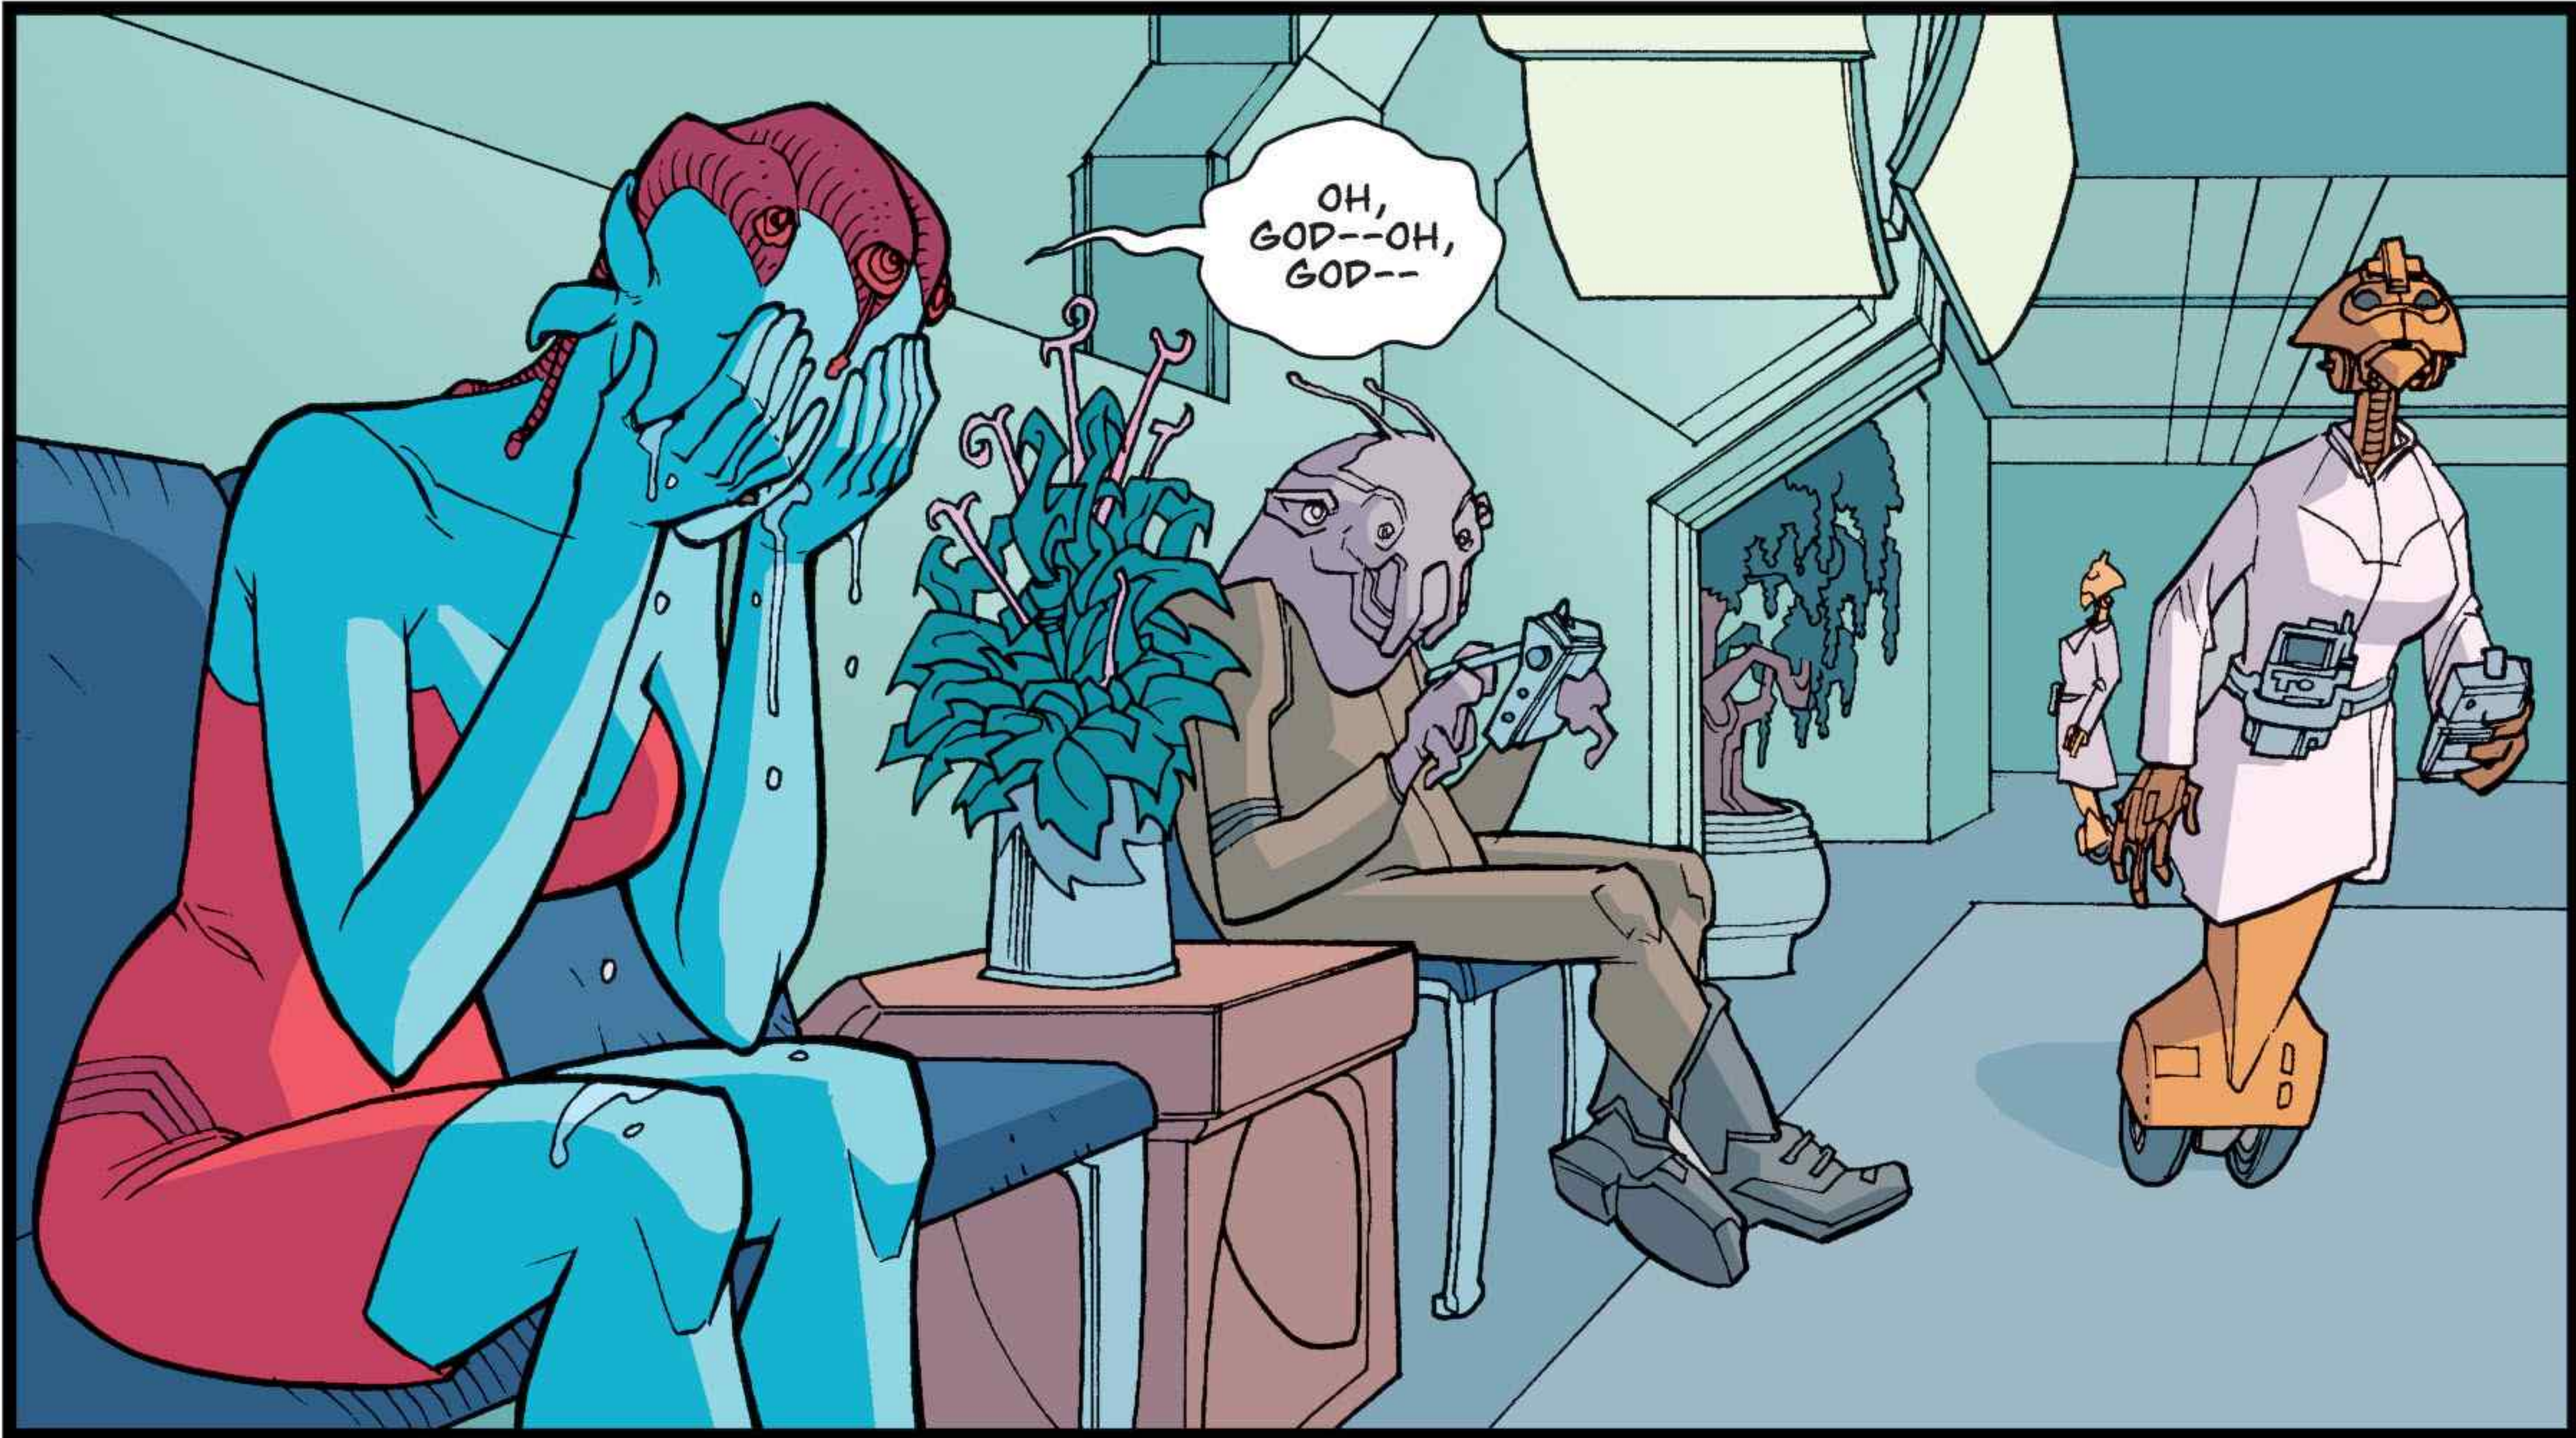

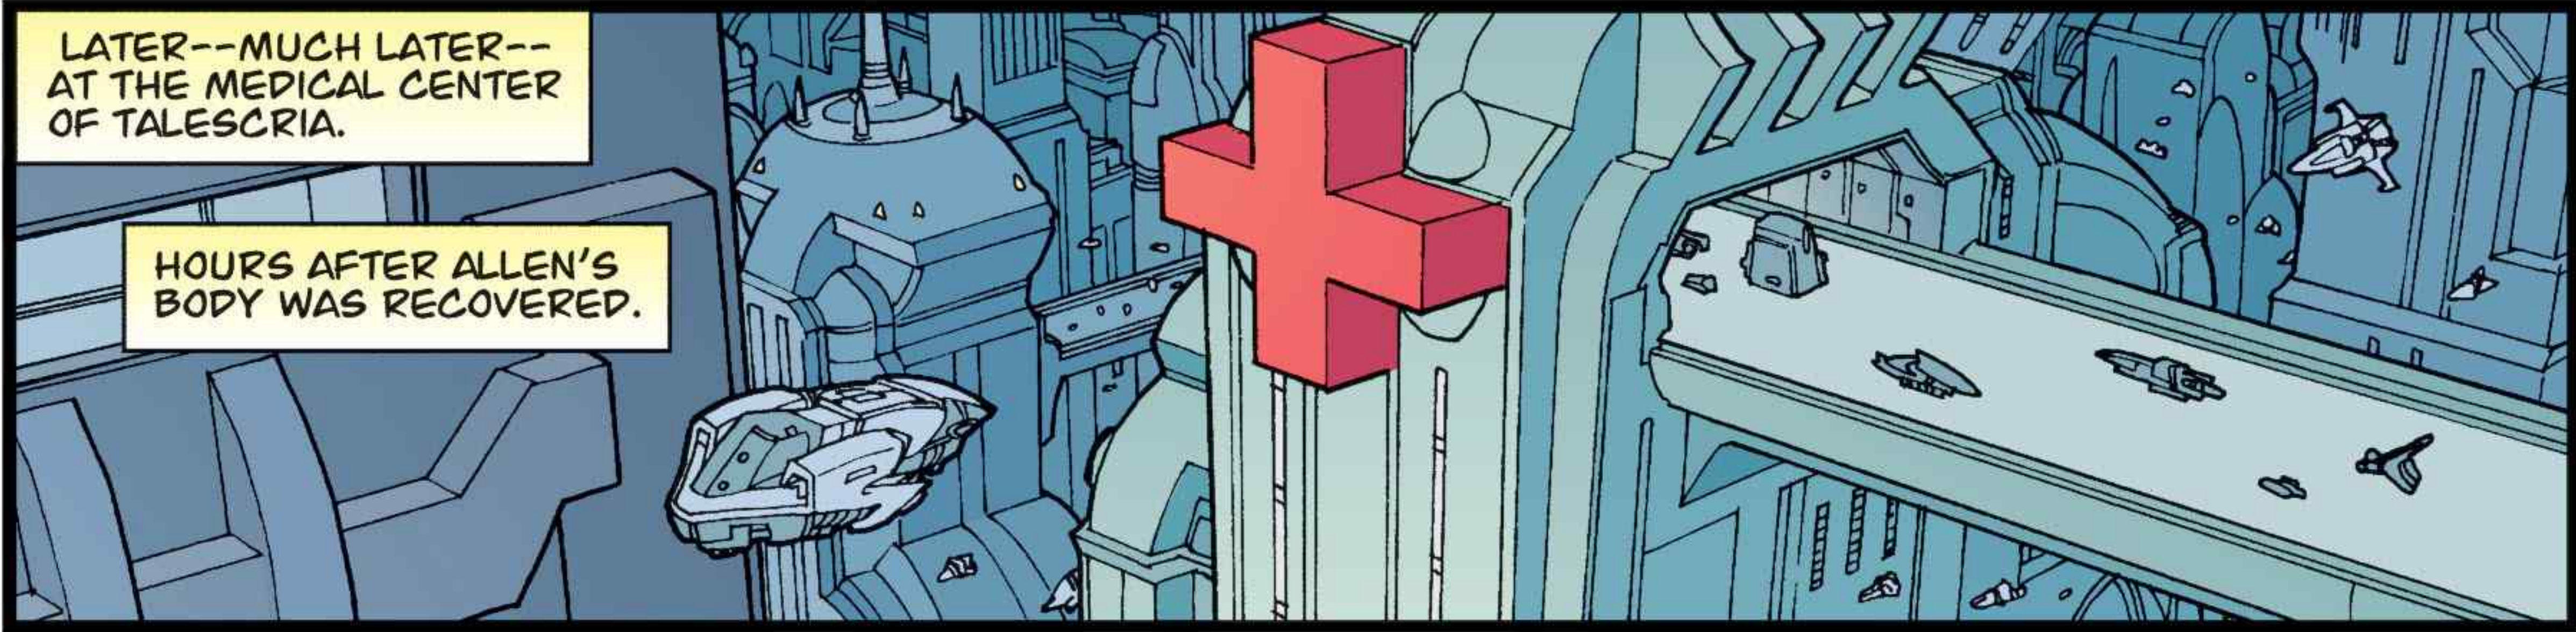

IF ALLEN WERE SMARTER, OR POSSIBLY JUST MORE AWARE OF THE DANGER HE WAS IN, HIS THOUGHTS WOULD BE MORE FIRMLY FOCUSED ON HIS OWN SAFETY.

HIS LAST ENCOUNTER WITH VILTRUMITES DID NOT END WELL. THESE VERY WELL COULD BE THE FINAL MOMENTS OF HIS LIFE.

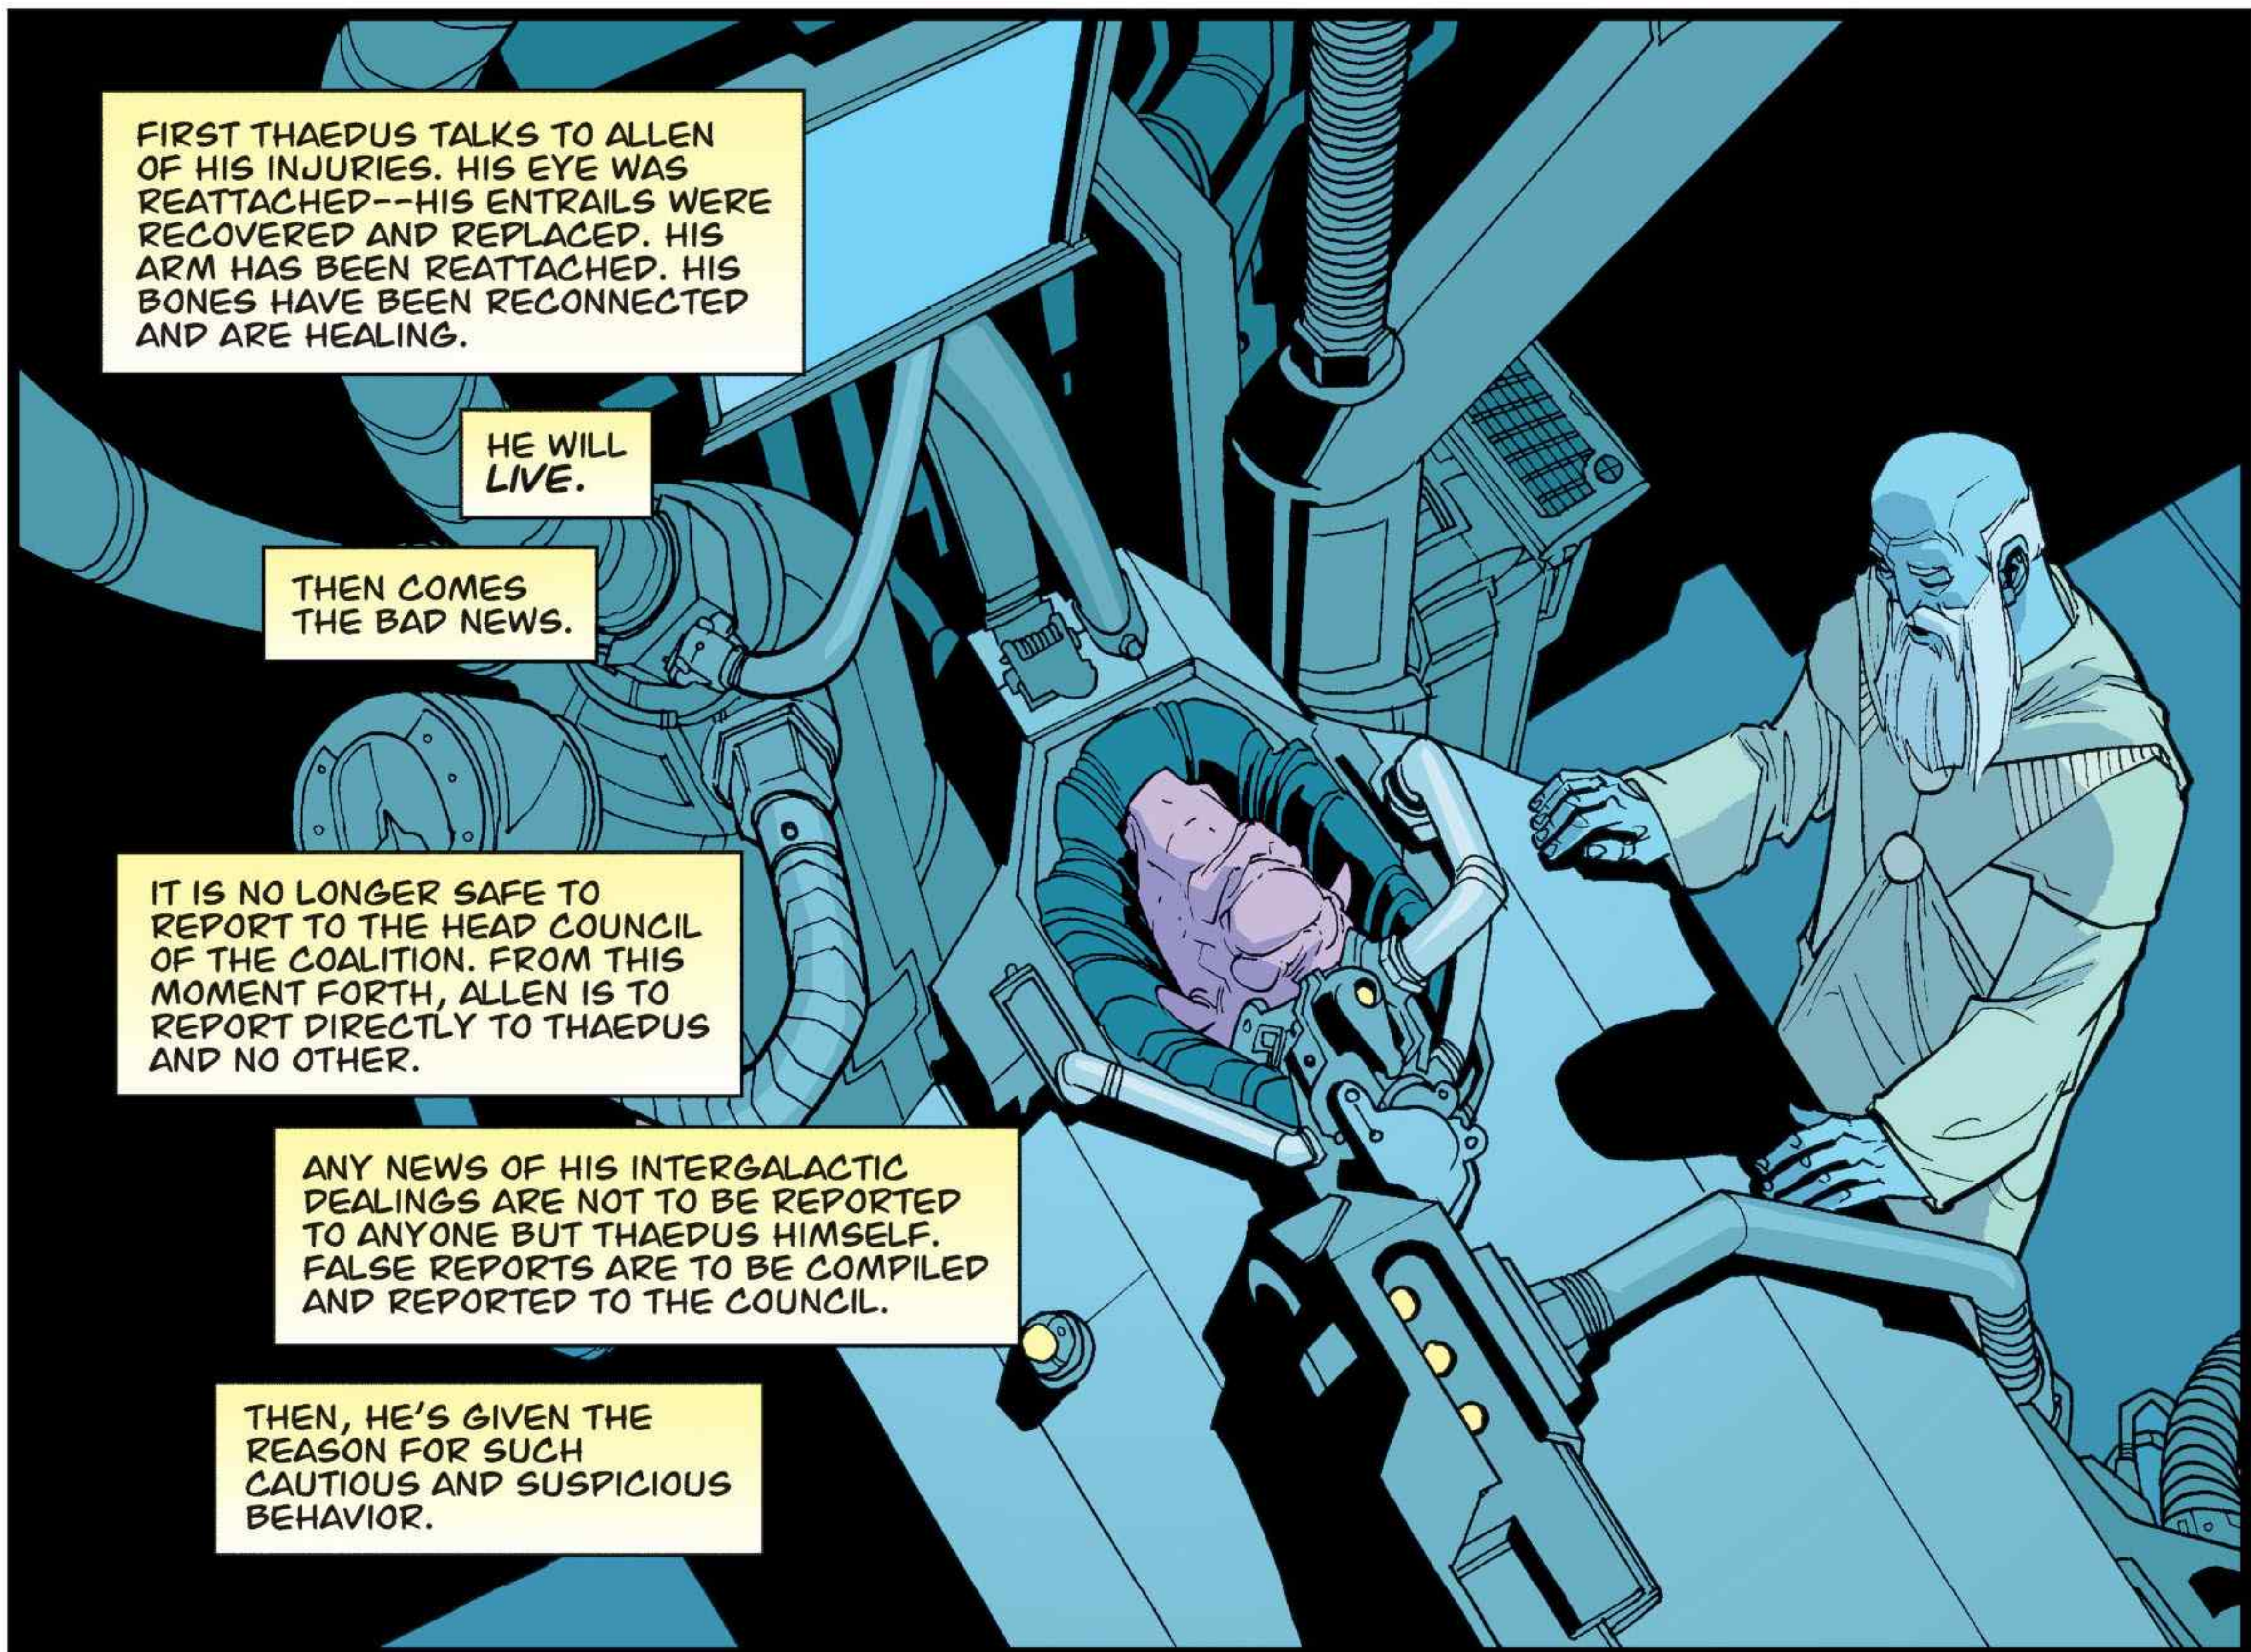

DO NOT ATTEMPT TO **MOVE** OR **REPLY**. THOSE FACILITIES WILL BE BEYOND YOUR GRASP FOR SOME TIME--BUT **LISTEN**.

I **KNOW** YOU CAN LISTEN.

FIRST THAEDUS TALKS TO ALLEN OF HIS INJURIES. HIS EYE WAS REATTACHED--HIS ENTRAILS WERE RECOVERED AND REPLACED. HIS ARM HAS BEEN REATTACHED. HIS BONES HAVE BEEN RECONNECTED AND ARE HEALING.

HE WILL **LIVE**.

THEN COMES THE BAD NEWS.

IT IS NO LONGER SAFE TO REPORT TO THE HEAD COUNCIL OF THE COALITION. FROM THIS MOMENT FORTH, ALLEN IS TO REPORT DIRECTLY TO THAEDUS AND NO OTHER.

ANY NEWS OF HIS INTERGALACTIC DEALINGS ARE NOT TO BE REPORTED TO ANYONE BUT THAEDUS HIMSELF. FALSE REPORTS ARE TO BE COMPILED AND REPORTED TO THE COUNCIL.

THEN, HE'S GIVEN THE REASON FOR SUCH CAUTIOUS AND SUSPICIOUS BEHAVIOR.

THERE IS A **MOLE** WITHIN THE HEAD COUNCIL OF THE COALITION.

UNTIL HE IS DISCOVERED AND **ELIMINATED**--NO ONE IS SAFE. THE VERY COALITION **ITSELF** IS IN JEOPARDY.

THIS COULD VERY WELL BE THE BEGINNING OF THE **END**.

PEN INVINCIBLE PALS

Well, I tried something a little different this month... I hope you guys liked it. I had a lot of info to dump on you this issue and I thought it might be fun to do an old style comic. I had a lot of fun writing this thing and I'm pretty pleased with how it came out. I know it's not the wisest move to do an issue that's such a departure from how the series usually is right after the hopefully new reader grabbing issue #0... but it was now or never and I really wanted to give the this a shot.

If you're a new reader that loved issue #0 but... hated this issue, give us another issue... this one isn't a good representation of how the series usually is. Now, if you LOVED this issue, you're in luck, they're all just like this one. So keep reading!!

Blockbuster Online, folks... it's the bomb (I'm told that means "good."). I signed up recently and I gotta say it is so much cooler than I expected it to be. DVDs brought to your door, all the time. No late fees, no need to leave the house. I totally recommend it.

Also, be on the lookout for our big hardcover coming out this June. You'll get issues 1-13 all in one huge book for a measly \$34.95. It's a STEAL!

Now, let's get on with the letters.

Dear Kirkman,

Like I said in your other letters column, story arcs suck. Kirkman rules. So many sub-plots, just like the good old days. Ottley and Crabtree rock. Midnight City: Good. Shadow Realm: Good. Every cell of every page: Good. Man, Ottley and Crabtree could do this without you. Luckily though, we get all the Kirkman goodness to go with them (but seriously, they're good). And congrats on the Paramount deal! Issue 30 sounds great. 50 cents! It could be twenty pages of story involving Mark buying new shoes and pin-ups of him sweeping the porch and helping old ladies across the street. It would totally be worth it! I need the hardcover too. I completely forgot about Darkwing, Here are some numbered questions:

1. Is the coloring getting better?
2. Is that possible?
3. Can we get more info on Midnight Magician and his spell over Midnight City?
4. Yeah more robot! What the heck is up with Robot? (like you'd answer that in a letters column)

Thanks for printing the Invincible story in the back instead of that other stuff I don't read. Hard to believe that we're on issue 21. Here's to a few more, until you get rich and leave us.

Lotsa Love,
Chris Pitts

Ottley and Crabtree could do this without me? You expect me to answer your letters after saying something like THAT. Eat me.

- 1. It better be.**
- 2. Anything is possible.**
- 3. Maybe some day.**
- 4. More Robot is coming. I have lots of plans for that guy.**

Penvincipals:

Another great issue. It's great to see Mark use his brains in the field, even if he did get a late start in doing so. It was also nice to see that the death's of the Original Guardians is still having repercussions on the world.

It's a little bit annoying to read this title right now, because each issue is hinting at something else that's going to happen. Mark's relationship with Amber, Robot's meetings with the guy in the tube, the mad scientist looking for his college degree, it's all on it's way and there's nothing I can do to bring it here sooner! It hurts, don't you know that?!?

Sincerely,
Ryan Walsh

Things have been getting a little out of hand as of late, and I think this issue especially set up all kinds of new subplots for me to deal with... but as you'll see next issue, the next batch of issues is going to be all payoff (and more set-up, of course). Issues 14-21 were the setup issues that'll get me through issue 50. I think issues 24-40 are going to be worth all the setup you had to sit through so just hang on... it's going to be a wild ride.

Penvincipals,

I'd like to add more compliments on the creation of Battle Beast, but since you politely asked for them to stop I won't. Just to let you know, Invincible sells very well in these local Cincinnati comic shops. At the majority of them you can't find a single back issue in stock. I was fortunate enough to find the Eight Is Enough TPB though which I haven't read yet, but when I do I will be sure to write in and tell you what I thought.

Some questions:

- 1. Why did you change the paper texture of the cover on issue 21? I liked the harder cover better because it's not used that much.
- 2. How about an Invincible-Jack Staff crossover? I've never read a whole issue of Jack Staff but he seems like a good character that would make a good story arc.
- 3. Does any of the Invincible staff read Mirage's TMNT?
- 4. Will we ever see a guest penciller in the future? (No disrespect to Ottley, just wondering.)

- Mark Neeley

- 1. I like my comics flimsy... they feel more like comics to me. When Eric Stephenson told me that I could use thinner covers now (at the other printer we used, we couldn't) I made the switch. I like it, it's here to stay.**
- 2. I'd love to do that. Paul Grist seems too busy trying to get that book out on time to do it though, and I'd only want to do it if he drew it.**
- 3. I used too, but I haven't picked up an issue in a long time.**

4. No plan too at this moment. I like Ryan exactly where he is.

Better late than never? I just read the first 15 issues (including the letters pages) over the last week or so and I love it just as much as I was afraid I would. The last thing I needed was another monthly series that I'm hooked on but having been a fan of The Walking Dead since the start I knew I was taking a chance. Anyway, I've got six more issues to tide me over for now so I can't complain (yet). Please keep up the great work. I plan on sticking around as long as you do.

Thanks,
Tom Adams

Welcome aboard, Tom. It's good to hear about new readers jumping on the book. I've got big plans for this book and I can't do them unless there're people there to read them. So thanks, I hope you like where we're going with this.

I've been reading all about Invincible since last June (but I got a way to find all issues, from the first to the last month_s), and I can say it's almost the greatest superhero comic book in the whole universe (if it wasn't for Alan Moore's Miracleman). Besides the fan-boy compliments, I want to ask some questions:

- 1 - Am I hallucinating or are those twins up to a 'Crisis' or something like it?
- 2 - How the hell a girl like Eve ended up with a moron like William? And will we see William flying again?
- 3 - Science Dog will be showing up in an Invincible tale? I loved seeing that little scene when Mark met with Science Dog's creator... It's a classic!

That's all for now.

Thanks for all those great comics, and let's hope years of more great/excellent comics to come!

Tiago Salviatti.

Miracle Man? Feh! Actually, I've never read it. I've never been able to find copies at a reasonable price. If anyone out there has the inside track on Miracle Man issues, let me know.

1 - You are Hallucinating.

2 - William's a good guy. He's fun to be around. He'll be flying again before you know it... just wait and see.

3 - Yep, issue 25 will feature Science Dog--it's going to be a blast!

Kirkman,

Well I finally broke down and started reading Invincible after getting this far into Walking Dead. It was actually pretty hard to find back issues, but that must be a good thing on your end. Just now I'm finally caught up since I finally got issue 14 and could then read the rest I collected. I have to say that it's a really great comic, art wise and especially story. It's like there are no wasted panels, it's always a great reaction shot or a funny joke like the Star Wars joke with the water barrier door. It really comes together well, so much that I won't call you out for having "Probably the best superhero comic book in the universe" up at the top.

Too many comics make every issues last page the big cliffhanger part, but Invincible's plot unfolds in a way that seems really natural. Villains always scheming, and almost every character has a story that's interesting and relevant. I just want to say that it comes together perfectly, and it's one of the

best comics out there in my opinion. I'm not sure if you'll ever top Blade of the Immortal on my list, but Invincible and the Walking Dead are easily 2 and 3.

Well that's it for me, just sending you some ego boost. I've got a letter for TWD planned so keep an eye out for it :)

-Bill Deese

Ego boost?! Where? All I'm seeing are letters saying "Ryan and Bill could do this without you" and "Miracle Man is way better than your book" and "Blade of the Immortal is number 1." What's up with this month? That's it... I quit. The rest of these letters are getting answered by my neighbor, Gerald.

Yo, Robert Dude!

I got to tell you, I'm a bit worried. I just got news about the film in Wizard, I read something about it on the net a few weeks ago but passed it off as rumor. I just don't want it to suck in any way. Please make sure they don't mess it up. I wanna see many villains and sub plots and action and prefer if it will be around 3+hours. I'm not asking much am I? Cuz sooner or later I'm gonna have it on dvd and will watch it many times over. So I need a lot more than normal unless u plan on making 3 back to back and release them every month. Cuz nothing would rock more if this book was on the big screen! I have a few questions, do what you can, be cryptic!

1. Is Ben Afflek in the rank for mark? (You better say no)
2. Tom Selleck as omni-man (or make sure u cgi his mustache on whoever)
3. Will you appear in the movie as a hot-dog vendor or security guard

maybe a postman?

4. Can you print this letter in issue 25?

Congrats by the way I am proud to say I've been there from the start here's to another 26 and a half more (free comic and zero issue)

ROB STEAL

The movie, if it gets made, will be what it will be. I get to write the screenplay but it's not set in stone that they have to use it. It's also not set in stone that a second script by someone else won't be BETTER than mine. The movie is separate from the comic and will not affect the book in any way... so it's really not a big deal. It's certainly not worth worrying about at this point.

1. It hasn't gotten to that point yet.
2. I think when people suggest Tom Selleck they're casting the mustache.
3. I hope!
4. Will 23 do?

Robert-

Just bought the first two Invincible trades after several months of my friends telling me what a dumbass I am for not reading the book. They were right.

One thing: I'm very interested in Science Dog. The visual did it for me, really: he's a humaniform terrier, he has a jet pack, and he's (I'm assuming) a scientist-adventurer in the vein of Doc Savage, Tom Strong, and Reed Richards. I want to know his story. Obviously, you're quite busy these days, what with doing Invincible, The Walking Dead, and your Marvel work, so who the hell knows when you might get around to telling it. But in the mean-

time, have you considered giving him a little cameo in Invincible? I know he's a fictional character in Mark's universe (or is he...), but surely in a world with cities shrouded in eternal night by magic spells and science teachers who put bombs in students' chests, a meet-up between a teenaged superhero and his comic book idol wouldn't be entirely out of the question. As an aside, it'd also make good water-testing for the marketability of Science Dog: The Series.

Just something I thought I might throw at you. If you use it, a mention in the trade wouldn't suck. Congratulations on the movie deal.

Michael Pullmann

You sir, need to purchase issue 25. Not only does it feature a guest appearance by Science Dog but it also features a twelve-page Science Dog back-up by Cory Walker and I. It should be a blast. That should tide you over for a few years. I'm not opposed to doing a series one day, but there's nothing planned right now.

Penvincipals,

I have no idea what was going on with Robot at the end of this issue, but I loved it! And Midnight City? I loved that too! I'll try my hand at a few comments/questions:

1. There was a free issue? Cod sarn it! They missed it off my subscription! Damn them! Oh wait... Here it is...

2. What's the extra stuff in the TPBs that aren't in the comics? Extra pages of story? Sketchbooks and the like?

3. I've only been getting the Walking Dead in TPB format, so I'll tell you here

that I'm likin' it so far. It's different... But in a good way...

4. I'm a patient guy, but it feels like I've been waiting to see what's going on with Robot for ages. He's intrigued me from day one. Will we know the whole story soon?

5. Where do babies come from?

Counting down the days to Invincible #22,
John Turner

1. See, we aim to please. It's also in the Volume 4 TPB.

2. Mainly just sketchbook stuff, but there's a lot of it. And there's the introductions by the industry's best and brightest. I don't want to add more story pages because then I think people would feel like they needed to buy it, and I only want you kids buying these things if you want to.

3. Good to hear. Stick with it. Now try Marvel Team-Up!

4. That's because most people assumed there was something up with Robot when there wasn't. There wasn't "something up" with Robot until recently... it's a NEW subplot.

5. Storks, man... the same as pickles.

Hey, first time writing in for a comic, and I must say, this is my all time favorite. I just finished rereading issue 1-21 again, and just love it so freakin' much. I am a decently big comic fan, and if I ever had to sell off everything, I would keep invincible. I would sell all my transformers stuff (which is a ton of it, cuz I love me them robots) but just

couldn't part with this series. I have been slowly attempting to create a movie script too, cuz I think this story would be excellent on the big screen. Of course, it would star me, but that's cuz I'm cool like that. And pee wee herman would be robot. Thats my casting so far. And I must say I love the British falling from the sky panels. Quite funny. Anyway, cant wait to see where all this craziness is headed, new crime bosses, omni-man still gone, a shape shifting alien on earth, and the human squid mix on mars. Thanks for creating this amazing peice of art

Peace,
Mr Lumptastic

Yeah, man... dump that Transformers crap! What do you need THAT for?! Glad you're in for the long haul "Lumptastic" You won't be sorry you stuck around, I promise.

Hey Robert,

Just finished issue #14.... :)

Actually, I've been buying your book since issue #1, and I just recently purchased issue #21 before I actually started to read it. (I'm a really BIG procrastinator...sue me) I've been hearing the hype, so I figured I must have latched onto a good thing. (I had bought issues #1 & 2 on a whim at my local shop).

Anyhoo, the book is really kick-ass, and my almost 38 year old senses have really gotten a kick in the nads by this book. Especially the little things... like the Burger Mart bag finally crashing to Earth... I don't care what that Chris Piers guy says... that was cool. Being a comic reader since 1975, I've really come to appreciate detail and respect for continuity in books; something that

has been awfully scarce in the last decade. So I just wanted to say "Thanks" for a great book, and despite your increasing popularity & workload, you'll still have time for it.

I never thought I'd see the day that TWO Image books would be at the top of my list (Invincible & Rex Mundi (an EXTREMELY underrated book)).

I apologize for waiting so long....
Thanks for your time,
Mike 13

Man, Image is putting out some solid gold nuggets of comic goodness these days. Expatriate, Sea of Red, Godland, Death Jr., Strange Girl, Small Gods, The Amazing Joy Buzzards, Girls, Mora, Noble Causes, NYC Mech, PVP, ShadowHawk... the list goes on... there's a lot of good stuff coming from Image in the coming months, including some HUGE projects on the horizon.

With that I'll bring this column of letters to a close. Be back here next month for the wrap up of a long-running subplot. I promise.

This month's pin-ups by:

1. The whole gang by Todd Nauck with colors by Jacob Baake.

2. Atom Eve by Khary Randolph.

See you next month.
